## Jxrev J53

# Jxrev Wireless Earbuds J53 User Manual

Model: J53 | Brand: Jxrev

## 1. INTRODUCTION

Thank you for choosing Jxrev Wireless Earbuds Model J53. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.4 connectivity, HiFi stereo sound, Environmental Noise Cancelling (ENC) microphones, and a long-lasting 40-hour playtime with the charging case. The IP7 waterproof rating ensures durability for various activities, and the integrated LED display offers convenient battery monitoring. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to help you maximize your listening experience.

## 2. WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- Wireless Earbuds (x2)
- Charging Case (x1)
- Type-C Charging Cable (x1)
- User Manual (x1)

## 3. PRODUCT OVERVIEW

The Jxrev J53 Wireless Earbuds feature a sleek design with a compact charging case. The earbuds are lightweight, weighing approximately 3 grams each, ensuring a comfortable fit for extended use. The charging case includes a dual LED display to show the remaining battery percentage of the case and the charging status of each earbud.

## 4. SETUP

### 4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case provides up to 40 hours of total playtime, with the earbuds offering 8 hours on a single charge. A full charge for both takes approximately 1 hour using the provided Type-C cable. The case supports fast charging, providing 2 hours of use from a 10-minute charge when power is low.

1. Place the earbuds into the charging case.
2. Connect the Type-C charging cable to the charging port on the case and to a USB power source.
3. The LED display on the charging case will show the battery percentage and individual earbud charging status.

Image: The Jxrev J53 earbuds and charging case, illustrating battery life: 8 hours for earbuds, 40 hours total with case, and 1 hour recharge time.

Image: The Jxrev J53 charging case with earbuds inside, connected to a USB-C cable for charging. The LED display shows battery levels for both the case and individual earbuds.

## 4.2 Initial Pairing

The earbuds feature one-step pairing. Once initially connected, they will automatically pair with your device when the charging case is opened.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "J53" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

# ADVANCED BLUETOOTH 5.4

Connecting and pairing in 1 second once you open the charging case.

## 5. OPERATING INSTRUCTIONS

### 5.1 Wearing the Earbuds

Gently insert the earbuds into your ears and rotate them slightly to find a secure and comfortable fit. The ergonomic design ensures stability during various activities.

### 5.2 Touch Controls

The Jxrev J53 earbuds feature intuitive touch control sensors on each earbud. Refer to the diagram below for specific functions:

Image: A detailed diagram illustrating the touch control functions of the Jxrev J53 earbuds. It shows icons for Previous/Next Track (2s hold), Answer/Hang up (x2 tap), Play/Pause (x2 tap), Reject Call (2s hold), Voice Assistant (x3 tap), and Volume +/- (x1 tap).

- **Play/Pause:** Double-tap either earbud.
- **Next Track:** Press and hold the right earbud for 2 seconds.
- **Previous Track:** Press and hold the left earbud for 2 seconds.
- **Answer/End Call:** Double-tap either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple-tap either earbud.
- **Volume Up/Down:** Single tap on the right earbud for volume up, single tap on the left earbud for volume down.

### **5.3 Single Earbud Mode**

The Jxrev J53 earbuds can be used individually. Simply take one earbud out of the case, and it will automatically connect to your paired device. The other earbud can remain in the case or be used by another person with a separate device.

### **5.4 Sound Quality and Calls**

Experience HiFi stereo sound with 13mm triple-chamber dynamic drivers, delivering clear highs, rich midtones, and deep bass. The earbuds are equipped with 4 ENC (Environmental Noise Cancelling) microphones and a built-in noise reduction chip, which suppresses up to 75% of ambient noise, ensuring clear voice transmission during calls.

## 6. MAINTENANCE

---

### 6.1 Cleaning

Regular cleaning helps maintain optimal performance and hygiene:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Do not use harsh chemicals or abrasive materials.
- Ensure charging contacts are clean and dry before placing earbuds in the case.

### 6.2 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

### 6.3 Water Resistance

The Jxrev J53 earbuds feature IP7 nano-coating technology, providing protection against daily splashes, sweat, and rain. They are suitable for workouts, travel, and outdoor activities. However, they are not designed for swimming or prolonged submersion in water. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

## 9. SAFETY INFORMATION

---

Please read and follow these safety guidelines to ensure safe operation and prolong the life of your earbuds:

- Do not expose earbuds or charging case to extreme temperatures, direct sunlight, or fire.
- Avoid dropping, hitting, or disassembling the device.
- Keep away from children and pets.
- Do not use damaged cables or chargers.
- Avoid listening at high volumes for extended periods to prevent hearing damage.
- Be aware of your surroundings when using earbuds, especially in traffic or dangerous environments.

## 10. WARRANTY AND SUPPORT
