2. SETUP AND INSTALLATION

To install your TABWEE W90 or T90 tablet into the UYRUREL case, follow these steps:

1. Ensure your tablet is clean and free of dust or debris.
2. Align the tablet with the case, starting with one corner.
3. Gently press the tablet into the case, working your way around the edges until it is fully seated. The soft silicone material allows for easy installation and removal without scratching the tablet.

4. Verify that all ports, buttons, and the camera are correctly aligned with the case's precise cutouts.

3. OPERATING INSTRUCTIONS

Using the Adjustable Stand:

The UYRUREL tablet case includes a ruggedized, concealed bracket that functions as an adjustable stand. This stand allows for hands-free viewing and typing.

1. To deploy the stand, locate the bracket on the back of the case.
2. Gently pull the bracket outwards until it clicks into an open position.
3. Adjust the angle of the stand by extending or retracting the bracket to your desired viewing or typing position. The bracket is made of PC material and can be disassembled/assembled if needed.
4. To retract the stand, push it back into its concealed position until it lies flat against the case.

4. CARE AND MAINTENANCE

To ensure the longevity and cleanliness of your UYRUREL tablet case, follow these maintenance guidelines:

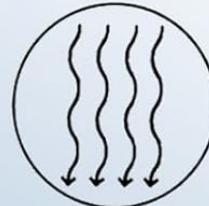

- **Cleaning:** The soft silicone material is water-friendly. You can clean the case directly with water and a mild soap if necessary. Rinse thoroughly and allow it to air dry completely before re-installing your tablet.
- **Stain Removal:** For oil or stubborn stains, a soft cloth with a small amount of rubbing alcohol can be used, followed by a water rinse.
- **Heat Dissipation:** The case features an interior three-dimensional honeycomb design, which aids in effective heat dissipation to keep your tablet cool during use.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.

5. TROUBLESHOOTING

- **Case does not fit:** Ensure you have the correct model (TABWEE W90 or T90, 11-inch Android 15 Tablet). This case is not compatible with other tablet models.
- **Difficulty installing/removing:** The silicone is flexible. Apply gentle, even pressure. Avoid excessive force. If the tablet feels stuck, try removing from a different corner.
- **Stand is loose or not holding position:** Check if the PC material bracket is fully extended and locked into place. If the bracket is damaged, contact customer support.

- **Case appears dirty:** Refer to the 'Care and Maintenance' section for cleaning instructions.
