PRODUCT OVERVIEW

Image: The Generic XG99 Translator Earbuds neatly placed within their charging case, showcasing the compact and portable design. The earbuds feature a sleek, silver finish with black accents.

The XG99 Translator Earbuds are designed for real-time language translation and audio playback. They consist of two earbuds and a portable charging case.

SETUP

1. Charging the Device

1. Place both earbuds into the charging case.
2. Connect the charging cable to the charging case and a suitable USB power source.
3. The indicator lights on the charging case will show the charging status. Ensure the device is fully charged before first use.

2. Downloading the AI Library App

To utilize the translation features, you must download the dedicated AI library application:

- Scan the QR code provided in the separate quick start guide (if available) or search for "AI Library" in your device's application store (e.g., Google Play Store, Apple App Store).
- Install the application on your smartphone or tablet.

3. Pairing with Your Device

1. Ensure your earbuds are charged and removed from the charging case. They should automatically enter pairing mode.

2. Enable Bluetooth on your smartphone or tablet.

3. Open the Bluetooth settings and search for available devices.

4. Select "XG99" (or similar name) from the list to connect.

5. Once connected, open the AI Library app and follow the in-app instructions to bind the earbuds for translation functionality.

OPERATING INSTRUCTIONS

Basic Controls

The XG99 earbuds feature touch controls for various functions:

- **Power On/Off:** Earbuds power on automatically when removed from the case and power off when returned.

- **Play/Pause:** Single tap on either earbud.

- **Next Track:** Double tap on the right earbud.

- **Previous Track:** Double tap on the left earbud.

- **Answer/End Call:** Single tap on either earbud during an incoming call.

- **Reject Call:** Press and hold either earbud for 2 seconds.

Translation Modes

The XG99 offers four distinct translation modes, accessible via the AI Library app:

- **Mute Mode:** For private listening to translated speech.

- **Speaker Mode:** Translates and plays audio through your phone's speaker, suitable for group conversations.

- **Earphone Mode:** One earbud translates for you, while the other person speaks into your phone.

- **Dual Ear Mode:** Each person wears one earbud for seamless two-way translation.

Using Translation Features

1. Open the AI Library app on your paired device.

2. Select the desired source and target languages from the extensive list of over 80 supported languages.

3. Choose one of the four translation modes based on your interaction needs.

4. Speak clearly into the earbud's microphone (or your phone's microphone in Speaker Mode). The app will process and translate your speech in real-time.

5. The translated audio will be played through the earbuds or your phone's speaker, depending on the selected mode.

MAINTENANCE

Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure no moisture enters the charging ports or speaker grilles.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Keep the device in a cool, dry place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Earbuds Not Pairing/Connecting

- Ensure both earbuds are charged.

- Turn off and on Bluetooth on your device.

- Forget the "XG99" device in your Bluetooth settings and attempt to pair again.

- Restart your smartphone/tablet.

No Sound or Poor Audio Quality

- Check the volume levels on both your earbuds and your connected device.

- Ensure the earbuds are properly seated in your ears.

- Clean any debris from the speaker grilles.

- Move closer to your connected device to avoid interference.

Translation Not Working or Inaccurate

- Ensure the earbuds are correctly bound within the AI Library app.

- Verify that your smartphone has an active internet connection (Wi-Fi or mobile data) as translation requires online processing.

- Check that the correct source and target languages are selected in the app.

- Speak clearly and at a moderate pace into the microphone.

- Update the AI Library app to the latest version.
