ROOMTEC B0F8VLLZQX (17-Inch Wood)

ROOMTEC 17-Inch Wood Wall-Mounted Closet Organizer System Instruction Manual

Model: B0F8VLLZQX (17-Inch Wood)

1. INTRODUCTION

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your ROOMTEC 17-Inch Wood Wall-Mounted Closet Organizer System. Please read this manual thoroughly before beginning assembly and retain it for future reference. Proper assembly and installation are crucial for the stability and safety of the unit.

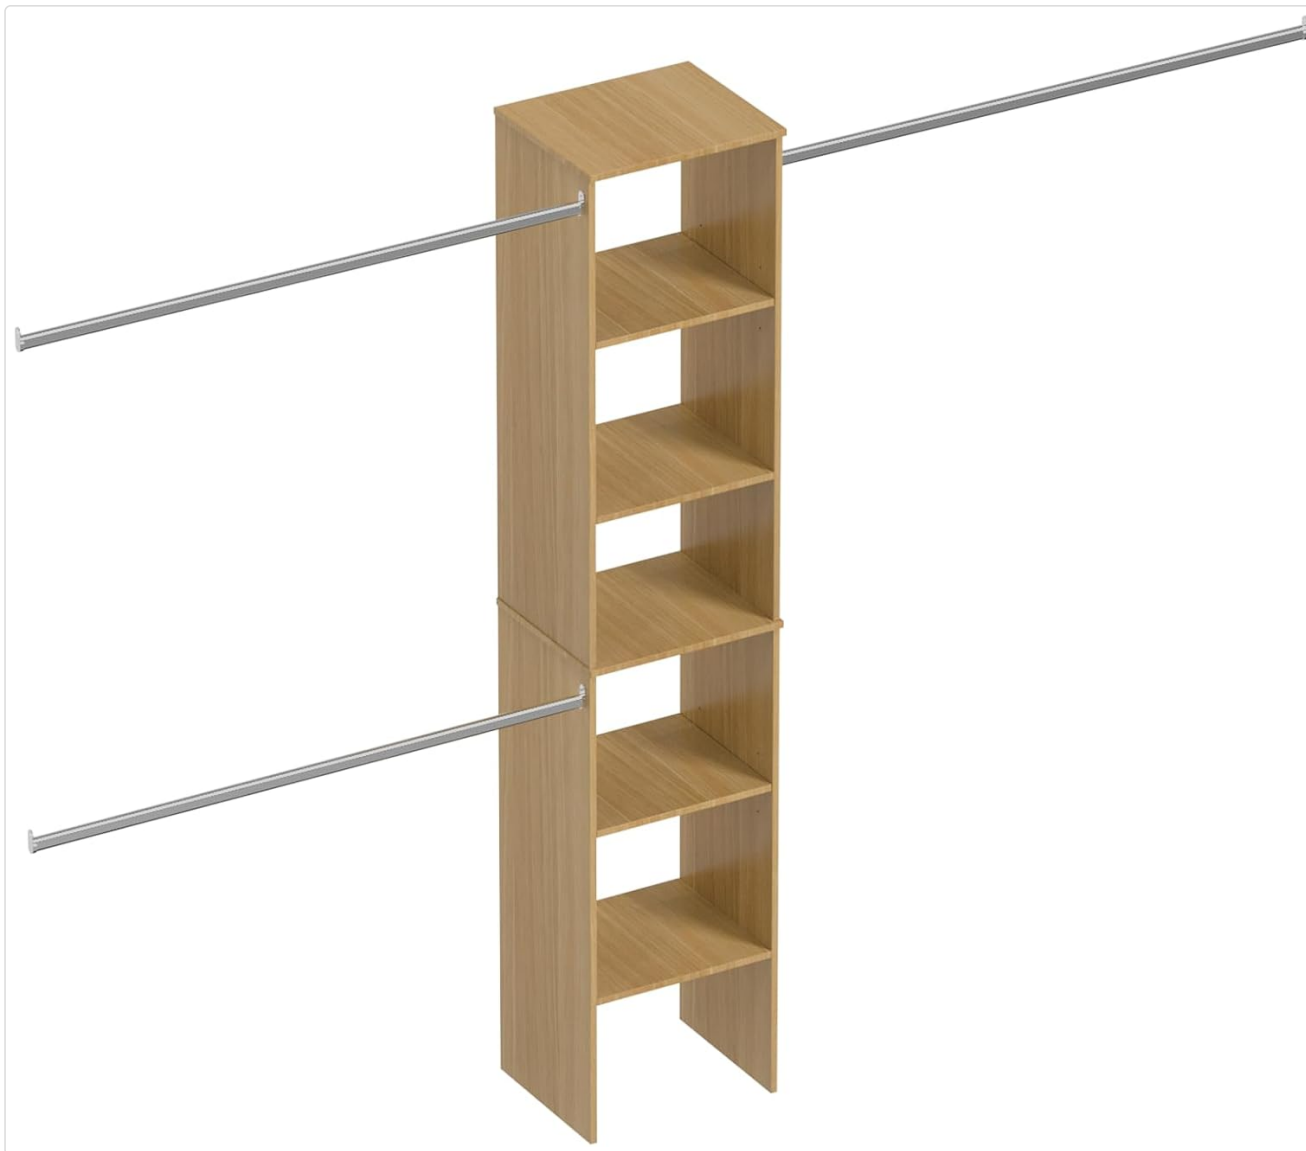

Image 1.1: Overview of the ROOMTEC 17-Inch Wood Wall-Mounted Closet Organizer System, featuring a central storage tower and two hanging rods.

2. SAFETY INSTRUCTIONS

Adhere to the following safety guidelines to prevent injury and damage to the product:

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all components are securely fastened before use. Loose connections can lead to instability.
- Do not overload shelves or hanging rods. Refer to the 'Specifications' section for weight capacities.
- This system is designed for wall-mounting. Securely attach it to wall studs or use appropriate wall anchors for your wall type. Failure to do so may result in the unit tipping over.
- Keep small parts away from children during assembly to avoid choking hazards.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

3. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any items are missing, contact ROOMTEC customer support.

- Wood Storage Tower components (panels, shelves)
- 3 x Hanging Rods (fixed length)
- Adjustable Shelf Pins
- Wall Mounting Hardware (screws, anchors)
- Assembly Hardware (cam locks, dowels, screws)
- Instruction Manual

4. SETUP AND INSTALLATION

4.1 Tools Required (Not Included)

- Phillips Head Screwdriver
- Drill with appropriate drill bits (for wall mounting)
- Level
- Measuring Tape
- Pencil
- Stud Finder (recommended for wall mounting)
- Hacksaw or pipe cutter (if shortening hanging rods)

4.2 Assembly of the Storage Tower

1. Unpack all components and lay them out on a clean, soft surface.
2. Identify all panels and hardware using the included parts list.
3. Attach cam locks and dowels to the designated holes on the side panels and fixed shelves as per the diagram.
4. Connect the base and top panels to the side panels, ensuring cam locks are fully tightened.
5. Insert the fixed shelves into their positions and secure them.
6. Place adjustable shelf pins into desired holes for the adjustable shelves.
7. Insert the adjustable shelves onto the pins.

4.3 Wall Mounting the System

The ROOMTEC closet system is designed for wall-mounted installation. Proper wall attachment is essential for stability.

1. Determine the desired location for your closet system. The system is ideal for spaces 5 to 9 feet wide.
2. Using a stud finder, locate and mark the wall studs where the storage tower will be mounted. If studs are not available, use appropriate heavy-duty wall anchors (not always included, verify package contents).
3. Position the assembled storage tower against the wall. Use a level to ensure it is perfectly vertical.
4. Mark the drilling points through the pre-drilled holes on the back of the storage tower onto the wall.
5. Drill pilot holes into the wall at the marked locations. If drilling into studs, use a smaller drill bit. If using wall

anchors, drill holes according to anchor manufacturer instructions.

6. Secure the storage tower to the wall using the provided screws and wall anchors (if applicable). Ensure the connection is firm and stable.

4.4 Installing Hanging Rods

The system includes three fixed-length hanging rods. These can be configured on either side of the storage tower or cut to fit smaller spaces.

1. Determine the desired height and position for each hanging rod. The rods can be placed on either side of the central tower.
2. Attach the rod supports to the side panels of the storage tower at the chosen height using the provided screws.
3. If necessary, measure and cut the hanging rods to the required length using a hacksaw or pipe cutter. Ensure clean cuts to avoid sharp edges.
4. Insert the hanging rods into the rod supports. Ensure they are securely seated.

Various installation Methods

17 in. Starter Tower Kit Ideal for 5 - 9 ft. wide spaces

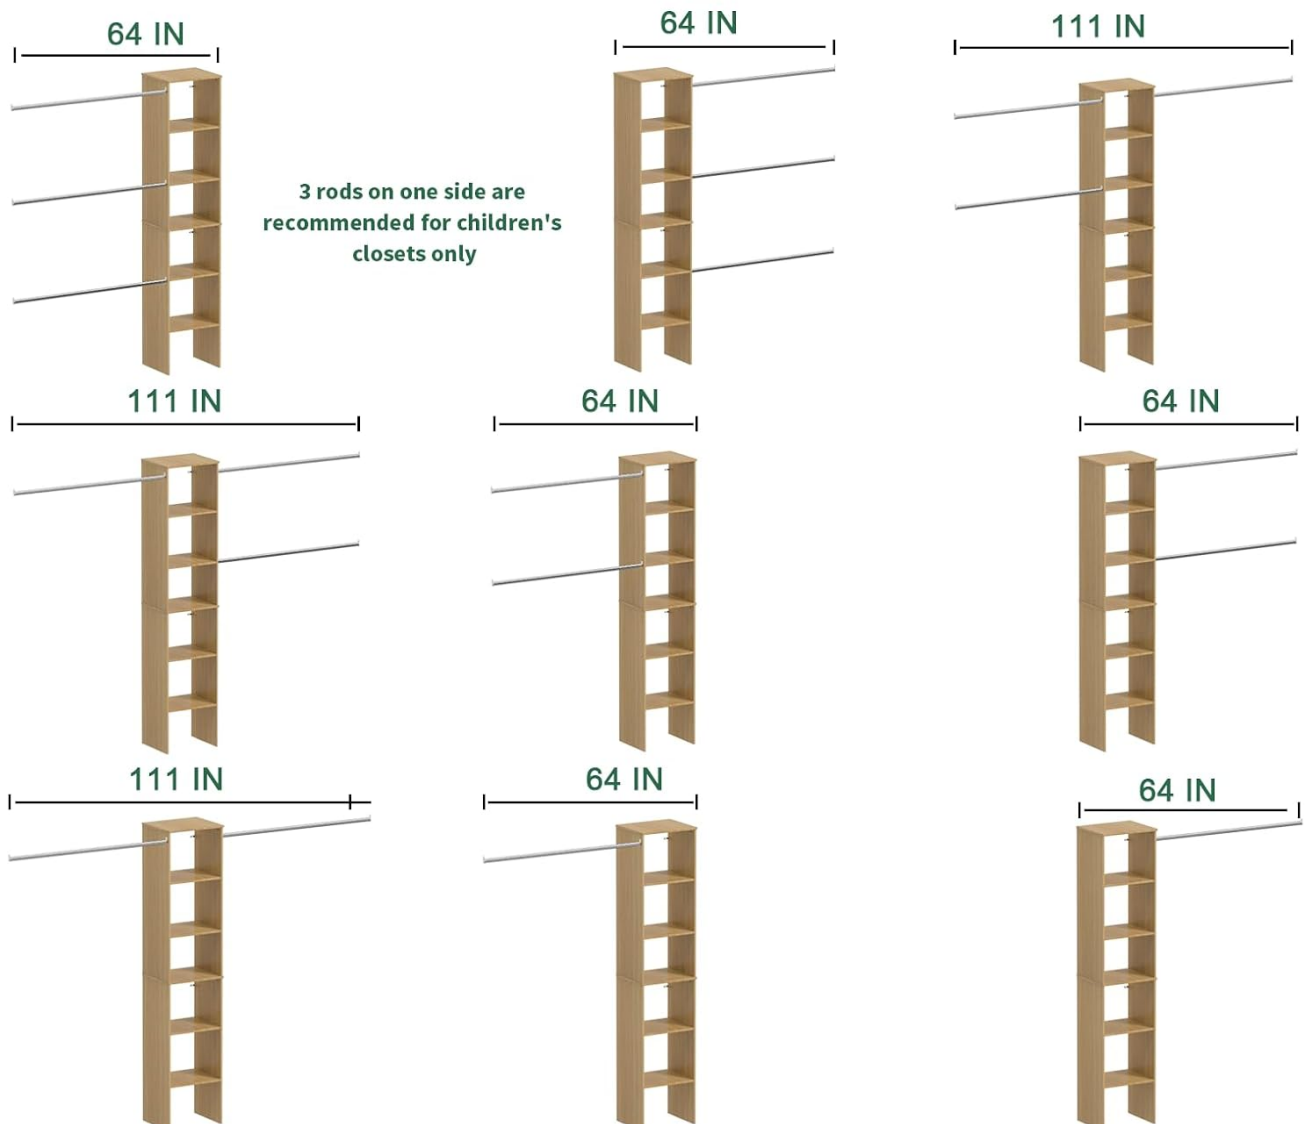

Image 4.1: Diagram illustrating various installation configurations for the ROOMTEC closet system, showing how the central tower and hanging rods can be arranged to fit spaces from 5 to 9 feet wide. Note: 3 rods on one side are recommended for children's closets only.

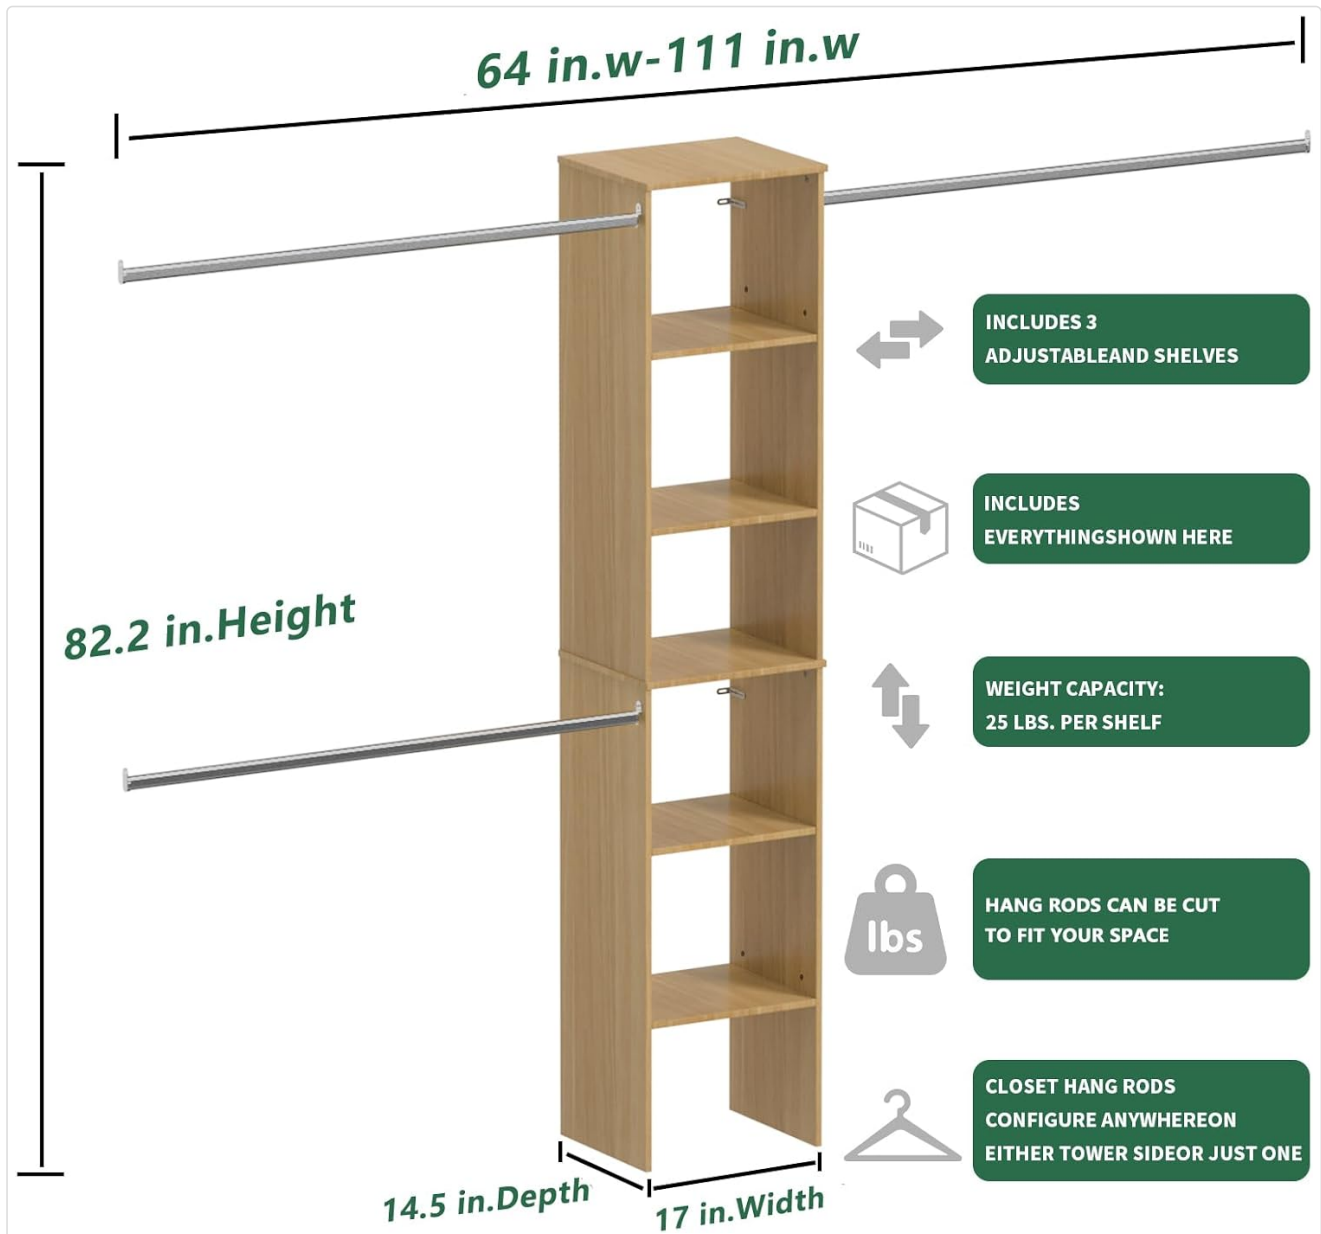

Image 4.2: Detailed diagram showing the dimensions of the ROOMTEC 17-inch wide closet system (82.2 inches height, 14.5 inches depth, 17 inches width) and key features such as adjustable shelves, 25 lbs per shelf weight capacity, and customizable hanging rods.

5. OPERATING YOUR CLOSET SYSTEM

The ROOMTEC closet system is designed for flexible storage of clothing and accessories.

- **Adjusting Shelves:** The interior shelves of the storage tower are adjustable. To change shelf height, remove items from the shelf, lift the shelf, reposition the shelf pins to the desired height, and then place the shelf back onto the pins. Ensure all four pins are securely in place before loading the shelf.
- **Using Hanging Rods:** Utilize the hanging rods for garments such as shirts, dresses, and trousers. Distribute weight evenly across the rods to maintain stability.
- **Storage Tower:** The open shelves of the tower are suitable for folded clothing, shoes, bags, or storage bins.

Image 5.1: The ROOMTEC closet system organized with various garments on hanging rods and accessories on the central storage tower shelves, demonstrating its storage capacity.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your ROOMTEC closet system, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the wood finish. Dry immediately with a clean cloth.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Weight Distribution:** Always distribute weight evenly on shelves and hanging rods to prevent warping or structural stress.
- **Avoid Moisture:** Protect the unit from excessive moisture and direct sunlight to prevent material degradation.

7. TROUBLESHOOTING

If you encounter issues with your ROOMTEC closet system, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Unit feels unstable or wobbly.	Loose connections or improper wall mounting.	Ensure all assembly screws and cam locks are fully tightened. Verify the unit is securely anchored to wall studs or appropriate wall anchors are used. Check that the unit is level.
Shelves are not level.	Shelf pins not inserted correctly or unevenly.	Remove the shelf and reinsert all four shelf pins into corresponding holes at the same height. Ensure pins are fully seated.
Hanging rod sags.	Overloaded rod or improper installation.	Reduce the weight on the hanging rod. Ensure rod supports are securely fastened and the rod is properly seated within them.
Difficulty assembling parts.	Incorrect orientation of parts or missing hardware.	Refer to the assembly diagrams and instructions carefully. Verify all hardware is present and correctly used. Do not force parts together.

8. SPECIFICATIONS

- **Model:** B0F8VLLZQX
- **Brand:** ROOMTEC
- **Type:** Wall-Mounted Closet Organizer System
- **Size:** 17 Inch Wide
- **Material:** Wood (Particle Board with Melamine coating)
- **Overall Dimensions (Approximate):** 82.2 inches (Height) x 17 inches (Width) x 14.5 inches (Depth)
- **Adjustable Width:** Fits closet spaces from 5 to 9 feet wide (with rods)
- **Number of Hanging Rods:** 3
- **Shelf Weight Capacity:** 25 lbs per shelf
- **Mounting Type:** Wall Mount
- **UPC:** 700433368295

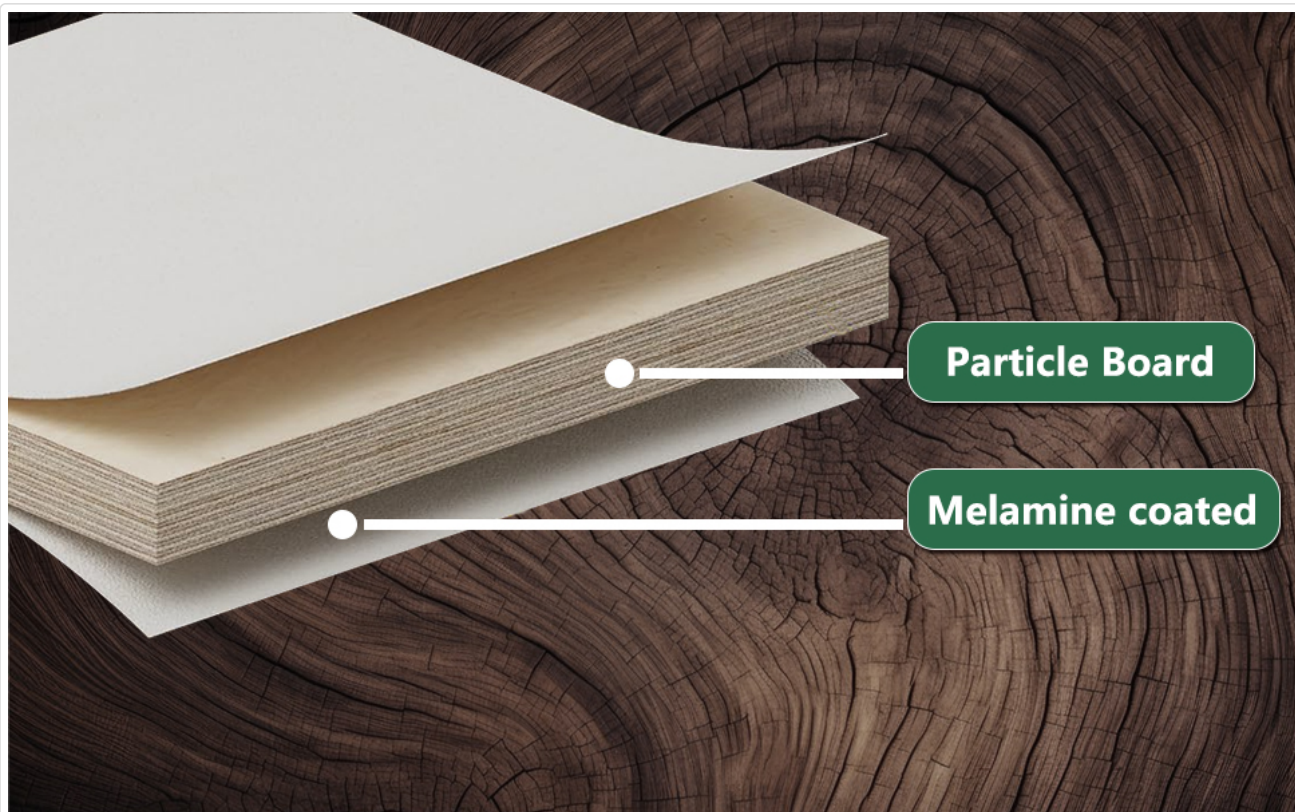

Image 8.1: Illustration showing the material composition of the closet system, indicating it is made from Particle Board with a Melamine coating for durability.

9. WARRANTY AND CUSTOMER SUPPORT

ROOMTEC products are manufactured with quality and care. For information regarding warranty coverage, please refer to the warranty card included with your product or visit the official ROOMTEC website.

If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact ROOMTEC customer support:

- **Website:** [Visit the ROOMTEC Store on Amazon](#)
- **Email:** Refer to product packaging or website for contact email.
- **Phone:** Refer to product packaging or website for contact phone number.

When contacting support, please have your product model number (B0F8VLLZQX) and purchase date available.
