SAFETY INFORMATION

Your safety is paramount. Please adhere to the following safety guidelines:

- Always assemble the desk according to the provided instructions.
- Ensure the desk is properly anchored to the floor to prevent tipping, especially when heavy items are placed on it.
- Be cautious when using the built-in power outlets and LED lights to avoid electrical hazards.
- Keep the desk and its components away from heat sources and liquids.
- Do not use the desk if it appears damaged or if any of its components are missing or broken.

SETUP AND ASSEMBLY

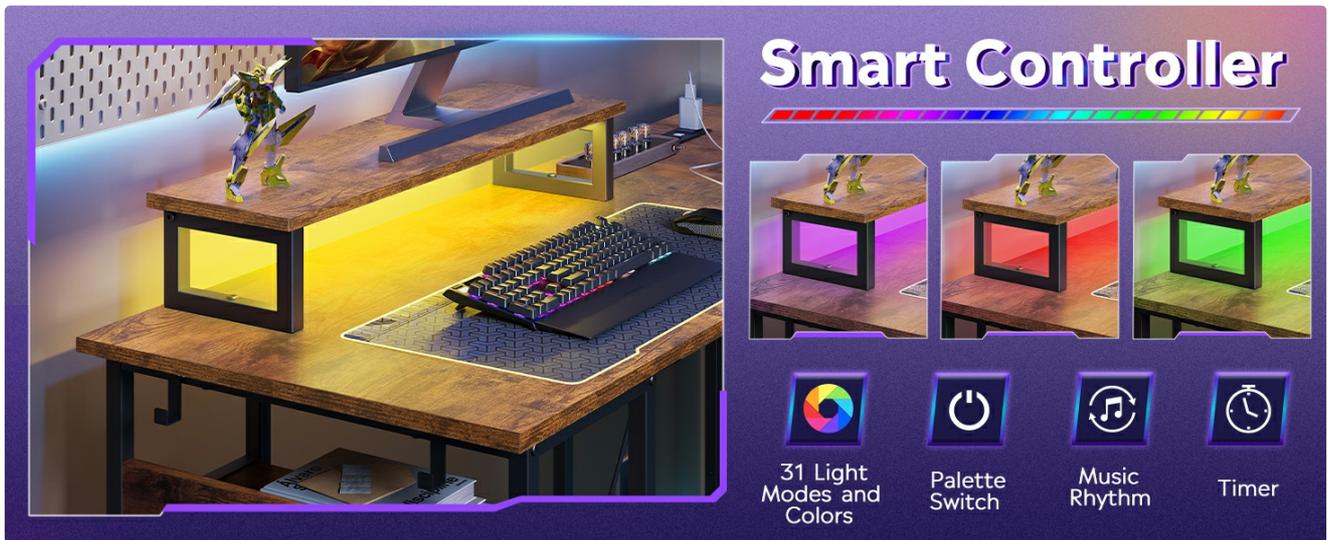

Your DEVAISE L-Shaped Gaming Desk is designed for straightforward assembly. Please ensure all parts are

present before beginning. Refer to the included assembly instructions for a step-by-step guide. The desk can be configured in two primary layouts: a straight configuration or an L-shape, to best suit your space.

2 Different Ways to Place

This image illustrates the two possible configurations for the L-shaped desk: a straight layout and a corner L-shape, demonstrating its versatility for various room sizes and setups. The desk features adjustable non-slip footpads to ensure stability on uneven surfaces and protect your flooring.

This image details the functions of the LED light controller: a single short press to turn on or change color, and a long press for 3 seconds to turn off.

Power Outlets Usage

The desk is equipped with a recessed power stripe for convenient charging and power access. It includes 2 AC outlets (125V/12A) and 2 USB ports (5V/2.1A), connected by a 4.9-foot power cord.

MAINTENANCE

To maintain the appearance and longevity of your DEVAISE L-Shaped Gaming Desk, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Immediately wipe up any spills to prevent damage to the laminated surface.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves. Do not exceed the maximum weight recommendation of 220 pounds.
- **Electrical Components:** Ensure power outlets and LED lights are kept dry. Disconnect power before cleaning electrical components.

TROUBLESHOOTING

This section provides general troubleshooting tips for common issues. For more complex problems, please contact

customer support.

- **Wobbling Desk:** Check that all screws are tightened securely. Adjust the non-slip footpads to ensure the desk is level on uneven floors.
- **LED Lights Not Working:** Verify that the power cord for the LED lights is properly connected to the power outlet and the desk's power stripe. Check the smart controller or app settings.
- **Power Outlets Not Functioning:** Ensure the desk's power cord is plugged into a working wall outlet. Check for any tripped circuit breakers.
- **Assembly Difficulties:** Double-check the assembly instructions and ensure all parts are correctly oriented. Do not force parts together.
