HOMCOM 837-087WT

HOMCOM 48.5" Kitchen Pantry Cabinet Instruction Manual

Model: 837-087WT | Brand: HOMCOM

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Capacity:** Do not exceed the total weight capacity of 110 pounds for this cabinet. Distribute weight evenly across shelves.
- **Assembly:** Follow assembly instructions carefully. Ensure all parts are correctly installed and fasteners are tightened securely.
- **Pinch Points:** Be cautious of pinch points during installation and when operating doors.
- **Anti-Tipping:** Always install the anti-tipping device provided to secure the cabinet to a wall, preventing accidental tipping, especially in households with children or pets.

PRODUCT OVERVIEW

The HOMCOM 48.5" Kitchen Pantry Cabinet (Model 837-087WT) is a compact, farmhouse-style storage solution designed for kitchens, dining rooms, or other living spaces. It features beadboard door fronts, black metal accents, and offers versatile storage with adjustable shelving.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts and hardware are present and undamaged. Refer to the included assembly manual for a detailed list of components. If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this cabinet. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. All parts are labeled for easy identification.

1. **Prepare Workspace:** Clear a spacious, clean, and flat area for assembly. Lay out all components and hardware.
2. **Assemble Frame:** Follow the manual to connect the main frame components using the provided fasteners. Ensure all connections are secure.
3. **Install Back Panel:** Attach the back panel to the assembled frame.
4. **Attach Doors:** Mount the four beadboard doors using the provided hinges and hardware. Adjust hinges

as necessary for proper door alignment.

5. **Install Shelves:** Insert the adjustable shelves into the desired positions. The cabinet features 2 adjustable and removable shelves, allowing for customized storage space.
6. **Install Handles:** Attach the black metal handles to the doors.
7. **Secure Anti-Tipping Device:** For safety, always attach the anti-tipping device to the back of the cabinet and secure it to a wall stud. This prevents accidental tipping.

OPERATING INSTRUCTIONS / USAGE

This HOMCOM pantry cabinet is designed for organizing various kitchen essentials, tableware, dinnerware, and glassware. Its compact design makes it suitable for dining rooms, garages, or laundry areas.

- **Adjustable Shelves:** The cabinet includes two adjustable and removable shelves. To adjust, remove items from the shelf, lift the shelf, and reposition the shelf pegs into the desired holes. Ensure the shelf is level and securely seated before placing items on it.
- **Door Operation:** The four beadboard doors open and close smoothly. The metal snaps ensure the doors remain securely closed when not in use.
- **Top Surface:** The top surface of the cabinet can be used for displaying decorative items or storing frequently accessed essentials.

FLEXIBLE DISPLAY SPACE

MAINTENANCE AND CARE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the painted finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause fading or warping.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Loose fasteners; uneven floor; anti-tipping device not installed.	Ensure all screws are tightened. Place shims under legs if floor is uneven. Install the anti-tipping device securely to a wall stud.

Problem	Possible Cause	Solution
Doors do not close properly or are misaligned.	Hinges are loose or improperly adjusted.	Check and tighten hinge screws. Adjust hinges as per the assembly manual to align doors.
Shelves are not level.	Shelf pegs not fully inserted or unevenly placed.	Ensure shelf pegs are fully inserted into corresponding holes on both sides and are at the same height.
