Sluban TS-1 Surf Car Model Kit M38-B1191 Instruction Manual

Model: TS-1 | Brand: Sluban

1. INTRODUCTION

Thank you for choosing the Sluban TS-1 Surf Car Model Kit. This kit provides an engaging construction experience, resulting in a detailed 1/35 scale surf van model. Designed for enthusiasts aged 8 and up, this manual will guide you through the assembly, operation, and care of your new model.

Safety Information:

- This kit contains small parts and is not suitable for children under 3 years due to choking hazards.
- Adult supervision is recommended during assembly.
- Keep all packaging materials away from children.

2. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present. The Sluban TS-1 Surf Car Model Kit M38-B1191 includes:

- Approximately 276 building block pieces.
- One minifigure.
- One surfboard accessory.
- Detailed instruction booklet (separate from this manual).

3. SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the dedicated assembly booklet included in your kit. The assembly process involves connecting the building blocks to construct the surf car model.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks by color or type to facilitate assembly.
2. **Follow Booklet:** Refer to the detailed, illustrated instruction booklet for precise step-by-step guidance. Each step will show which pieces to use and where to place them.
3. **Connect Pieces:** Ensure pieces are firmly connected to create a stable structure.
4. **Assemble Sub-sections:** The model is typically built in sub-sections (e.g., chassis, body, roof, interior) which are then combined.
5. **Attach Accessories:** Once the main vehicle is complete, attach the surfboard to the roof rack and place the minifigure inside or alongside the vehicle.

4. OPERATING THE MODEL

The Sluban TS-1 Surf Car Model is designed for display and imaginative play. It features several interactive elements:

- **Removable Roof:** The roof section can be removed to access the detailed interior, allowing for placement of the minifigure and other small accessories.
- **Surfboard Holder:** The surfboard can be securely placed on the roof rack.
- **Minifigure Interaction:** The included minifigure can be positioned in the driver's seat or other areas of the model for role-play scenarios.
- **Rolling Wheels:** The wheels are designed to roll, allowing the model to be moved across smooth surfaces.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your Sluban TS-1 Surf Car Model.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to smaller components.

6. TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check all packaging materials and the assembly area. If a piece is genuinely missing, contact Sluban customer support with details of the missing part (refer to the assembly booklet for part numbers).
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented. Apply firm, even pressure. Do not force pieces together if they do not fit, as this may cause damage.
- **Model Instability:** Review previous assembly steps to ensure all connections are secure and pieces are correctly placed according to the instruction booklet.
