

Gizoon 2-Piece Bedroom Furniture Set

Gizoon 2-Piece Bedroom Furniture Set User Manual

Model: 2-Piece Bedroom Furniture Set

1. INTRODUCTION

Thank you for choosing the Gizoon 2-Piece Bedroom Furniture Set. This set includes one 5-drawer dresser and one 6-drawer chest, designed to provide versatile storage solutions for your bedroom, guest room, or other living spaces. This manual provides essential information for safe assembly, proper use, and maintenance of your new furniture.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Hardware:** This furniture set includes anti-tipping hardware. It is crucial to secure both the 5-drawer chest and the 6-drawer dresser to a wall using the provided hardware. This prevents accidental tipping, which is especially important in households with children.

- **Weight Limits:** Do not overload drawers. Distribute weight evenly.
- **Assembly:** Assemble the furniture on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place furniture on a level surface to ensure stability.

3. PACKAGE CONTENTS

Your Gizoon 2-Piece Bedroom Furniture Set will be delivered in two separate packages. Please ensure you have received both packages and all components before beginning assembly.

- One (1) 5-Drawer Dresser (Chest of Drawers)
- One (1) 6-Drawer Dresser
- Assembly Hardware Kit (screws, dowels, anti-tipping kit, drawer pulls)
- Assembly Instructions Manual

4. SETUP (ASSEMBLY INSTRUCTIONS)

Assembly is required for both pieces of furniture. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a soft, clean surface to prevent damage. Verify all parts are present against the parts list in the assembly manual.
2. **Assemble Frame:** Follow the diagrams to assemble the main frame of each dresser/chest.
3. **Install Drawer Slides:** Attach the drawer slides to the inner frame of the furniture and to the sides of the drawer boxes.
4. **Assemble Drawers:** Construct each drawer box according to the instructions.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots.
6. **Attach Drawer Pulls:** Secure the metal drawer pulls to the front of each drawer.
7. **Install Anti-Tipping Hardware:** This is a critical step. Securely attach the anti-tipping hardware to the back of each furniture piece and then to a wall stud using appropriate wall anchors (not always included, use suitable anchors for your wall type).

Tools Required (Not Included): Phillips head screwdriver, hammer (optional, for dowels), drill (for anti-tipping hardware installation).

5. OPERATING (USAGE)

Your Gizoon furniture set is designed for organizing various items in your home.

- **Drawer Functionality:** Each drawer operates on smooth metal glides for easy opening and closing. Avoid forcing drawers if they feel stiff; check for obstructions.
- **Storage:** Use the drawers to store clothing, linens, accessories, books, or other personal items. Distribute weight evenly within drawers to prevent strain on the glides.
- **Top Surface:** The top surface of both the 5-drawer chest and 6-drawer dresser can be used for displaying decorative items, lamps, or other small objects. The 5-drawer chest features a semi-fenced tabletop to help prevent items from falling.

6. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your furniture.

- **Cleaning:** Wipe surfaces with a damp cloth when dirty. Avoid using harsh chemicals, abrasive cleaners, or furniture polish that may damage the finish.
- **Spills:** Wipe up spills immediately with a soft, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat and Moisture:** Keep furniture away from direct heat sources and areas of high humidity. Use coasters under drinks to prevent water rings.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten as necessary.

7. TROUBLESHOOTING

If you encounter any issues with your furniture, please refer to the following common solutions:

- **Wobbly Furniture:** Ensure the furniture is placed on a level surface. Check all assembly screws and tighten any that are loose.

- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly aligned and free of obstructions. Ensure all screws on the slides are tight. Do not overload drawers.
- **Missing Parts:** If you find any parts missing during assembly, please contact Gizoon customer support immediately.
