SETUP

1. Battery Installation

The Bluey Alarm Clock is battery-operated and requires 3 x AA batteries (not included).

1. Locate the battery compartment on the underside of the alarm clock.

2. Using a small screwdriver, open the battery compartment cover.

3. Insert 3 x AA batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.

4. Replace the battery compartment cover and secure it with the screw.

Important: Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.

2. Setting the Time

Once batteries are installed, the digital display will activate. Follow these steps to set the current time:

1. Press and hold the **TIME SET** button (refer to diagram for button location, typically on the back or bottom).

2. While holding **TIME SET**, use the **HOUR** and **MINUTE** buttons to adjust the time.

3. Release the **TIME SET** button when the correct time is displayed.

3. Setting the Alarm

To set your desired wake-up time:

1. Press and hold the **ALARM SET** button.

2. While holding **ALARM SET**, use the **HOUR** and **MINUTE** buttons to set the alarm time.

3. Release the **ALARM SET** button.

4. Ensure the alarm function is activated. This is usually indicated by an alarm icon on the display. Press the **ALARM ON/OFF** button to toggle the alarm.

OPERATING INSTRUCTIONS

Alarm Function

When the alarm time is reached, the Bluey Alarm Clock will play the Bluey theme song to gently wake you up.

- To turn off the alarm for the day, press the **ALARM ON/OFF** button.

- To activate the snooze function, tap Bluey's head (the character figure on top of the clock). The alarm will pause and sound again after a short interval (typically 5-10 minutes).

Night Light Function

The Bluey character figure doubles as a comforting night light.

- To activate the soft glow night light, simply tap Bluey's head.

- Tap Bluey's head again to turn off the night light.

Maintenance

Cleaning

To clean your alarm clock, gently wipe it with a soft, dry cloth. Do not use abrasive cleaners or immerse the unit in water.

Battery Replacement

When the display dims or the alarm function becomes unreliable, it's time to replace the batteries. Follow the "Battery Installation" steps in the Setup section to replace the 3 x AA batteries.

Troubleshooting

- **Alarm not sounding:**

- Ensure the alarm time is set correctly.
- Verify that the alarm function is activated (check for the alarm icon on the display).
- Check battery levels and replace if necessary.

- **Night light not working:**
  - Ensure batteries are correctly installed and have sufficient power.
  - Tap Bluey's head firmly to activate the light.

- **Display is dim or blank:**
  - Replace the batteries with fresh ones.
  - Ensure batteries are inserted with correct polarity.

- **Incorrect time display:**
  - Reset the time following the "Setting the Time" instructions.
  - If the issue persists, replace batteries.
