Tribesigns 91JWLYT

Tribesigns 6-Tier Shoe Cabinet Instruction Manual

Model: 91JWLYT

INTRODUCTION

Thank you for choosing the Tribesigns 6-Tier Shoe Cabinet. This manual provides comprehensive instructions for the safe assembly, proper operation, and effective maintenance of your new shoe cabinet. Please read this manual thoroughly before beginning assembly or use to ensure optimal performance and longevity of the product.

SAFETY INFORMATION

To ensure safe use of your shoe cabinet, please observe the following precautions:

- **Anti-Tipping Kit:** Always secure the cabinet to the wall using the provided anti-tipping kits to prevent accidental overturning. This is crucial for households with children or pets.
- **Clearance:** Keep the area around the cabinet free from obstacles to prevent tripping hazards and ensure easy access.
- **Weight Distribution:** Do not place excessively heavy objects on top of the cabinet or on individual shelves to avoid structural damage or instability. Distribute weight evenly.
- **Assembly:** Ensure all components are correctly assembled and tightened according to the instructions before use.

Anti-tipping Safety Device

Prevent Tip-over Incidents

PACKAGE CONTENTS

Before assembly, please verify that all parts and accessories are present and undamaged. Refer to the included assembly instructions for a detailed list of components. Typically, your package should contain:

- Cabinet Panels (top, bottom, sides, back)
- Adjustable Shelves (6 pieces)
- Louvered Doors (2 pieces)
- Hardware Pack (screws, dowels, hinges, door handles, shelf pins)
- Anti-Tipping Kit
- Assembly Tools (e.g., Allen wrench)
- Step-by-Step Installation Instructions

SETUP AND ASSEMBLY

Assembly of the Tribesigns 6-Tier Shoe Cabinet is designed to be straightforward. All parts and accessories are numbered, and step-by-step installation instructions are included in your package. Please follow these instructions carefully.

1. **Preparation:** Unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part by its number.
2. **Frame Assembly:** Connect the main panels (sides, top, bottom) using the provided hardware. Ensure all connections are secure.
3. **Shelf Installation:** Insert the shelf pins into the desired height positions. Place the adjustable shelves onto the pins. The shelves are removable, allowing customization for different shoe types, including boots.
4. **Door Attachment:** Attach the louvered doors using the hinges and screws provided. Ensure the doors open and close smoothly. Install the door handles.
5. **Anti-Tipping Kit Installation:** Crucially, install the anti-tipping kit as per the separate instructions. Secure the cabinet to a solid wall stud using the provided hardware to prevent tipping.

OPERATING INSTRUCTIONS

Your Tribesigns 6-Tier Shoe Cabinet is designed for efficient and organized shoe storage.

- **Shoe Storage:** The cabinet features 6 tiers, capable of storing up to 24 pairs of shoes, depending on shoe size and style.
- **Adjustable Shelves:** The internal shelves are removable, allowing you to customize the storage space. Remove shelves to accommodate taller items such as boots or high-top shoes.
- **Louvered Doors:** The louvered door design promotes air circulation, helping to prevent unpleasant odors and keep your shoes dry and fresh.
- **Placement:** This versatile cabinet can be placed in various locations such as an entryway, hallway, living room, or bathroom.

Thoughtful Breathable Louvered Door Design

Promoting air circulation, and preventing the unpleasant odors from the common sealed doors

MAINTENANCE

To maintain the appearance and structural integrity of your Tribesigns shoe cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the engineered wood finish.

- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup, especially on the louvered doors.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns 6-Tier Shoe Cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet feels unstable or wobbly.	Screws are loose; cabinet not on a level surface; anti-tipping kit not installed or improperly installed.	Ensure all assembly screws are tightened. Move the cabinet to a level surface or use shims if necessary. Verify the anti-tipping kit is securely attached to both the cabinet and a wall stud.
Doors do not close properly or are misaligned.	Hinges are loose or misaligned; cabinet not square; obstruction.	Check and adjust the hinge screws. Ensure the cabinet is assembled squarely. Remove any obstructions preventing the doors from closing.
Unpleasant odor inside the cabinet.	Lack of air circulation; shoes are damp.	Ensure the louvered doors are not blocked. Allow damp shoes to dry completely before placing them in the cabinet. Consider using shoe deodorizers.

If these solutions do not resolve your issue, please contact customer support.
