

OFFSIR A1

OFFSIR RGB PC Speakers Model A1 Instruction Manual

Model: A1

1. PRODUCT OVERVIEW

The OFFSIR RGB PC Speakers Model A1 are designed to provide clear audio and dynamic lighting for your desktop, PC, laptop, or tablet. Featuring dual 3W drivers and 7-color dynamic RGB lighting, these compact speakers offer a plug-and-play solution for enhanced audio experiences.

Figure 1: Two OFFSIR RGB PC Speakers displaying purple and blue lighting.

Key Features:

- **Crystal Clear Sound Quality:** Built-in dual 3W drivers for rich, distortion-free sound.
- **Dynamic RGB Lighting Effects:** 7 single-color cool breathing lights for a vibrant atmosphere.
- **Compact & Space-Saving Design:** Small size to minimize desk clutter.
- **Plug-and-Play Connectivity:** Instant setup via USB and 3.5mm jack, no drivers needed.
- **Easy One-Key Control:** Conveniently switch on/off or adjust volume with a single button.

2. SETUP INSTRUCTIONS

Follow these steps to connect and set up your OFFSIR RGB PC Speakers.

Connecting the Speakers:

1. Connect the 3.5mm audio jack to the audio output port (headphone jack) of your computer, laptop, tablet, or monitor.
2. Connect the USB-A plug to an available USB port on your device or a USB power adapter for power supply.
3. Ensure both connections are secure. The speakers are plug-and-play and do not require additional driver installation.

EASY TO USE

No driver or software installation is required.

Figure 2: The in-line volume control and the USB and 3.5mm audio jack for easy connection.

Compatibility:

The OFFSIR RGB PC Speakers are compatible with a wide range of devices including:

- Desktop PCs
- Laptops
- Tablets
- Monitors with 3.5mm audio output and USB power

WIDE COMPATIBILITY

Computer speakers with USB and 3.5mm audio cable match computer, desktop, PC, laptop, MacBook.

3. OPERATING INSTRUCTIONS

Once connected, operating your OFFSIR RGB PC Speakers is straightforward.

Power On/Off and Volume Control:

- The speakers feature an in-line control for power and volume adjustment.
- Rotate the knob on the in-line control to turn the speakers on or off and to adjust the volume.

Dynamic RGB Lighting:

The speakers automatically cycle through 7 dynamic single-color breathing light effects when powered on, enhancing your audio experience with visual ambiance.

4. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your speakers.

- **Cleaning:** Use a soft, dry cloth to wipe the exterior of the speakers. Avoid using liquid cleaners or abrasive materials, as they may damage the finish or internal components.
- **Storage:** Store the speakers in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid dropping the speakers or subjecting them to strong impacts. Do not attempt to disassemble the speakers, as this will void the warranty.

5. TROUBLESHOOTING

If you encounter any issues with your speakers, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No sound from speakers	• Audio cable not connected properly. • Volume is too low or muted. • Incorrect audio output selected on device. • USB power not connected or faulty.	• Ensure the 3.5mm audio jack is fully inserted into the device's audio output. • Increase the volume using the in-line control and your device's volume settings. • Verify that the correct audio output device is selected in your computer's sound settings. • Ensure the USB cable is securely connected and receiving power. Try a different USB port.
RGB lights are not working	• USB power not connected or faulty. • Speakers are not powered on.	• Ensure the USB cable is securely connected and receiving power. Try a different USB port. • Turn the speakers on using the in-line volume control.
Distorted or poor sound quality	• Volume too high. • Loose audio connection. • Interference from other devices.	• Lower the volume on both the speakers and your device. • Check the 3.5mm audio jack connection for looseness. • Move speakers away from other electronic devices that may cause interference.
