

## TRSTAY 50 Grams

# TRSTAY Stretch Mark Cream User Manual

Model: 50 Grams

## 1. INTRODUCTION

The TRSTAY Stretch Mark Cream, 50 Grams, is formulated with a blend of naturally derived ingredients including Vitamin E, Glycerin, Grape Seed Extract, and Neuropeptides. This cream is designed for daily skincare routines, featuring a smooth, non-greasy texture and a lightweight finish. It is suitable for all skin types and contains plant-based components and botanical oils in a soft cream base. The cream is provided in convenient jar packaging for easy application.

## 4. USAGE INSTRUCTIONS (OPERATING)

For optimal results, incorporate the TRSTAY Stretch Mark Cream into your daily skincare routine.

### Application Steps:

1. Ensure the skin area where the cream will be applied is clean and dry.
2. Take a small amount of cream onto your fingertips.
3. Gently massage the cream into the desired area using circular motions until fully absorbed.
4. Apply consistently, ideally once or twice daily, for best results.

Image 3: Depiction of skin before and after consistent application of the cream, illustrating potential improvements in appearance.

The cream is designed to absorb easily without leaving a greasy residue. It is suitable for various skin types and can be used by all genders. For pregnant women, it is generally considered safe for use from the second trimester onwards; however, consulting a healthcare provider before use is always recommended.

## 5. STORAGE AND MAINTENANCE

---

- Store the cream in a cool, dry place, away from direct sunlight and extreme temperatures.
- Ensure the lid is tightly closed after each use to maintain product integrity and prevent contamination.
- Do not freeze the product.

## 6. TROUBLESHOOTING

---

If you experience any adverse reactions such as redness, itching, or irritation after using the cream, discontinue use immediately. If symptoms persist, consult a healthcare professional.

For questions regarding product consistency or packaging, please refer to the contact information provided.
