Drawer Operation

The drawers are designed with smooth 3-section slide rails for easy and quiet operation.

- The three-section guide rail design allows the drawer to pull out completely, making it more convenient to access items.
- Pushing and pulling the drawers is smooth, contributing to a longer service life and minimal noise (below 40 dB).

MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. For light cleaning, a damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage.
- **Material Care:** The desk is made of scratch-resistant, moisture-resistant MDF boards with a glossy PVC finish. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood and finish.
