- Instruction Manual

This image illustrates the key dimensions of the sofa bed, including its length, width, and height as a sofa, and its extended length and mattress dimensions when converted to a bed. It also indicates that the product arrives in two packages and the bed has a weight capacity of 506 lbs.

4. SETUP AND ASSEMBLY

Assembly is required and typically takes approximately 30 minutes. All necessary tools are included. Follow the detailed instructions provided in the separate assembly guide for specific steps.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Attach the legs to the base of the sofa frame.
3. Assemble the backrest and armrests to the main frame using the provided hardware.
4. Insert the mattress into the pull-out mechanism.
5. Place the seat and back cushions onto the sofa.

5. OPERATING INSTRUCTIONS

The Deolme sofa bed effortlessly transforms between a sofa and a queen-size bed.

Converting from Sofa to Bed:

1. Remove all seat and back cushions from the sofa.
2. Locate the pull handle or strap at the front base of the sofa.
3. Gently pull the mechanism outwards and upwards to unfold the bed frame.
4. Extend the legs of the bed frame until they lock into place, ensuring stability.
5. The memory foam mattress will unfold with the frame.

Converting from Bed to Sofa:

1. Remove any bedding from the mattress.
2. Fold the mattress inward, then lift the bed frame from the center, collapsing the legs.
3. Push the entire mechanism back into the sofa frame until it is fully retracted.
4. Replace the seat and back cushions.

This visual guide shows the four main steps to convert the sofa into a bed: removing cushions, lifting the folding shelf, pulling out the bracket, and placing the mattress. It highlights the ease of transformation.

6. MAINTENANCE

Fabric Care:

- Regularly vacuum the linen fabric to remove dust and debris.
- For spills, blot immediately with a clean, dry cloth. Avoid rubbing.
- Spot clean with a mild, water-free solvent or upholstery shampoo. Test on an inconspicuous area first.
- The seat cushion covers are removable for cleaning. Follow care instructions on the label.

Mattress Care:

- Rotate the memory foam mattress periodically to ensure even wear.
- Use a mattress protector to guard against spills and stains.
- Do not machine wash or dry the memory foam mattress. Spot clean only.

Frame Care:

- Periodically check all bolts and connections to ensure they are tight. Retighten as needed.

- Avoid dragging the sofa; lift it when moving to prevent damage to legs and frame.

7. TROUBLESHOOTING

- **Difficulty converting:** Ensure all cushions are removed. Check for any obstructions in the mechanism. Apply light lubricant to moving parts if resistance is felt.
- **Squeaking noises:** Inspect all frame connections and tighten any loose bolts.
- **Uneven mattress:** Allow the memory foam mattress sufficient time to fully expand after unpacking. Ensure it is correctly positioned on the bed frame.
