## SETUP

### 1. Battery Installation

The remote control requires two AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment cover on the back of the remote control.
2. Press down on the tab and slide the cover downwards to open the compartment.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.

## MAINTENANCE

---

### 1. Battery Replacement

Replace batteries when the remote's response becomes sluggish or stops working. Always replace both AAA batteries at the same time with new ones. Do not mix old and new batteries, or different types of batteries.

### 2. Cleaning

To clean the remote control, gently wipe it with a soft, dry cloth. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the remote.

### 3. Storage

Store the remote control in a cool, dry place away from direct sunlight and extreme temperatures. If the remote will not be used for an extended period, it is recommended to remove the batteries to prevent leakage.

## TROUBLESHOOTING

---

- **Remote not responding:**
  - Check if the batteries are installed correctly with the correct polarity.
  - Replace old batteries with new AAA batteries.
  - Ensure there are no obstructions between the remote control and the TV's IR sensor.
  - Confirm you are pointing the remote directly at the TV.
- **Some functions do not work or work differently:**
  - This is a replacement remote. While it is broadly compatible, it may not replicate all functions of your original TV remote exactly.
  - Refer to your TV's original manual for specific functions if needed.
- **Remote does not work with my TV model:**
  - Verify that your TV model is listed as compatible in the product description.
  - Ensure your original remote control has the same appearance as this replacement remote. If

your model is not included or the remote looks different, it may not be compatible.
