## Reebok LUS56

# Reebok Classic Leather Sneaker User Manual

Model: LUS56

## INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Reebok Classic Leather Sneakers. Designed for unisex-adult wear, these sneakers combine classic style with comfortable construction for daily and athleisure activities. Please read this manual thoroughly to ensure optimal performance and longevity of your footwear.

## PRODUCT OVERVIEW

The Reebok Classic Leather Sneaker features a durable leather upper, a comfortable fabric inner lining, and a resilient rubber sole. Its design prioritizes both aesthetic appeal and functional support for everyday wear.

## SETUP AND FIRST USE

- Unpacking:** Carefully remove the sneakers from their packaging. Inspect them for any visible damage or manufacturing defects.
- Lacing:** Ensure laces are threaded correctly through all eyelets. Adjust the lacing to achieve a snug yet comfortable fit. Avoid overtightening, which can restrict circulation.
- First Wear:** Wear the sneakers for short periods initially to allow them to conform to your foot shape. This helps prevent discomfort during extended use.

## OPERATING (WEARING) INSTRUCTIONS

These sneakers are designed for casual wear, daily activities, and light athleisure. The die-cut EVA midsole provides lightweight cushioning for sustained comfort.

- Fit:** The sneakers should feel secure around your foot without pinching or excessive movement. Your toes should have room to wiggle.
- Activity:** Suitable for walking, standing, and general urban exploration. Not intended for high-impact sports or specialized athletic training.
- Surface:** The rubber outsole provides traction on various dry surfaces. Exercise caution on wet or slippery terrain.

## MAINTENANCE AND CARE

Proper care will extend the life and appearance of your sneakers.

- **Cleaning Leather Upper:** Gently wipe the leather surface with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. Allow to air dry away from direct heat.
- **Cleaning Rubber Sole:** Use a brush or damp cloth to remove dirt and debris from the rubber outsole.
- **Drying:** Always air dry your sneakers. Do not use machine dryers, as high heat can damage materials.
- **Storage:** Store sneakers in a cool, dry place away from direct sunlight. Stuffing them with paper can help maintain their shape.

## TROUBLESHOOTING

- **Discomfort or Rubbing:** Ensure the correct size is worn. Adjust lacing for a better fit. Consider wearing appropriate socks.
- **Squeaking:** Sometimes new shoes may squeak. This often resolves with wear. If persistent, check for loose insoles or apply a small amount of baby powder under the insole.
- **Odor:** Allow shoes to air out after each use. Use shoe deodorizers or baking soda to absorb moisture and odors.

## SPECIFICATIONS

Feature	Detail
Model Number	LUS56
Department	Unisex-Adult

Feature	Detail
Outer Material	Leather
Inner Material	Fabric
Sole Material	Rubber
Origin	Imported
Manufacturer	Reebok

## WARRANTY AND SUPPORT
