Heybly HCT200SG Cat Tree Instruction Manual

Model: HCT200SG | Brand: Heybly

1. INTRODUCTION

Thank you for choosing the Heybly HCT200SG Cat Tree. This multi-level cat tree is designed to provide a comfortable and engaging space for your feline companions. Standing 125 cm tall, it features multiple platforms, a cozy cat condo, a comfortable basket, and sisal scratching posts to satisfy your cat's natural instincts for climbing, playing, and resting. Its sturdy construction and versatile design make it a perfect addition to any home.

2. SAFETY INSTRUCTIONS

- Ensure all parts are securely fastened before allowing your cat to use the tree.
- Place the cat tree on a flat, stable surface to prevent tipping.
- Utilize the included anti-tipping strap to secure the cat tree to a wall, especially if you have active or multiple cats.
- Regularly check for loose screws or damaged parts and tighten or replace them as needed.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- This product is intended for indoor use only.

Video: A detailed guide demonstrating the step-by-step assembly process for a cat tree, including attaching posts, platforms, and accessories.

1. Step 1: Prepare the Base

Lay out the base plate(s) on a clean, flat surface. Attach the initial support posts and steel tubes to the base using the provided hardware. Ensure they are tightened securely.

2. Step 2: Assemble the Cat Condo

Construct the cat condo by attaching its walls and roof. Secure it to the designated platform using the appropriate screws.

3. Step 3: Build Lower Levels

Attach the next set of support posts and platforms according to the diagram in your manual. Ensure each connection is firm.

4. Step 4: Install the Cat Basket and Ramp

Secure the cat basket to its designated position. Attach the ramp, ensuring it is stable for your cat to climb.

5. Step 5: Complete Upper Levels

Continue assembling the upper platforms and scratching posts. Attach the top platform with its soft cushion.

6. Step 6: Attach Accessories

Hang the pom-pom toy from the top platform. Install the anti-tipping strap to a wall stud for maximum stability.

5. USAGE

The Heybly HCT200SG Cat Tree offers various features for your cat's enjoyment:

- **Platforms:** Multiple levels allow your cat to climb, jump, and observe their surroundings from different heights.
- **Cat Condo:** A private, enclosed space for your cat to rest, sleep, or hide.
- **Cat Basket:** A comfortable, elevated spot for lounging and napping.
- **Sisal Scratching Posts:** Designed to satisfy your cat's natural urge to scratch, helping to protect your furniture.
- **Hanging Toy:** Provides interactive play and entertainment.

6. MAINTENANCE

Proper maintenance will extend the life of your cat tree:

- **Cleaning:** The removable cushions are hand washable for optimal hygiene. For other plush surfaces, use a lint roller or a vacuum cleaner with a brush attachment to remove pet hair and dust. Spot clean any stains with a mild detergent and damp cloth.
- **Storage:** Store the cat tree indoors in a dry place when not in use or during extended periods of non-use.
- **Inspection:** Periodically inspect all connections and components for wear and tear. Tighten any loose screws and replace severely damaged parts to maintain safety and stability.

7. TROUBLESHOOTING

- **Instability:** If the cat tree feels wobbly, ensure all screws are tightened. Verify that the anti-tipping strap is securely anchored to a wall.
- **Cat Not Using the Tree:** Encourage your cat by placing treats or familiar toys on different levels. You can also use catnip to attract them. Ensure the tree is in a location your cat feels safe and comfortable.
- **Damaged Sisal Posts:** Over time, sisal posts may fray. While this is normal, severely damaged posts can

be replaced to maintain scratching functionality.

8. SPECIFICATIONS

Feature	Detail
Item Model Number	HCT200SG
