

HSANHE YC639

HSANHE Building Sets gz 6525 Instruction Manual

Model: YC639

INTRODUCTION

Welcome to the instruction manual for your HSANHE Building Sets gz 6525, model YC639. This set provides an engaging and creative building experience, allowing you to construct a detailed multi-story house with various features. Please read this manual carefully to ensure proper assembly, safe use, and optimal enjoyment of your building set.

SAFETY INFORMATION

WARNING: Not for children under 3 years. This product contains small parts which may pose a choking hazard. Adult supervision is recommended during assembly and play.

- Keep all packaging materials away from children to prevent suffocation.
- Inspect all pieces before assembly for any damage.
- Ensure all connections are secure during assembly to prevent parts from detaching.
- Do not modify the product in any way not described in these instructions.

PACKAGE CONTENTS

Your HSANHE Building Sets gz 6525 package should contain the following:

- Building blocks for constructing the multi-story house.
- Instruction booklet (this manual).
- Various accessory pieces (e.g., furniture, outdoor elements like a slide and pool).
- One unit (as per specifications).

Note: The exact number and type of pieces may vary slightly. Refer to the included parts list in your physical instruction booklet for precise details.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in your physical instruction booklet to assemble the building set. The general

process involves connecting various building blocks to form the structure of the house and its interior/exterior elements.

General Assembly Steps:

1. **Unpack and Sort:** Carefully unpack all components. It is recommended to sort the building blocks by color, size, or type to facilitate assembly.
2. **Base Construction:** Begin by assembling the base plates, which will form the foundation of your house.
3. **Wall and Floor Construction:** Build the walls and floors layer by layer, following the sequence in the instruction booklet. Pay attention to door and window placements.
4. **Interior Details:** As you build each floor, integrate the interior furniture and decorative elements such as beds, sofas, kitchen appliances, and tables.
5. **Roof Assembly:** Construct and attach the roof sections.
6. **Exterior Features:** Add outdoor elements like the fence, umbrella, lamppost, and the slide leading into the pool area.
7. **Modular Design:** The set is designed to be modular, allowing for different configurations. You can assemble it as a single, larger house or as two separate, smaller structures that can be connected. Refer to the images below for examples of these configurations.

Figure 1: The HSANHE Building Set gz 6525 assembled in its full, combined house configuration, and also showing how it can be split into two distinct house sections. This illustrates the modularity of the design.

Figure 2: Detailed views of the interior spaces within the building set, showcasing furnished rooms such as a bedroom, a living room with a sofa, and a kitchen area with appliances.

Figure 3: The assembled building set shown with internal and external lighting, creating an inviting night-time scene. This demonstrates the aesthetic appeal of the completed model.

Product Dimensions:

Figure 4: A diagram illustrating the approximate dimensions of the assembled building set. The combined house measures approximately 17.51 inches (44.5 cm) in width and 7.48 inches (19 cm) in height. When split, each section is approximately 8.85 inches (22.5 cm) wide, and the single house configuration is about 11.81 inches (30 cm) wide.

OPERATING AND USAGE

Once assembled, the HSANHE Building Sets gz 6525 is ready for imaginative play.

- **Creative Play:** Encourage creative storytelling and role-playing with the various rooms and outdoor features.
- **Modular Reconfiguration:** Experiment with splitting and rejoining the house sections to create different layouts and play scenarios.
- **Interactive Elements:** Utilize the slide and pool area for additional play opportunities.

Figure 5: Two children engaging in play with the assembled building set, showcasing the interactive nature of the toy.

MAINTENANCE

To ensure the longevity and cleanliness of your building set:

- **Cleaning:** Wipe the building blocks with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Disassembly:** If disassembling for storage, do so carefully to avoid damaging the connecting studs.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing, first double-check all packaging materials. If still missing, contact customer support with details of the missing part.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly. Apply gentle, even pressure. Do not force

pieces together, as this can cause damage.

- **Unstable Structure:** Review the assembly steps to ensure all connections are secure and no steps were missed.

SPECIFICATIONS

Feature	Detail
Brand	HSANHE
Model Number	YC639
Educational Objectives	Building skills
Number of Pieces	1 (refers to the set as one unit)
Assembly Required	Yes
Battery Operated	No
Material Type	Plastic
Recommended Age	6 years and above
Product Dimensions	2.54 x 2.54 x 2.54 cm; 1.28 kilograms (Note: This seems to be a generic placeholder, refer to Figure 4 for assembled dimensions)
