ENOMIR Bright

ENOMIR Smart Watch for Kids - 1.83" HD TouchScreen User Manual (Model: Bright)

Your guide to setting up, operating, and maintaining your ENOMIR Smart Watch.

1. PRODUCT OVERVIEW

The ENOMIR Smart Watch for Kids is designed to provide children aged 3-16 with a fun and functional wearable device. It features a 1.83" HD touchscreen, health monitoring capabilities, interactive games, and various utility functions. This watch can be used standalone or connected to a smartphone app for enhanced features and parental control.

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge your ENOMIR Smart Watch. Connect the provided magnetic charging cable to the charging port on the back of the watch and plug the USB end into a compatible power adapter (not included).

- **Charging Time:** Approximately 2 hours for a full charge.
- **Battery Life:** Up to 5-7 days of usage, 30 days standby.

Figure 3: The ENOMIR Smart Watch connected to its magnetic charging cable, illustrating the ease of charging.

3.2 Wearing the Watch

The watch features an adjustable silicone band designed to fit wrists from 4.33 inches to 7.48 inches. Ensure the watch is snug but comfortable on the wrist for accurate health monitoring.

4. OPERATING INSTRUCTIONS

4.1 Navigation

The watch features a 1.83" HD color touchscreen. Swipe left/right or up/down to navigate through menus and tap icons to select functions.

4.2 Health Monitoring

The watch provides 24-hour real-time tracking for several health metrics:

- **Heart Rate:** Monitors heart rate and alerts for abnormalities.
- **Blood Oxygen (SpO2):** Automatic detection of blood oxygen levels.
- **Sleep Monitor:** Measures sleep quality and duration (deep sleep, light sleep, awake time).

Figure 5: Visual representation of the watch's health monitoring features, including heart rate, blood oxygen, and sleep tracking.

4.3 Activity Tracking

Track daily activities and set goals to encourage healthy habits:

- **80+ Exercise Modes:** Real-time recording of calories, steps, and distance for various sports.
- **Pedometer:** Counts daily steps.
- **Calorie Tracker:** Monitors calories burned.
- **Distance Tracker:** Records distance covered.

4.4 Entertainment & Learning

- **5 Puzzle Games:** Engage children's thinking, calculation, and reaction skills.
- **Customizable Dials:** Choose from 100+ dials or create custom ones.
- **Alarm Clock:** Helps children develop independence and goal-setting habits.
- **Flashlight:** A convenient built-in light.
- **Stopwatch & Timer:** Useful tools for various activities.
- **Camera & Video:** Capture photos and videos directly from the watch.
- **Music Player:** Listen to music (requires connection to app for content transfer).
- **Recorder:** Record audio.
- **Calculator & Calendar:** Basic utility tools.
- **Learning Cards:** Educational flashcards for learning to read and numbers.

4.5 App Connection & Parental Control (Optional)

The ENOMIR Smart Watch can be used standalone. For extended features and parental control, connect it to the companion app (compatible with Android 6.0+ and iOS 9.0+ smartphones).

- **Parental Control:** Limit game usage time or lock games entirely.
- **Daily Habits:** Set hydration reminders, sedentary alerts, and wake-up/bedtime alarms.
- **Data Storage:** View detailed health and activity data.
- **Notifications:** Receive call and message notifications on the watch when connected to a smartphone.

5. MAINTENANCE

5.1 Waterproofing

The watch is IP68 rated, making it sweatproof and waterproof. It can withstand splashes, hand washing, rain, and even bathing without issue. However, it is not recommended for prolonged submersion or hot water activities.

Figure 10: Two children playing by a pool, highlighting the IP68 waterproof feature of the ENOMIR Smart Watch.

5.2 Cleaning

Wipe the watch and band regularly with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials that could damage the device.

6. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged.
- **Inaccurate readings:** Ensure the watch is worn snugly on the wrist.
- **App connectivity issues:** Check Bluetooth connection on your smartphone and ensure the app is updated.

If you encounter any problems, please refer to the detailed instructions in the included manual or contact customer service.

Customer Service: ENOMIR offers 24-hour customer service to assist with any product issues.
