IDEQUY CF8059-1J

IDEQUY Gold 1 Ring Pendant Light Instruction Manual

Model: CF8059-1J

INTRODUCTION

Thank you for choosing the IDEQUY Gold 1 Ring Pendant Light. This modern LED dimmable chandelier is designed to enhance your kitchen island, foyer, or other living spaces with its unique crystal design and adjustable lighting features. This manual provides detailed instructions for safe installation, operation, and maintenance of your new pendant light.

SETUP AND INSTALLATION

Safety First: Before beginning installation, ensure the power supply to the installation area is turned off at the circuit breaker. It is recommended to have a qualified electrician perform the installation.

Package Contents:

- Gold 1 Ring Pendant Light fixture
- Mounting hardware
- Remote Control
- Installation and operating instructions

Installation Steps:

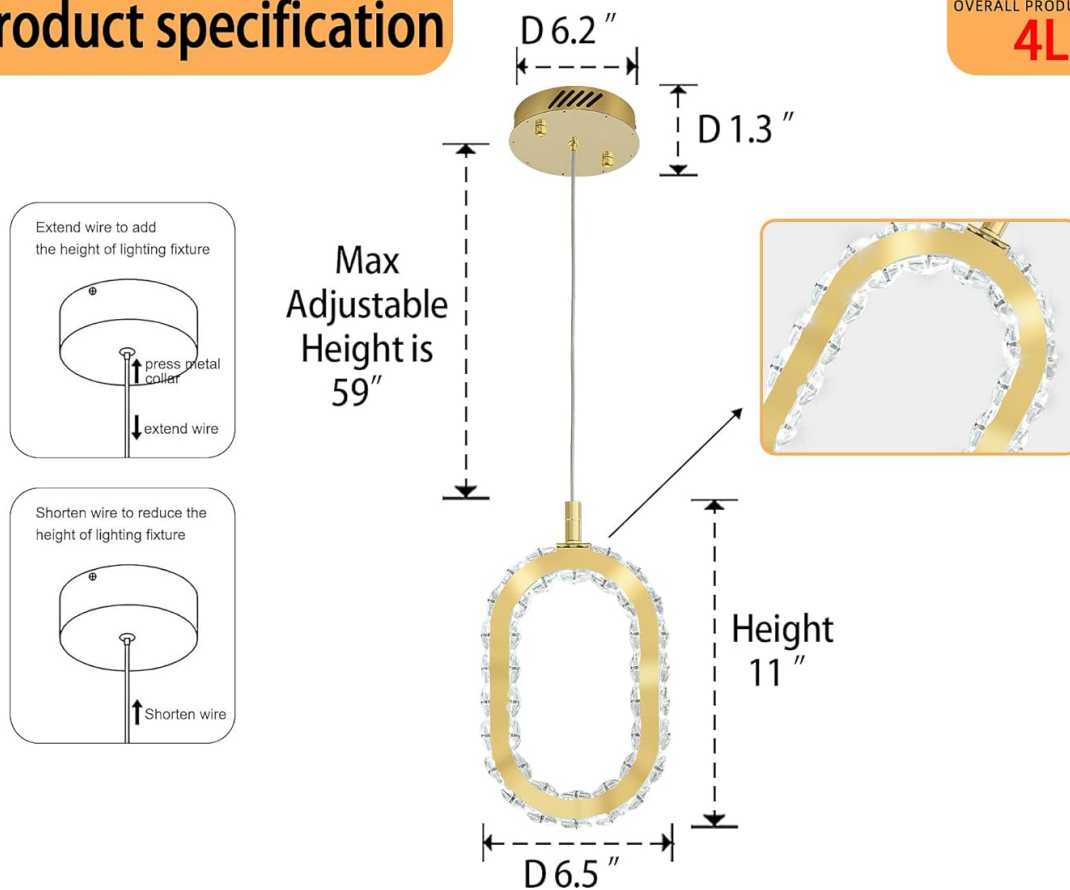

1. **Prepare the Ceiling:** Ensure the ceiling junction box is securely mounted and capable of supporting the fixture's weight.
2. **Mount the Ceiling Pan:** Attach the gold circular ceiling pan (diameter 6.2 inches) to the junction box using the provided mounting hardware.

- Adjust Height:** The pendant light features an adjustable cord with a total length of 59 inches. To adjust the height, press the metal power button on the ceiling pan to extend or shorten the wire as needed. Choose a suitable height for your space before finalizing the installation.
- Connect Wiring:** Connect the fixture's wires to the household electrical wires according to local electrical codes. Ensure all connections are secure.
- Secure Fixture:** Carefully tuck the wires into the junction box and secure the ceiling pan to the mounting bracket.
- Power On:** Once installation is complete, restore power at the circuit breaker.

This chandelier is designed for easy installation and can be installed on a sloped ceiling.

Product specification

OVERALL PRODUCT WEIGHT
4LB

Voltage: 110v

Material: stainless steel+crystal

Light Source: LED lamp beads

Light effect: 2700-6000K dimmable

Type: Chandelier

Image: Product specification diagram illustrating the dimensions of the ceiling pan (D 6.2", H 1.3"), crystal lamp shade (D 6.5", H 11"), and the maximum adjustable height of 59 inches. It also shows how to extend or shorten the wire for height adjustment.

OPERATING INSTRUCTIONS

Your IDEQUY Gold 1 Ring Pendant Light comes with an integrated 8W LED light source, offering versatile lighting options.

Lighting Features:

- Dimmable:** Adjust brightness from 5% to 100%.
- Adjustable Color Temperature:** Change the light color from warm white (3000K) to cool white

(6000K).

Control Methods:

The chandelier includes its own dimmers and can be controlled via the provided remote control or the 'Lampsmart pro' mobile application. **Note: This fixture cannot be connected to a standard wall dimmer switch; use only the remote or app for dimming and color temperature adjustments.**

MAINTENANCE

To maintain the appearance and performance of your pendant light, follow these simple guidelines:

- **Cleaning:** Gently wipe the metal and crystal surfaces with a soft, dry, or slightly damp cloth. Avoid

using abrasive cleaners, solvents, or polishes, as these can damage the finish and crystals.

- **Bulb Replacement:** The LED light source is integrated and not user-replaceable. If the LED fails, please contact customer support for assistance.

TROUBLESHOOTING

If you encounter any issues with your IDEQUY Gold 1 Ring Pendant Light, please refer to the following common solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power supply Loose wiring connection Faulty remote/app	Check circuit breaker and wall switch. Verify all wiring connections are secure (consult an electrician if unsure). Ensure remote has working batteries or app is correctly paired.
Light flickers or dims unexpectedly	Unstable power supply Interference with remote/app signal Incorrect dimmer usage	Consult an electrician to check power supply. Ensure no obstructions between remote and fixture; try controlling via app. Remember, this fixture is not compatible with external wall dimmers. Use only the provided remote or app.
Cannot change color temperature or brightness	Remote control issues App not connected Incorrect operation	Check remote batteries. Re-pair remote if necessary. Ensure 'Lampsmart pro' app is installed and connected to the fixture. Refer to the remote control or app instructions for proper usage.

If the problem persists after attempting these solutions, please contact IDEQUY customer support.
