

DWVO MADWVP825J

DWVO Black TV Stand with Mount & Power Outlet Instruction Manual

Model: MADWVP825J

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your DWVO Black TV Stand with Mount & Power Outlet. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

SAFETY INFORMATION

Ensure the TV stand is placed on a stable, level surface. Do not exceed the load limit of 300 lbs. Use caution when handling tempered glass components to avoid potential injuries. Follow assembly instructions carefully to ensure proper stability and safety.

PRODUCT DIMENSIONS

The DWVO Black TV Stand is designed to accommodate TVs from 32 to 70 inches, with a maximum load capacity of 300 lbs. Detailed dimensions are provided below:

- **Overall Dimensions:** 15.7"D x 70"W x 23.6"H (35cm D x 178cm W x 58cm H)
- **Top Shelf Depth:** 13.8" (35cm)
- **Cabinet Interior Height:** 19.7" (50cm)
- **Center Shelf Height (Adjustable):** 6.9" (17.5cm) per level

PRODUCT SIZE

MAINTENANCE

To maintain the appearance and longevity of your DWVO TV Stand, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Glass Care:** Clean tempered glass shelves with a glass cleaner and a soft cloth.
- **LED Lights:** Ensure the LED strip and connections are dry. If issues arise, refer to the LED light strip's specific instructions.
- **Power Outlets:** Keep the power outlets free from dust and debris. Do not overload the outlets.
- **Stability:** Periodically check all fasteners and connections to ensure they remain tight.

TROUBLESHOOTING

If you encounter issues with your DWVO TV Stand, consider the following common solutions:

• **LED Lights Not Working:**

- Check if the power adapter is securely plugged into both the LED strip and a working wall outlet.
- Ensure the remote control has working batteries and is pointed directly at the receiver.
- Verify all connections between the LED strip, controller, and power adapter are firm.

• **Power Outlets Not Functioning:**

- Confirm the main power cord for the TV stand's power strip is securely plugged into a working wall outlet.
- Check if any circuit breakers on the power strip (if present) have tripped.
- Avoid exceeding the maximum load capacity of the power outlets.

• **Stand Instability:**

- Ensure the stand is on a flat, level surface.
- Tighten all assembly screws and bolts.
- Verify the adjustable feet are properly configured and making full contact with the floor.

If problems persist, please contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	DWVO
Model Number	MADWVP825J
Color	Black
