

Jiajihua Vivo iQOO Z10 Turbo 5G V2452A / Z10 Turbo Pro 5G V2453A

Jiajihua Phone Case Instruction Manual

For Vivo iQOO Z10 Turbo 5G (V2452A) / Z10 Turbo Pro 5G (V2453A)

INTRODUCTION

This manual provides instructions for the proper installation, use, and maintenance of your Jiajihua 2-in-1 PU Leather + Silicone Phone Case. This case is designed to offer comprehensive protection and enhanced functionality for your Vivo iQOO Z10 Turbo 5G (V2452A) or Vivo iQOO Z10 Turbo Pro 5G (V2453A) smartphone.

SETUP: INSTALLING THE PHONE CASE

- 1. Clean Your Device:** Before installation, ensure your Vivo iQOO Z10 Turbo 5G or Z10 Turbo Pro 5G is clean and free of dust or debris. Use a soft, dry cloth to wipe down the phone's back and sides.
- 2. Align the Case:** Hold the phone case with the camera cutout aligned with your phone's camera module.
- 3. Insert the Phone:** Gently insert one side of your phone into the soft silicone edges of the case.
- 4. Secure the Fit:** Press the remaining edges of the phone into the case until it is fully seated and all corners are securely covered. Ensure all buttons and ports align with the case's precise cutouts.

OPERATING FEATURES

Magnetic Attraction

The case features an internal magnetic attraction system, allowing it to securely attach to compatible magnetic mounts or accessories. This provides convenience for hands-free use in vehicles or other settings.

Magnetic attraction inside

Camera Protection

The case is designed with raised edges around the camera module, extending 0.3mm higher than the camera lens. This elevation helps protect the camera from scratches and direct impact during minor drops or when placed on flat surfaces.

**Higher than camera 0.3mm

Drop Protection

Constructed with a 2-in-1 design combining PU leather and soft silicone edges, the case offers anti-seismic and anti-drop protection. This dual-layer structure and high-absorption materials help to effectively prevent damage from accidental drops.

Drop protection

Effectively prevent the phone from falling off to broken screen

Precise Cutouts and Tactility

The case features precise cutouts for all buttons, ports, and speakers, ensuring full accessibility and responsive button presses. The PU leather exterior provides a comfortable and luxurious tactile feel.

Luxurious tactility

Every touch is the enjoyment of fingertips

MAINTENANCE

- **Cleaning:** To clean the case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these may damage the PU leather or silicone material.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or sharp objects, which could cause discoloration or damage.
- **Regular Inspection:** Periodically inspect the case for any signs of wear or damage. If the case is significantly damaged, consider replacing it to ensure optimal protection for your device.

TROUBLESHOOTING

- **Case Does Not Fit:** Ensure you have the correct model of phone case for your device. This case is specifically designed for Vivo iQOO Z10 Turbo 5G (V2452A) and Vivo iQOO Z10 Turbo Pro 5G (V2453A).
- **Buttons Are Stiff:** After installation, press the buttons a few times to ensure they are properly aligned and responsive. If stiffness persists, remove and re-install the case, ensuring proper alignment.
- **Magnetic Attraction Weak:** Ensure the magnetic mount or accessory you are using is compatible and strong enough for the case. The internal magnet is designed for standard magnetic accessories.
