SETUP AND INSTALLATION

1. **Verify Compatibility:** Before installation, ensure your iPad model is either iPad Air 11 M3 A3266 (2025) or iPad Air 11 M2 A2902 (2024). The model number is typically found on the back of your iPad.
2. **Clean Your Device:** Gently wipe your iPad with a soft, lint-free cloth to remove any dust or smudges.
3. **Install the Inner Shell:** Carefully align your iPad with the hard transparent PC and TPE bumper inner shell. Press firmly around the edges until the iPad is securely seated within the shell. Ensure all ports and buttons align with the case cutouts.
4. **Attach the Magnetic Cover:** The outer magnetic cover can be easily attached to the back of the inner shell. The

strong magnets will snap it into place.

5. **Utilize the Pen Holder:** Insert your stylus into the designated pen holder slot on the side of the case.

OPERATING INSTRUCTIONS

Using the 360° Rotation Stand:

The integrated stand allows for versatile viewing and typing angles. The circular rotating mechanism on the back of the case enables 360-degree rotation, allowing you to switch between landscape and portrait orientations effortlessly. The stand itself can be folded out to prop up your iPad at various angles.

Multi-Layer Protection

Against splashing and falling

Detachable Magnetic Cover Functionality:

The magnetic cover can be folded back to create a stable stand for typing or viewing. For gaming or when a lighter profile is desired, the cover can be completely removed by gently pulling it away from the back of the case. When reattaching, simply align it with the back of the case, and the magnets will secure it.

Multi-Angle Design

Features four stand modes for flexible landscape and portrait viewing.

Automatic Sleep/Wake Feature:

The magnetic cover is designed to automatically put your iPad to sleep when closed and wake it up when opened. This feature helps conserve battery life. Ensure the cover is fully closed for the sleep function to activate.

MAINTENANCE AND CARE

- **Cleaning:** To clean the case, use a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the material.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Handling:** While the case offers robust protection, avoid unnecessary drops or impacts. Do not attempt to force the iPad into or out of the case.

TROUBLESHOOTING

Problem	Possible Cause	Solution
iPad does not fit the case.	Incorrect iPad model.	Verify your iPad model number (A3266 or A2902) against the case's compatibility. This case is specifically designed for iPad Air 11 M3 (2025) and iPad Air 11 M2 (2024).
Automatic sleep/wake feature not working.	Cover not fully closed; iPad settings.	Ensure the magnetic cover is fully closed and aligned. Check your iPad's settings under <i>Display & Brightness > Lock/Unlock</i> to ensure the "Lock/Unlock" feature is enabled.
Stand feels unstable.	Improper stand setup.	Ensure the stand is fully extended and locked into position. Adjust the angle to find a stable balance point for your desired viewing orientation.
