FENNIO B0F8R1MBPQ

FENNIO Full Length Mirror with Lights User Manual

Model: B0F8R1MBPQ (Rectangular/Silver, 70"L x 32"W)

1. PRODUCT OVERVIEW

The FENNIO Full Length Mirror with Lights is designed to enhance your space with its integrated LED lighting and sleek design. This versatile mirror can be used as a free-standing unit or mounted on a wall, making it suitable for various environments such as bedrooms, salons, and boutiques. It features adjustable brightness and multiple color lighting options to create the perfect ambiance and assist with daily routines.

Key features include:

- **Enhanced Lighting:** Built-in LED lights provide bright and clear illumination.
- **Adjustable Brightness:** Dimmable lighting allows for customization from bright to soft.
- **Multi-Color Lighting:** Three color options (warm, cool, and neutral) to suit preferences.
- **Sleek and Durable Design:** Features an aluminum frame for elegance and longevity.
- **Tempered Glass:** Designed for safety and durability.

2. SAFETY INFORMATION

Please read all safety instructions carefully before installation and use. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Ensure the power supply is disconnected before any installation or maintenance.
- This mirror is designed for indoor use only.
- Do not expose the mirror to excessive moisture or direct water spray.
- Handle with care. The mirror is made with tempered glass, but extreme impact can still cause breakage.
- Keep out of reach of children.
- If the power cord is damaged, it must be replaced by the manufacturer, its service agent, or similarly qualified persons to avoid a hazard.

3. SETUP AND INSTALLATION

The FENNIO Full Length Mirror offers two installation options: free-standing or wall-mounted. Choose the method that best suits your space and needs.

3.1 Free-Standing Setup

For free-standing use, simply extend the integrated stand at the back of the mirror. Ensure the mirror is placed on a flat, stable surface to prevent tipping. The stand is designed to provide stable support.

Video 3.1: Demonstrates the elegant brushed aluminum frame and the integrated stand for free-standing setup, showcasing the mirror's stability and design.

3.2 Wall-Mounted Installation

For wall-mounted installation, follow these steps:

1. **Choose Location:** Select a wall location that can support the weight of the mirror (approximately 50 pounds). It is recommended to mount into wall studs for maximum security.
2. **Mark Drilling Points:** Use a measuring tape and pencil to mark the desired drilling points on the wall, aligning with the mounting brackets on the back of the mirror.
3. **Drill Holes:** Drill pilot holes at the marked points. If not drilling into studs, use appropriate wall anchors (not included).

4. **Secure Brackets:** Attach the mounting hardware (screws, anchors) to the wall, ensuring they are securely fastened.
5. **Hang Mirror:** Carefully lift the mirror and align its mounting brackets with the secured hardware on the wall. Ensure the mirror is level and firmly seated.
6. **Connect Power:** Plug the power cord into a suitable electrical outlet.

Note: Professional installation is recommended for wall mounting to ensure safety and proper alignment.

4. OPERATING INSTRUCTIONS

The FENNIO Full Length Mirror features intuitive touch controls for its LED lighting system.

4.1 Power On/Off

Locate the touch sensor button on the mirror's surface. A short press will turn the LED lights on or off.

4.2 Adjusting Lighting Color

With the lights on, a short press of the touch sensor button will cycle through the three available lighting colors: Warm Light, Cool Light, and Natural Light. Select the color that best suits your needs or preference.

LONG PRESS BUTTON TO SWITCH AMONG 3 DIFFERENT COLORED LIGHTING MODES

Figure 4.1: Demonstrates the three distinct lighting modes: Cool White, Natural White, and Warm Yellow, available on the FENNIO mirror, allowing users to select their preferred ambiance.

Video 4.1: Illustrates the functionality of the FENNIO Large LED Full Length Mirror, including how to switch between different light colors and adjust brightness.

4.3 Adjusting Brightness (Dimming)

To adjust the brightness, long-press the touch sensor button while the lights are on. The brightness will gradually increase or decrease. Release the button when the desired brightness level is reached.

5. MAINTENANCE AND CARE

Proper care will ensure the longevity and optimal performance of your FENNIO Full Length Mirror.

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the electrical components. Wipe gently until clean.

and streak-free.

- **Cleaning the Frame:** Wipe the aluminum frame with a soft, dry cloth. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Power Cord:** Regularly inspect the power cord for any signs of damage. If damaged, do not use the mirror and contact customer support.
- **Storage:** If storing the mirror, ensure it is in a dry, safe place, protected from impacts and extreme temperatures.

6. TROUBLESHOOTING

If you encounter any issues with your FENNIO Full Length Mirror, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lights do not turn on.	No power supply. Loose connection. Faulty power adapter. Touch sensor issue.	Ensure the mirror is plugged into a working outlet. Check all connections are secure. Try a different outlet. Contact customer support if the issue persists after checking power.
Lights flicker or dim unexpectedly.	Unstable power supply. Internal wiring issue.	Ensure the power outlet is stable. Unplug and re-plug the mirror. Contact customer support.
Touch sensor is unresponsive.	Dirty sensor surface. Temporary electronic glitch.	Clean the sensor area with a soft, dry cloth. Unplug the mirror for 5 minutes, then plug it back in. Contact customer support if the issue persists.
