## W-KING T8II

# W-KING T8II Portable Bluetooth Speaker Instruction Manual

Model: T8II | Brand: W-KING

## INTRODUCTION

Thank you for choosing the W-KING T8II Portable Bluetooth Speaker. This manual will guide you through the features and functions of your new speaker, ensuring optimal performance and longevity. Please read these instructions carefully before using the product.

## PACKAGE CONTENTS

- 1 x W-KING T8II Portable Loud Speaker
- 1 x 3.5mm Audio Cable
- 1 x Type-C Charging Cable
- 1 x User Manual

Image: W-KING T8II speaker and included accessories.

The package includes the W-KING T8II speaker, a 3.5mm audio cable for auxiliary connections, a Type-C

charging cable, and this user manual.

## SETUP

---

### Initial Charging

Before first use, fully charge your W-KING T8II speaker. Connect the provided Type-C charging cable to the speaker's Type-C port and a compatible power source. The speaker supports up to 30W fast charging. The indicator lights on the back will show the charging status.

Image: Connecting the Type-C charging cable to the speaker.

### Power On/Off

- To power on: Press and hold the power button located on the back of the speaker for a few seconds until the indicator light illuminates.
- To power off: Press and hold the power button again for a few seconds until the indicator light turns off.

Image: Rear panel with power button and input ports.

### Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode (the indicator light will flash).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "W-KING T8II" from the list of devices.
4. Once connected, the indicator light will become solid, and you will hear an audible confirmation.

## OPERATING INSTRUCTIONS

### Control Buttons

The top panel of the speaker features intuitive control buttons for easy operation:

- **M (Mode Button):** Press to switch between Bluetooth, AUX, and USB playback modes.
- **- (Volume Down / Previous Track):** Short press to decrease volume. Long press to go to the previous track.
- **Play/Pause Button:** Press to play or pause audio.
- **+ (Volume Up / Next Track):** Short press to increase volume. Long press to go to the next track.

Image: Detailed view of the control buttons on the speaker's top panel.

### Playback Modes

- **Bluetooth Mode:** Connect wirelessly to your device as described in the Setup section.
- **AUX Mode:** Connect an external audio device using the provided 3.5mm audio cable to the AUX port on the back of the speaker. Press the 'M' button to switch to AUX mode.
- **USB Playback Mode:** Insert a USB flash drive into the USB-A port on the back of the speaker. The speaker will automatically switch to USB mode and begin playing compatible audio files.

### True Wireless Stereo (TWS) Pairing

For an enhanced audio experience, two W-KING T8II speakers can be paired together to create a true stereo sound system:

1. Ensure both T8II speakers are powered on and in Bluetooth pairing mode (not connected to any device).
2. On one of the speakers, press and hold the Bluetooth pairing button (usually indicated by a Bluetooth icon) until you hear a confirmation tone.
3. The two speakers will automatically connect to each other. Once connected, one speaker will act as the master (left channel) and the other as the slave (right channel).
4. Connect your device to the master speaker via Bluetooth.

## Charging External Devices

The W-KING T8II speaker can function as a power bank to charge your mobile devices. Connect your device to the speaker's USB-A output port using a compatible charging cable. The USB-A to Type-C output supports up to 18W charging.

## MAINTENANCE

### General Care

- Keep the speaker away from extreme temperatures, direct sunlight, and moisture.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not disassemble or attempt to repair the speaker yourself, as this will void the warranty.

### Battery Care

To maximize battery life, avoid fully discharging the speaker frequently. Recharge the battery regularly, even if the speaker is not in use for extended periods.

### Cleaning

Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.

### Water Resistance

**Note:** The W-KING T8II speaker is **NOT waterproof**. Avoid exposure to water or other liquids to prevent damage.

## TROUBLESHOOTING

Problem	Solution
Speaker does not power on.	Ensure the battery is charged. Connect the speaker to a power source using the Type-C cable.

Problem	Solution
Cannot pair via Bluetooth.	<ul style="list-style-type: none"> <li>• Ensure the speaker is in pairing mode (flashing indicator light).</li> <li>• Make sure your device's Bluetooth is enabled and within range.</li> <li>• Forget "W-KING T8II" from your device's Bluetooth list and try pairing again.</li> <li>• Restart both the speaker and your device.</li> </ul>
No sound.	<ul style="list-style-type: none"> <li>• Check the volume levels on both the speaker and your connected device.</li> <li>• Ensure the correct playback mode (Bluetooth, AUX, USB) is selected.</li> <li>• If using AUX, ensure the cable is fully inserted and functional.</li> </ul>
Sound distortion at high volume.	Reduce the volume on the speaker or your connected device. Ensure audio source quality is high.
