rowood Water Lily 3D Puzzle with LED

Model: TH001

1. PRODUCT OVERVIEW

The rowood Water Lily 3D Puzzle with LED is a wooden building set designed for adults, inspired by Monet's Water Lilies. This kit allows for the creation of a multi-layered 3D sculpture featuring water lilies, a bridge, and a boat, enhanced with an integrated LED lighting system. The finished model serves as a decorative art piece.

2. SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Recommended Age:** Suitable for individuals 14 years and older.
- **Battery Safety:** The LED light system requires 2 AAA batteries (not included). Ensure correct battery polarity. Do not mix old and new batteries, or different types of batteries. Remove batteries if the product is not used for an extended period.
- **Material Handling:** Handle wooden pieces carefully to avoid splinters or breakage.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package typically includes:

- Pre-cut wooden sheets (approximately 237 pieces)
- LED light string/module
- Detailed instruction manual
- Small accessories (e.g., sandpaper, adhesive if required, though typically not needed for main assembly)

4. ASSEMBLY INSTRUCTIONS

Follow the numbered steps in the included instruction manual carefully. It is recommended to lay out all pieces and identify them according to the diagrams before starting.

1. **Prepare Pieces:** Gently detach all wooden pieces from their sheets. Use the provided sandpaper if necessary to smooth any rough

edges.

2. **Follow Step-by-Step Diagrams:** The manual provides detailed illustrations for each assembly step. Identify the correct pieces for each step and interlock them as shown.
3. **Assemble Core Structure:** Begin with the base and main frame of the water lily scene.
4. **Construct Details:** Assemble smaller elements such as the water lilies, boat, bridge, and foliage. Pay close attention to the layering to achieve the 3D effect.
5. **LED Light Installation:** Integrate the LED light string/module into the designated slots or channels as instructed. Ensure the wiring is neatly tucked away and does not interfere with other components.
6. **Final Assembly:** Secure all layers and components into the main frame. Ensure all connections are firm.

5. OPERATING INSTRUCTIONS (LED LIGHTS)

The Water Lily 3D Puzzle includes an integrated LED lighting system to illuminate the scene.

- **Insert Batteries:** Locate the battery compartment, typically on the back or bottom of the model. Insert 2 AAA batteries, ensuring correct polarity (+/-).
- **Activate Lights:** Use the switch located near the battery compartment to turn the LED lights ON or OFF.

WARM LED GLOW FOR COZY TIME

※ Kindly note: 2 AAA batteries needed (not included)

6. MAINTENANCE

- **Cleaning:** Dust the model gently with a soft, dry cloth. Avoid using liquid cleaners or abrasive materials, as they may damage the

wood or painted surfaces.

- **Storage:** Store the assembled model in a dry environment away from direct sunlight and extreme temperatures to prevent warping or fading of the wood.
- **Battery Replacement:** Replace batteries when the LED lights dim or stop working. Always replace both batteries simultaneously.

7. TROUBLESHOOTING

- **Pieces Not Fitting:** If pieces are difficult to fit, ensure they are correctly oriented according to the diagrams. Do not force pieces, as this may cause breakage. Small amounts of sanding may be applied to edges if necessary.
- **LED Lights Not Working:**
 - Check if batteries are inserted correctly with the right polarity.
 - Ensure batteries are fresh and not depleted.
 - Verify that the ON/OFF switch is in the 'ON' position.
 - Inspect wiring for any disconnections or damage.
- **Loose Connections:** If any parts feel loose after assembly, a small amount of wood glue can be applied to secure them, if desired.

8. SPECIFICATIONS

Product Dimensions	6.5 x 8 x 2.3 inches
Item Weight	1.3 pounds
Item Model Number	TH001
Manufacturer Recommended Age	14 years and up
Manufacturer	Rowood

9. WARRANTY AND SUPPORT

For any questions, missing parts, or support regarding your rowood Water Lily 3D Puzzle, please contact the manufacturer directly. Refer to the product packaging or the official rowood website for specific contact information and warranty details.
