Jocoevol Full Size Upholstered Bed Frame with LED Lights Instruction Manual

Model: **C-1650** | Brand: **Jocoevol**

INTRODUCTION

Thank you for choosing the Jocoevol Full Size Upholstered Bed Frame. This bed frame is designed to provide comfort and style with its unique features, including integrated RGB LED lighting, an adjustable double headboard, and cute removable pillows. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience with your new bed frame.

IMPORTANT SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Remove pillows from the bed when not in use to prevent entrapment.
- Do not adjust the headboard while in use. Ensure no one is on the bed when adjusting the headboard height.
- Keep fingers away from the LED lights and their connections to avoid injury during installation or adjustment.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners.
- Do not exceed the maximum weight capacity of 1000 lbs.
- Keep small parts and packaging materials away from children to prevent choking hazards.

SETUP AND ASSEMBLY

The Jocoevol bed frame is designed for straightforward assembly. It includes clear instructions, labeled parts, and all necessary tools. Precision-drilled holes make the process fast and effortless.

1. **Unpack Components:** Lay out all parts on a clean, soft surface to prevent scratches. Identify each part using the provided labels.
2. **Assemble Headboard and Side Rails:** Follow the diagrams in the included installation manual to attach the side rails to the headboard. Ensure all connections are secure.
3. **Attach Footboard:** Connect the footboard to the side rails, ensuring a stable frame.
4. **Install Support Legs:** Attach the U-shaped support legs to the footboard and any central support legs as indicated in the manual.
5. **Place Wooden Slats:** The wooden slats feature Velcro straps for quick assembly and silent strips to lock them in place, preventing shifting and minimizing noise. Lay the slats across the frame and secure them according to the manual.
6. **Connect LED Lights:** Follow the instructions to connect the LED light strips to the headboard and underbed sections. Ensure all cables are neatly tucked away and secured.
7. **Attach Removable Pillows:** The pillows can be easily attached to the headboard with button loops to act as cozy backrests.

OPERATING INSTRUCTIONS

1. Smart RGB LED Lights

The bed frame features built-in RGB LED lights in the headboard and underbed, offering over 16 million colors and 20+ light effects. Control is available via a dedicated app (iOS/Android) or the included remote control.

- **App Control:** Download the specified app from your device's app store. Follow the in-app instructions to pair your device with the bed frame's LED lights. The app allows for precise color selection, effect customization, brightness adjustment, and timing functions.
- **Remote Control:** Use the provided remote to cycle through colors, effects, adjust brightness, and activate music sync modes.
- **Music Sync:** Activate the music sync mode via the app or remote. The lights will dynamically change to the rhythm of music played nearby, creating an immersive ambiance.

2. Adjustable Headboard

The double arc headboard is adjustable to accommodate different mattress thicknesses, providing optimal support for reading or watching TV in bed.

- **Adjusting Height:** Locate the adjustment mechanism on the back or sides of the headboard. Ensure the bed is empty before attempting to adjust. Follow the specific instructions in your assembly manual to raise or lower the headboard to your desired height. Secure it firmly in place after adjustment.

3. Removable Pillows

The bed frame includes three soft, boucle fabric pillows that can be used as backrests or removed for cuddling.

- **Attaching/Removing:** The pillows feature button loops that easily attach to the headboard. To remove, simply unloop them.

Removable 3-in-1 Pillow

- Adorably shaped like a chubby piglet, this ultra-soft sherpa pillow brings both charm and comfort
- Easily hangs on the headboard as a comfy backrest, or remove it to use as a cozy pillow or huggable cushion

MAINTENANCE

- **Fabric Care:** The boucle fabric upholstery can be spot cleaned with a mild detergent and a damp cloth. Avoid harsh chemicals or abrasive cleaners. Allow to air dry completely.
- **LED Lights:** The LED lights are designed for long-term use and require minimal maintenance. If dust accumulates, gently wipe with a dry, soft cloth. Do not use liquid cleaners directly on the lights.
- **Frame Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Pillow Care:** The removable pillows can be spot cleaned. Refer to any care labels on the pillows for specific washing instructions.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not turning on or responding.	Power connection issue, remote battery dead, app not paired.	Check power adapter connection. Replace remote battery. Re-pair app with LED lights.
