## MAINTENANCE AND CARE

- **Cleaning:** To clean the building blocks and figures, gently wipe them with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled models or loose blocks in a cool, dry place away from direct sunlight to prevent discoloration or damage.
- **Handling:** Handle the assembled models with care to prevent pieces from detaching.

## TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing from your set, please contact Hamee customer support with your product details and proof of purchase.
- **Difficulty Assembling:** Double-check the instruction leaflet for the specific step you are on. Ensure you are using

the correct pieces and applying adequate, but not excessive, pressure to connect them.

- **Loose Connections:** If pieces are not holding together firmly, ensure they are fully pressed into place. Sometimes, rotating a piece slightly can help achieve a tighter fit.
