Homary Smart Nightstand Instruction Manual

Model: JJ964R01U9

1. INTRODUCTION

Thank you for choosing the Homary Smart Nightstand. This modern bedside table is designed to enhance your bedroom with smart features including wireless charging, USB and Type-C ports, and integrated dimmable LED lighting. This manual provides essential information for safe assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your product.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Retain this manual for future reference.

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assembly should be performed on a soft, clean surface to prevent scratches.
- Keep small parts away from children and pets to avoid choking hazards.
- Do not overload drawers. Distribute weight evenly.
- Keep electrical components (charging station, LED light) away from water and excessive moisture.
- Use only the provided power adapter or a compatible one with appropriate voltage.
- Do not attempt to modify or repair the electrical components yourself. Contact customer support if issues arise.
- Place the nightstand on a stable, level surface to prevent tipping.

3. PACKAGE CONTENTS

Verify that all parts are included in your package. If any parts are missing or damaged, please contact customer support.

- Nightstand panels (top, bottom, sides, back, drawer fronts, drawer sides/back)
- Drawer slides and hardware
- Wireless charging module
- USB/Type-C port module
- LED light strip and controller
- Power adapter
- Assembly hardware (screws, dowels, cam locks, etc.)
- Instruction manual

4. SETUP AND ASSEMBLY

The Homary Smart Nightstand requires assembly. All necessary hardware and detailed instructions are included. A screwdriver is recommended for assembly.

4.1 Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface.
2. Identify each part using the provided parts list in the separate assembly guide.
3. Follow the step-by-step instructions in the assembly guide to construct the nightstand frame.
4. Assemble the drawers and install the drawer slides. Ensure smooth operation.
5. Integrate the wireless charging module, USB/Type-C port module, and LED light strip according to the instructions.
6. Connect the power adapter to the nightstand's electrical components and then to a power outlet.

5. OPERATING INSTRUCTIONS

5.1 Wireless Charging Station

The nightstand features a built-in wireless charging pad on its top surface. To use:

1. Ensure the nightstand is powered on and connected to an electrical outlet.
2. Place your Qi-compatible device directly onto the wireless charging pad.
3. The device should indicate that it is charging. If not, adjust its position on the pad.

5.2 USB & Type-C Ports

Located on the top surface, these ports allow for wired charging of various devices.

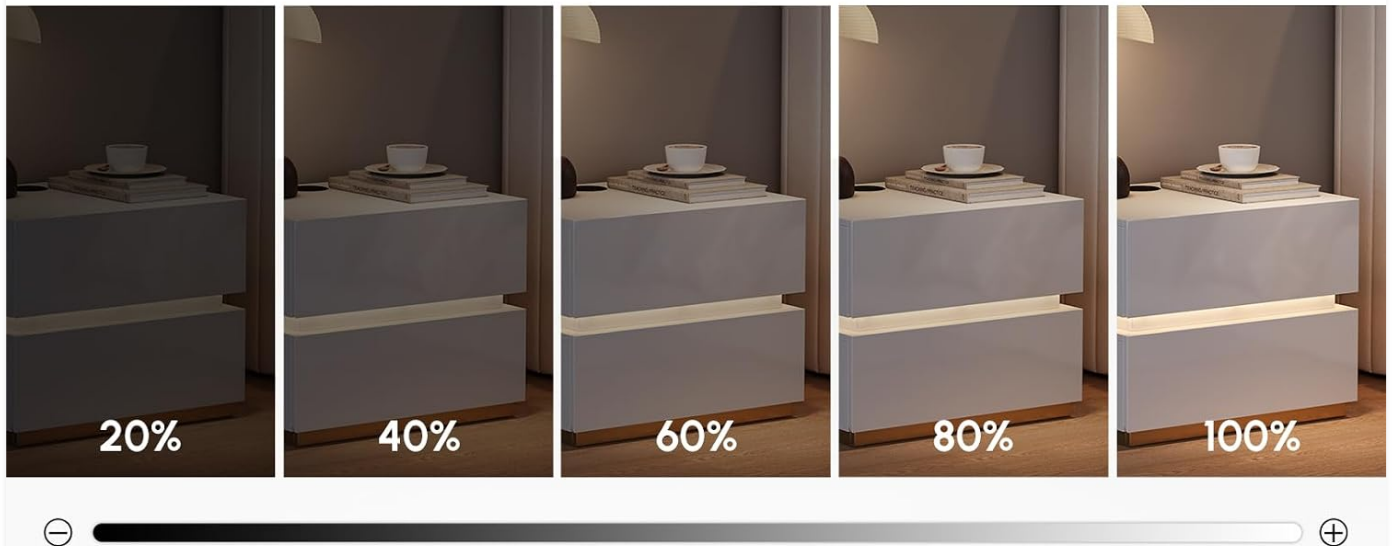

- Connect your device's charging cable to the appropriate USB or Type-C port.
- Ensure the nightstand is powered on.

5.3 Dimmable LED Light

The integrated LED light strip provides ambient lighting with adjustable brightness.

1. Locate the touch sensor button on the top surface of the nightstand.
2. **Short Press:** Tap the button to turn the LED light ON or OFF.
3. **Long Press:** Press and hold the button to adjust the brightness level. Release when the desired brightness is reached.

Video 5.3: A brief overview of the Homary Smart Nightstand's key features, including charging capabilities.

6. MAINTENANCE

Proper care will help maintain the appearance and functionality of your nightstand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the wood.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to clean the charging ports with liquids.

- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.

7. TROUBLESHOOTING

If you encounter issues with your Homary Smart Nightstand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Wireless charging not working	Device not Qi-compatible; device misaligned; power not connected; thick phone case.	Ensure device is Qi-compatible. Reposition device on the pad. Check power connection. Remove thick phone case.
USB/Type-C ports not charging	Power not connected; faulty cable; device issue.	Check power connection. Try a different charging cable. Test with another device.
LED light not turning on/off or dimming	Power not connected; faulty LED strip/controller; touch sensor issue.	Check power connection. Ensure touch sensor is clean and unobstructed. Try a short press, then a long press.
Drawers are stiff or do not close properly	Improper assembly of drawer slides; obstruction; uneven surface.	Review assembly instructions for drawer slides. Check for obstructions. Ensure nightstand is on a level surface. Apply silicone lubricant to slides if needed.
Buzzing or electrical noise	Loose connection; internal component issue.	Immediately unplug the nightstand. Do not use. Contact customer support for assistance.
