## Premium-Plus GGS600AV2FS

# Premium Plus Stove Protectors

INSTRUCTION MANUAL FOR GE GAS RANGE MODEL GGS600AV2FS

Brand: Premium-Plus

### Product Overview

Customized Stovetop Protector Liners by Premium Plus Inc. are designed to enhance your kitchen experience. These non-stick liners keep your cooking surface immaculate, facilitating quick cleanup and maintenance. They are heat resistant up to 500 degrees Fahrenheit, protecting your gas stovetop's metal surface and maintaining its pristine condition effortlessly.

Key features include:

- Custom Fit for GE Gas Range Model GGS600AV2FS.
- Made in the USA and heat resistant up to 500°F.
- Dishwasher safe for easy cleaning.
- Simple installation and removal.
- PFOA & BPA Free, eco-friendly, and backed by a lifetime warranty.

## Setup and Installation

Installing your Premium Plus Stove Protectors is a straightforward process designed for quick placement and removal.

1. **Prepare the Stovetop:** Carefully remove the grates and burners from your gas stovetop.
2. **Align the Liners:** The product consists of three customized pieces. Begin by aligning the middle section, then position the two side pieces. Ensure all pieces overlap on your stovetop for complete protection.
3. **Reassemble:** Once the liners are correctly placed, reassemble the grates and burners onto your stovetop.

## Usage and Functionality

Premium Plus Stove Protectors are designed to safeguard your stovetop from spills, grease, and food debris during cooking. Their non-stick surface ensures that messes do not adhere, making cleanup significantly easier.

- **Heat Resistance:** The liners are engineered to withstand temperatures up to 500°F (260°C), providing reliable protection during normal cooking operations.
- **Spill Protection:** The overlapping design ensures comprehensive coverage, preventing spills from reaching the underlying stovetop surface.

## Care and Maintenance

---

Maintaining your stove protectors is simple, ensuring your stovetop remains spotless with minimal effort.

- **Daily Cleaning:** For minor spills, simply wipe away grease and food residue with a damp sponge or cloth.
- **Dishwasher Cleaning:** The liners are dishwasher safe. For thorough cleaning, remove the affected liner(s) and place them on the top rack of your dishwasher.
- **Hand Washing:** Alternatively, the liners can be easily hand-washed with soap and water.
- **Localized Spills:** If a spill occurs on a specific section, you can remove only the affected liner piece, clean it, and then replace it.

A woman with long brown hair, wearing a maroon t-shirt, is smiling as she washes a black stove protector in a kitchen sink. The protector has four circular cutouts. Water is spraying from a modern chrome faucet onto the protector. In the background, there is a window with a green vine plant hanging over it. To the right of the sink, a white dish rack holds various dishes, including a yellow plate and a blue plate.

# KEEP YOUR KITCHEN CLEAN & PROTECTED

Premium Plus Stoveliners are designed for convenience — easy to hand wash or toss right into the dishwasher. Durable, mess-resistant, and effortless to clean, they help protect your stovetop from everyday spills and splatters so your kitchen stays spotless with less effort.

## Troubleshooting

These stove protectors are designed for durability and ease of use. Should you encounter any issues, please consider the following:

- **Improper Fit:** Ensure you have the correct model-specific liners. These protectors are custom-fit for GE Gas Range Model GGS600AV2FS. If you have a different model, search for "Premium Plus [Your Model Number]" on Amazon.
- **Liner Movement:** Ensure all three pieces are correctly aligned and overlapping as per installation instructions. The design includes locking tabs for a secure fit.
- **Persistent Stains:** While highly non-stick, some stubborn stains may require a gentle scrub with a non-abrasive sponge and dish soap before placing in the dishwasher.

If problems persist, please refer to the Warranty and Support section for assistance.
