FUFU&GAGA 55.1" Large L-Shaped Office Desk with 41.3" File Cabinet User Manual

Brand: FUFU&GAGA | Model: home-office-desks

1. INTRODUCTION

Thank you for choosing the FUFU&GAGA L-Shaped Office Desk. This manual provides detailed instructions for assembly, setup, operation, and maintenance of your new desk. Designed for versatility and ample storage, this desk combines a spacious work surface with a functional file cabinet, making it an ideal solution for your home office needs. Please read this manual thoroughly before beginning assembly to ensure a smooth and correct setup.

2. SAFETY INFORMATION

Please observe the following safety guidelines during assembly and use:

- **Assembly required.** Ensure proper support and balance during assembly to prevent tipping.
- This desk is heavy (approximately 105 pounds). It is recommended to have **two or more people** for assembly and moving the desk to prevent injury.
- Use the provided rubber mat or protective pads to protect your floor from scratches caused by the metal legs.
- Do not overtighten screws during assembly, as this may damage the MDF board.
- Keep small parts and hardware away from children and pets.
- Ensure all connections are secure before placing items on the desk.

3. PACKAGE CONTENTS

Before starting assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk Panels (Main desktop, support panels)
- File Cabinet Panels (Side panels, back panel, top panel, bottom panel)

- 3 Drawer Components (Fronts, sides, backs, bottoms, glides)
- 2 Adjustable Shelves
- Metal Legs and Support Frame
- Hardware Pack (Screws, dowels, cam locks, handles, foot pads, etc.)
- Assembly Tools (Basic wrench/screwdriver, if included)

Note: Both the boards and hardware are labeled for easier identification during assembly.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this desk. Please follow the steps carefully. It is recommended to assemble the desk in the room where it will be used due to its weight and size.

4.1. General Assembly Tips

- Lay out all parts on a soft, clean surface to prevent scratches.
- Identify each part by its label before starting.
- Do not fully tighten screws until instructed, or until the section is fully assembled.
- Be cautious when inserting wooden dowels; apply gentle pressure to avoid pushing through the board.

4.2. Assembling the File Cabinet

Begin by assembling the file cabinet section. This section includes the 3 drawers and 2 adjustable shelves.

1. Attach the drawer glides to the side panels of the cabinet. Ensure they are correctly oriented.
2. Assemble the drawer boxes. Attach the drawer fronts and handles.
3. Connect the cabinet side panels to the top and bottom panels using the provided hardware.
4. Insert the adjustable shelves into the designated slots.
5. Slide the assembled drawers into their respective glides.

4.3. Assembling the Desk Frame

Assemble the main desk frame and attach the desktop.

1. Attach the metal legs to the main desktop panel. Ensure the foot pads are installed to protect your floor.
2. Carefully align the desktop with the assembled file cabinet.

4.4. Connecting Desk and Cabinet (Reversible Design)

This L-shaped desk features a reversible design, allowing you to place the cabinet on either the right or left side to suit your space. The desk also offers length extensibility and variable angle configurations.

1. Position the file cabinet and the desk frame according to your desired L-shape configuration (right or left).
2. Securely connect the desk and cabinet sections using the provided connectors.
3. Ensure all connections are tight and the desk is stable before use.

6. OPERATING THE DESK FEATURES

6.1. Drawers

The three drawers provide enclosed storage for your important files and personal belongings. They are designed for smooth operation. To open, gently pull the handle. To close, push until the drawer is fully seated.

6.2. Shelves

The two open shelves offer convenient access to frequently used items such as books, magazines, or a printer. The shelves are adjustable, allowing you to customize the storage space to fit your needs.

7. MAINTENANCE

To ensure the longevity and appearance of your FUFU&GAGA L-Shaped Office Desk, follow these maintenance guidelines:

- **Cleaning:** The melamine-coated surface is designed to be easy to clean. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and dry thoroughly. Avoid harsh chemicals or abrasive cleaners.

- **Protection:** The desk is scratch-resistant and waterproof, but it is advisable to use coasters for drinks and protective pads under heavy or sharp objects to prevent potential damage.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.

8. TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common solutions:

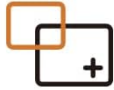

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws or uneven floor.	Ensure all assembly screws are tightened. Adjust the foot pads on the metal legs to level the desk on an uneven surface.
Drawers do not slide smoothly.	Drawer glides misaligned or obstructed.	Check that the drawer glides are properly installed and aligned on both the drawer and the cabinet. Remove any obstructions.
Damage during assembly (e.g., dowels pushing through).	Excessive force applied to dowels.	This can occur if dowels are inserted with too much force or if holes are not deep enough. Always apply gentle, even pressure. If damage occurs, contact customer support for replacement parts if within warranty.
