2. **Rebound:** Due to vacuum packaging, the product will need time to fully expand. Allow **24-48 hours** for the foam to rebound to its intended shape and fluffiness.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your Brabrety Floor Sofa Bed.

- **Regular Cleaning:** Lightly brush or vacuum the teddy fabric frequently to remove dust and grime.
- **Spot Cleaning:** For spills or stains, spot clean using a mild water-based solvent. Always pre-test cleaning methods on a hidden surface to ensure no discoloration or damage occurs.
- **Professional Cleaning:** For overall soiled conditions or deep cleaning, a professional cleaning service is recommended.
- **Pillow Care:** The sofa includes two removable pillows. Covers are removable for cleaning.

TROUBLESHOOTING

The Brabrety Floor Sofa Bed is designed for simplicity and durability. If you encounter any issues, please consider the following:

- **Incomplete Rebound:** If the sofa bed has not fully expanded after 48 hours, ensure it has been

placed in a warm, well-ventilated area. Gently patting the foam can assist in its expansion.

- **Stability Issues:** Ensure the sofa bed is placed on a flat, even surface. When converting, make sure all sections are fully engaged in their intended positions.
