MAINSTAYS 5-Cup Coffee Maker Replacement Carafe User Manual

Model: MS8402550614-10. / MAINSTAYS 511400

Introduction

Thank you for choosing the MAINSTAYS 5-Cup Coffee Maker Replacement Carafe. This manual provides essential information for the proper use, care, and maintenance of your new carafe. Please read these instructions carefully before first use and retain them for future reference.

This replacement carafe is designed to fit most 5-cup drip coffee makers, offering a durable and convenient solution for your brewing needs. It features high-temperature glass construction, clear measurement markings, and an ergonomic handle for comfortable pouring.

Product Features

- **Durable, High-Temperature Glass Construction:** Engineered to withstand the heat of coffee brewing, ensuring longevity and safe operation.
- **Dishwasher-Safe for Easy Cleaning:** Simplifies maintenance, allowing for convenient and thorough cleaning after each use.
- **Ergonomic Handle with Drip-Free Spout:** Provides a comfortable grip and precise pouring, minimizing spills and messes.
- **Clear Measurement Markings:** Integrated markings on the carafe allow for accurate filling and precise brewing.

Setup

1. **Unpacking:** Carefully remove the carafe from its packaging. Inspect for any signs of damage. If damaged, do not use and contact customer support.
2. **Initial Cleaning:** Before first use, wash the carafe thoroughly with warm, soapy water. Rinse completely and dry. This removes any manufacturing residues.
3. **Compatibility Check:** Ensure the carafe fits securely and correctly into your 5-cup drip coffee maker. The design is universal for most 5-cup models, but a snug fit is crucial for proper operation and to prevent spills.

Operating Instructions

This replacement carafe functions identically to your original coffee maker carafe. Follow your coffee maker's specific instructions for brewing.

- **Placement:** Place the carafe securely on the warming plate of your coffee maker before starting the brewing cycle.
- **Filling:** Use the clear measurement markings on the side of the carafe to accurately measure water for brewing, if your coffee maker requires filling the carafe first.
- **Pouring:** Utilize the ergonomic handle and drip-free spout for controlled and mess-free pouring of brewed coffee.

Maintenance and Cleaning

Regular cleaning will ensure the longevity and hygiene of your carafe.

- **Daily Cleaning:** After each use, rinse the carafe with warm water. For thorough cleaning, wash with mild dish soap and a soft sponge.
- **Dishwasher Safe:** The carafe is dishwasher safe. Place it on the top rack for best results. Avoid abrasive cleaners or scouring pads that could scratch the glass or markings.

- **Stain Removal:** For coffee stains, a mixture of baking soda and water or a specialized coffee cleaner can be used. Let it soak for a few minutes, then scrub gently and rinse thoroughly.
- **Storage:** Store the carafe in a safe place where it will not be easily knocked over or dropped.

Troubleshooting

Problem	Possible Cause	Solution
Carafe does not fit coffee maker properly.	Incompatibility with specific coffee maker model.	Ensure your coffee maker is a standard 5-cup drip model. While designed for broad compatibility, some unique designs may not fit. Verify dimensions if possible.
Coffee spills when pouring.	Carafe is overfilled or pouring too quickly.	Do not overfill past the "MAX" line. Pour at a steady, controlled pace using the ergonomic handle and drip-free spout.
Glass appears cloudy or stained after cleaning.	Mineral deposits from water or stubborn coffee stains.	Use a mixture of white vinegar and water, or a specialized coffee cleaner. Let it soak, then scrub gently and rinse thoroughly.

Specifications

Brand: MAINSTAYS (Generic)

Model Name: MAINSTAYS 511400

Item Model Number: MS8402550614-10.

Material: High-Temperature Glass

Color: Glass-Black plastic (handle and lid)
