Bestier H106915SUS

Bestier 59-inch Office Desk with Lockable Drawers User Manual

Model: H106915SUS

Brand: Bestier

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier 59-inch Office Desk. Please read this manual thoroughly before assembly and use to ensure proper function and safety. This modern computer desk features lockable drawers, a built-in charging station, a drop-front keyboard drawer, and ample storage for an organized workspace.

2. Safety Information

- To prevent scratching, place a soft blanket or protective material on the floor during assembly.
- Exercise caution when using power drills or screwdrivers. Slow down and stop when screws are nearly tight to avoid overtightening or damaging components.
- Do not use harsh chemicals or abrasive cleaners on this item. Use a damp cloth for cleaning and a dry cloth for drying.
- Push, pull, or drag the assembled desk carefully to avoid damage or injury.
- The desk supports up to 200 lbs on the top surface, 20 lbs in each standard drawer, and 40 lbs in the file drawer. Do not exceed these weight limits.
- Recommended for two people for assembly to ensure stability and ease of construction.

3. Product Overview

The Bestier 59-inch Office Desk is designed for functionality and modern aesthetics, offering various storage

solutions and integrated power options.

Figure 3.1: Product dimensions and weight capacities for various sections of the Bestier 59-inch Office Desk.

Figure 3.2: An overview highlighting the desk's storage components: 1 File Drawer, 1 Keyboard Drawer, 3 Storage Drawers, and 1 Storage Cabinet.

4. Setup and Assembly

Assembly of the Bestier 59-inch Office Desk requires careful attention to the instructions. It is recommended that two people assemble the desk, and a power drill can expedite the process. All necessary tools are included.

4.1 Assembly Video Guide

Video 4.1: Official Bestier USA assembly guide for the 59-inch Office Desk. This video demonstrates the step-by-step process of putting the desk together, including attaching components and installing drawers.

4.2 General Assembly Steps

1. **Unpack and Identify Parts:** Carefully unbox all components and verify against the parts list in the included

instruction manual. Lay out parts on a soft surface to prevent scratches.

2. **Assemble Side Pedestals:** Construct the left and right pedestals, which will house the drawers and cabinet. Ensure all cam locks and dowels are securely fastened.
3. **Attach Center Support:** Connect the center support panel between the two pedestals.
4. **Install Desktop Panels:** Secure the three desktop panels to the assembled base. The panels are designed for easier handling and fitting.
5. **Assemble Drawers and Cabinet:** Construct the three standard drawers, the lockable file drawer, and the storage cabinet. Pay close attention to the drawer slide orientation.
6. **Install Charging Station:** Insert the built-in charging station into the designated cutout on the desktop and secure it with screws.
7. **Final Adjustments:** Ensure all components are tightly secured and the desk is stable.

5. Operating Instructions

5.1 Drop-Front Keyboard Drawer

Figure 5.1: The magnetic flip-down keyboard drawer, designed to store a keyboard and mouse, protecting them from dust when not in use.

The central drawer features a drop-front mechanism. To use as a keyboard tray, pull the drawer out and gently push down on the front panel. It will pivot downwards, providing an ergonomic typing surface. To close, lift the front panel until it magnetically secures in place, then push the drawer back in. This drawer can also be used for general storage.

5.2 Lockable File Drawer

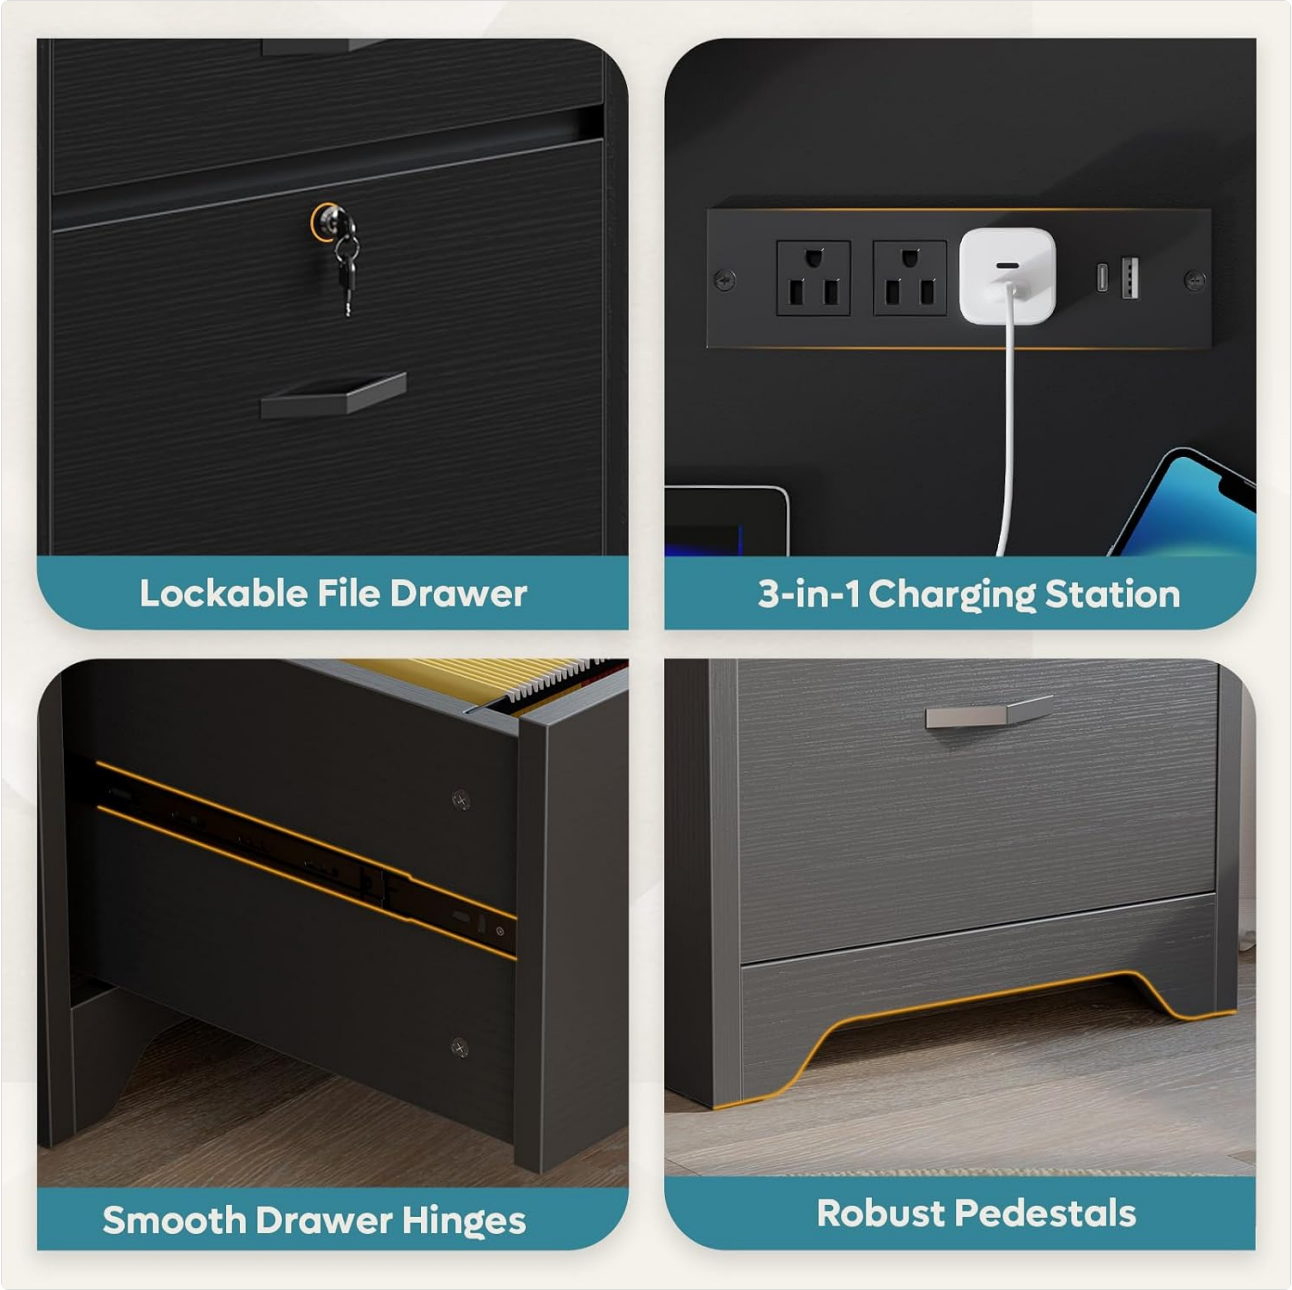

Figure 5.2: Close-up view of the lockable file drawer, integrated charging station, smooth drawer hinges, and robust pedestals.

The bottom drawer on the left pedestal is a lockable file drawer. Insert the key into the lock and turn to secure or unlock. The drawer includes adjustable rails to accommodate letter, A4, or legal-sized folders, keeping sensitive documents organized and secure.

5.3 Built-in Charging Station

The desktop features a built-in charging station with 3 AC outlets, 1 USB port, and 1 Type-C port. Connect the desk's power cord to a wall outlet. You can then plug in your devices directly to the desktop for convenient power access. The 4.9 ft cord allows for flexible placement.

5.4 Storage Cabinet

The right pedestal includes a tall, dust-proof storage cabinet. Open the cabinet door to access discreet storage for larger items, such as binders, books, or a desktop computer tower.

6. Maintenance

- **Cleaning:** Wipe the desk surfaces with a damp cloth to remove dust and spills. Follow immediately with a dry cloth to prevent moisture damage.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, strong chemicals, or solvents, as these can damage the finish.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Protect Surfaces:** Use coasters for drinks and placemats for hot items to protect the desktop from stains and heat damage.

7. Troubleshooting

- **Desk Wobbles:** Ensure all screws are tightened. Check that the desk is on a level surface. Adjust leg levelers if present.
- **Drawers Stick/Don't Slide Smoothly:** Verify that the drawer slides are correctly installed and aligned. Ensure no objects are obstructing the slides. Lubricate slides with a silicone-based spray if needed.
- **Charging Station Not Working:** Check that the desk's main power cord is securely plugged into a functional wall outlet. Test the outlet with another device. Ensure devices are properly connected to the charging ports.
- **Lock Mechanism Issues:** Ensure the key is fully inserted and turned correctly. Do not force the lock. If the mechanism is stiff, a small amount of graphite lubricant can be applied.

8. Specifications

Feature	Detail
Brand	Bestier
Model Number	H106915SUS
Product Dimensions	21.65"D x 59.06"W x 30.12"H
Item Weight	102 Pounds
Color	Black
Material Type	Engineered Wood, Metal, Wood
Number of Drawers	5 (including 1 keyboard drawer and 1 file drawer)
Number of Cabinets	1
Special Features	Built-In USB Outlet, Corded, Keyboard Tray Included, Lockable
