INTRODUCTION AND SAFETY INFORMATION

The Momcozy Newborn Baby Wrap Carrier is designed for comfortable and secure baby carrying, allowing for hands-free mobility. This manual provides essential instructions for safe and proper use, maintenance, and product specifications.

Important Safety Guidelines:

- **Weight Range:** This carrier is suitable for babies weighing between **3.6 kg (8 lbs)** and **15 kg (33 lbs)**. Do not use for babies outside this weight range.
- **Ergonomic Design:** The carrier is ergonomically certified to support a healthy posture for newborns up to 1 year, promoting hip maturation and protecting the spine.
- **Secure Fit:** Always ensure the carrier is snug and the baby is positioned correctly to prevent falls or suffocation hazards.
- **Airway Clearance:** Ensure your baby's face is visible and clear of fabric at all times to maintain an open airway. Regularly check on your baby.

- **Temperature:** Monitor your baby for overheating, especially in warm weather.
- **Activity:** Avoid activities that could put your baby at risk, such as cooking, running, or operating machinery, while wearing the carrier.

Ergonomic Support for Baby's Development:

The Momcozy carrier is designed to adapt to your baby's growth and development, providing optimal support for their cervical spine and hips at different stages.

SETUP AND OPERATING INSTRUCTIONS

The Momcozy Baby Wrap Carrier features a pre-formed back section with markings, making it easy to put on quickly without complicated tying. Follow these steps for proper setup and baby placement.

Steps for Wearing the Carrier:

1. **Step 1:** Hold the carrier with the main panel in front of you, ensuring the adjustable rings are at your sides.
2. **Step 2:** Wrap the straps around your back, crossing them over your shoulders to form an 'X' shape on your back.
3. **Step 3:** Bring the straps forward and thread them through the adjustable rings on the main panel.
4. **Step 4:** Adjust the straps to achieve a snug fit, ensuring the carrier is secure against your body.
5. **Step 5:** Create a pouch for your baby by pulling the fabric up.
6. **Step 6:** Carefully place your baby into the pouch, ensuring their legs are in an 'M' position (knees higher than bottom) and their back is supported.

CARE AND MAINTENANCE

Proper care ensures the longevity and hygiene of your Momcozy Baby Wrap Carrier. The Oeko-Tex certified cotton with stretch elastane is designed for durability and skin softness.

Cleaning Instructions:

- **Machine Wash:** The carrier is machine washable at 30 °C (86 °F).
- **Detergent:** Use a mild, baby-safe detergent.
- **Drying:** Air dry or tumble dry on low heat. Avoid high heat to prevent damage to the fabric and elastic properties.
- **Bleach:** Do not bleach.
- **Ironing:** Do not iron.

Storage:

When not in use, store the carrier in the provided travel bag to keep it clean and protected. Its lightweight design (600 grams) makes it easy to store and transport.

TROUBLESHOOTING

If you encounter any issues with your Momcozy Baby Wrap Carrier, please refer to the following common solutions:

- **Discomfort for wearer:** Ensure the straps are evenly distributed across your shoulders and back. Adjust the tension using the rings for optimal weight distribution.
- **Baby seems uncomfortable:** Check the baby's positioning. Ensure their legs are in the 'M' position, their back is supported, and their airway is clear. The carrier should be snug but not overly tight.
- **Carrier feels loose:** Re-thread the straps through the adjustable rings and pull firmly to tighten. The anti-slip weaving technique and double-reinforced seams are designed to maintain a secure fit.
- **Difficulty putting on:** Review the step-by-step instructions in the 'Setup and Operating Instructions' section. Practice without the baby first to become familiar with the process.

SPECIFICATIONS

Feature	Detail
Brand	Momcozy
Model Number	BJ001-1
Minimum Recommended Weight	3.6 Kilograms (8 lbs)
