**T4TREAM 60-inch Fluted Executive Desk**

# T4TREAM 60-inch Fluted Executive Desk User Manual

Model: 60-inch Fluted Executive Desk
Brand: T4TREAM

## 1. Product Overview

The T4TREAM 60-inch Fluted Executive Desk is designed to enhance your home office with a blend of modern aesthetics and practical functionality. This desk features a spacious desktop, integrated charging capabilities, and ample storage solutions to maintain an organized workspace.

### Key Features:

- **Timeless Modern Design:** Crafted with a contemporary look, the 60-inch executive desk combines charm and functionality. The desktop supports up to 150 lbs and is constructed from FSC-Certified wood, optimal MDF, and P2 engineered wood. It features a unique fluted panel and smooth curved profile, supported by sturdy legs.
- **Convenient Built-In Charging Station:** Stay powered and clutter-free with a built-in charging station that includes a USB port, Type-C port, and two AC outlets. This allows for easy charging of phones, laptops, and other devices.
- **Ample Storage for an Organized Workspace:** Keep your office organized with a large file drawer for letter-size documents, three utility box drawers for supplies, and a cabinet with an adjustable shelf. A dedicated compartment is also included for a vertical CPU tower.
- **Ergonomic Pull-Out Keyboard Tray:** Designed for comfort, the pull-out and flip-down keyboard tray promotes an ergonomic typing posture, reducing wrist and shoulder strain while freeing up valuable desk space.
- **Expansive 60-inch Work Surface:** Whether working, studying, or multitasking, the spacious 60-inch desktop easily accommodates dual monitors, paperwork, and daily essentials, supporting productivity with a clean and streamlined workspace.

## 2. Setup and Assembly

This desk requires assembly. Please follow the included assembly instructions carefully to ensure proper construction and stability. Tools for assembly are not included and must be provided by the user.

### Important Safety Information:

- Always assemble the desk on a stable, level surface to prevent wobbling or instability.
- Ensure all parts are securely fastened before using the desk. Regularly check fasteners for tightness.
- This desk is heavy. It may tip over if not properly assembled or if items are placed unevenly on the desktop.
- Do not place heavy objects near the edges of the desk to prevent tipping.
- For safety, it is recommended to have two people for assembly.

## 3. Operating Features

### 3.1 Charging Station

The integrated charging station is located on the desktop for easy access. It includes:

- 1 x USB Port
- 1 x Type-C Port
- 2 x AC Outlets (125V/12A)

Simply plug your devices into the appropriate ports to charge them conveniently. Ensure the desk is connected to a power source via its power cord.

### 3.2 Keyboard Tray

The central drawer features a pull-out and flip-down mechanism, designed to function as an ergonomic keyboard tray. Pull the drawer out, then gently flip down the front panel to position your keyboard at a comfortable typing height. When not in use, the panel can be flipped up and the tray pushed back in to conceal the keyboard and free up desktop space.

### 3.3 Storage Drawers and Cabinet

The desk includes multiple storage options:

- **Three Utility Box Drawers:** Ideal for storing office supplies, stationery, and small personal items.
- **One Letter-Size File Drawer:** Designed to accommodate letter-sized documents, helping to keep important papers organized and accessible.
- **Storage Cabinet with Adjustable Shelf:** A side cabinet provides enclosed storage. The internal shelf can be adjusted to different heights to suit your storage needs. This cabinet also features a dedicated space suitable for a vertical CPU tower.

## 4. Care and Maintenance

Proper care and maintenance will ensure the longevity and appearance of your T4TREAM Executive Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the engineered wood finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters or protective pads. Keep the desk away from direct sunlight and excessive humidity to prevent warping or fading.
- **Moving:** When moving the desk, lift it rather than dragging it to prevent damage to the legs and frame.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.

## 5. Troubleshooting

If you encounter any issues with your desk, refer to the following common solutions:

- **Wobbly Desk:** Ensure all assembly screws are tightened. Check that the desk is on a level surface. If necessary, use furniture levelers (not included) under the legs.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer slides. Ensure the slides are properly aligned and free of debris. If needed, apply a silicone-based lubricant to the slides.
- **Charging Station Not Working:** Verify that the desk's power cord is securely plugged into a functional wall outlet. Check for any tripped circuit breakers.
- **Damaged Parts:** If any parts arrived damaged or become damaged during assembly/use, please contact T4TREAM customer support for assistance.
