MAINTENANCE

- **Cleaning:** To clean the set, gently wipe the pieces with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the construction set in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Replace any broken or worn parts if necessary.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing upon opening the box, please refer to the manufacturer's customer service information provided in the product packaging for assistance.
- **Difficulty Assembling:** Ensure you are following the steps in the instruction booklet precisely. Sometimes, pieces require a firm push to connect properly. Do not force pieces if they do not fit, as this may cause damage. Double-check the orientation of the pieces.
