HOMCOM ES831-984V00WT0731

HOMCOM Makeup Vanity with Mirror and Tempered Glass Top

Instruction Manual - Model ES831-984V00WT0731

Introduction

Thank you for purchasing the HOMCOM Makeup Vanity, Model ES831-984V00WT0731. This manual provides essential information for the safe assembly, proper use, and maintenance of your new vanity. Please read these instructions carefully before assembly and retain them for future reference.

Important Safety Warning:

- Ensure all parts are present and undamaged before assembly.
- Always adjust the feet to ensure stability on any surface.
- Utilize the anti-tip system provided to prevent accidental tipping.
- Do not exceed the maximum weight capacities: 30 kg total, 10 kg for the melamine top, 5 kg per drawer, and 2 kg for the glass top.
- Assembly is required. Follow all steps precisely.

Product Overview

The HOMCOM Makeup Vanity is designed for functionality and style, featuring a durable construction and thoughtful storage solutions.

Image: The HOMCOM Makeup Vanity in white with gold-colored legs, featuring a central mirror that lifts to reveal a storage compartment with a tempered glass base, flanked by two drawers.

Key Features:

- **Tempered Glass Top:** The central polished glass surface adds elegance and allows for easy visibility of items stored in the compartment below, aiding organization.
- **Ample Storage:** Three separate areas and spacious drawers provide ideal organization for daily accessories and products. Lower cut-outs facilitate easy drawer opening.
- **Square Mirror:** A 43x43 cm square mirror offers a clear and wide view, essential for makeup application and hair styling.
- **Maximum Security:** Equipped with metal legs and adjustable pads for stability on various floor types. An anti-tip system is included for enhanced safety during daily use.

Setup and Assembly

This vanity requires assembly. Please ensure you have sufficient space and all components before beginning. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list (not provided in JSON, so general instruction).
2. **Assemble Frame:** Follow the step-by-step instructions provided in the physical assembly guide to construct the main frame of the vanity.
3. **Install Drawers:** Assemble the three drawers and slide them into their designated compartments. Ensure they glide smoothly.
4. **Attach Legs:** Securely attach the four metal legs to the base of the vanity.

5. **Install Mirror and Glass Top:** Position the mirror and the tempered glass top as indicated in the assembly guide.
6. **Adjust Feet:** Once assembled, place the vanity in its desired location. Adjust the pads on the bottom of the metal legs to ensure the vanity is level and stable.
7. **Secure Anti-Tip System:** For safety, attach the anti-tip device to the back of the vanity and secure it to a wall stud according to the instructions. This is crucial to prevent accidental tipping, especially in households with children or pets.

Operating Instructions

Using your HOMCOM Makeup Vanity is straightforward. Its design focuses on accessibility and organization.

- **Using the Mirror:** The central mirror can be lifted to reveal a hidden storage compartment. When closed, it serves as a standard mirror for makeup application and grooming.
- **Accessing Tempered Glass Storage:** Lift the mirror panel to access the compartment with the tempered glass base.

This area is ideal for storing frequently used cosmetics, jewelry, or small accessories, allowing for quick visual identification.

- **Utilizing Drawers:** The two side drawers and the central drawer (under the glass top) provide enclosed storage. Pull the drawers using the integrated cut-outs to store larger items, brushes, or personal belongings.

Maintenance

Regular cleaning and proper care will ensure the longevity and appearance of your HOMCOM Makeup Vanity.

- **General Cleaning:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the melamine finish.
- **Glass Surfaces:** For the mirror and tempered glass top, use a standard glass cleaner and a lint-free cloth to prevent streaks.
- **Spills:** Immediately wipe up any spills, especially on the melamine surfaces, to prevent staining or damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Avoid Excessive Weight:** Adhere to the specified weight limits for the top surfaces and drawers to prevent structural damage.

Troubleshooting

If you encounter any issues with your vanity, refer to the following common solutions:

- **Vanity is Unstable/Wobbly:**
  - Ensure all leg pads are properly adjusted to compensate for uneven flooring.
  - Check that all screws and connections are securely tightened.
- **Drawers are Sticking or Not Closing Properly:**
  - Verify that the drawer slides are correctly aligned and free of obstructions.
  - Ensure the drawers are not overloaded, exceeding their weight capacity.
- **Mirror Panel Does Not Lift Smoothly:**
  - Check for any objects obstructing the hinge mechanism.
  - Ensure the vanity is on a level surface.

If problems persist, please contact customer support.

Warranty and Support
