FelixKing FK5088

FelixKing Executive Office Chair

MODEL: FK5088

Introduction

This manual provides essential information for the safe and efficient use of your FelixKing FK5088 PU Leather Executive Office Chair. Please read these instructions carefully before assembly and operation, and retain them for future reference.

The FelixKing FK5088 chair is designed for comfort and support, featuring an ergonomic mid-back design, adjustable height, flip-up armrests, a rocking function, and durable construction with high-quality PU leather.

PRODUCT DIMENSIONS

Simple Installation

Max 6.5 Ft

Safety Information

- Always follow the assembly instructions carefully to ensure the chair is properly assembled and stable.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg).
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten as necessary.
- Avoid standing on the chair or using it as a step stool.
- Keep children and pets away from the chair during assembly.

Setup and Assembly

Your FelixKing FK5088 chair includes detailed assembly instructions within the packaging. Please refer to these instructions for a step-by-step guide to assembling your chair.

Operating Instructions

1. Height Adjustment

To adjust the chair's height, locate the lever on the right side beneath the seat. Pull the lever upwards while seated to lower the chair, or pull the lever upwards while standing to raise the chair. Release the lever at your desired height.

90°

FLIP-UP ARMREST

Saving space for more freedom

Easy To Lift

90°-120°

REGULATION

Relax your body at work

360 ° Rotation

10cm Up And Down Adjustment

Image: Demonstrates the chair's adjustable features, including the 90° flip-up armrests, 90°-120° tilt regulation, and 10cm up and down height adjustment.

2. Flip-Up Armrests

The armrests can be rotated vertically by 90 degrees. This feature allows you to push the chair further under your desk, saving space when not in use, or to adjust for different activities.

Image: A brown executive office chair with its armrests flipped up, illustrating the space-saving feature.

3. Rocking Function

The right-side handle also controls the rocking function. Pull the handle outwards to enable the rocking motion, allowing the chair to tilt back. Push the handle inwards to lock the chair in an upright position. The tension adjustment knob, located beneath the seat, can be rotated to customize the resistance of the rocking motion.

4. Swivel Function

The chair features 360° silent swivel casters, allowing for smooth and quiet movement across various floor surfaces without causing distractions.

Maintenance

To maintain the quality and appearance of your FelixKing FK5088 chair, follow these simple care instructions:

- **Cleaning:** The high-quality PU leather is easy to clean. Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Inspection:** Periodically inspect all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Casters:** Keep the casters free of debris (hair, dust, etc.) to ensure smooth rolling.

Troubleshooting

If you encounter any issues with your FelixKing FK5088 chair, please consider the following:

- **Chair Wobbles:** Ensure all assembly bolts are securely tightened. Check that the chair is on a flat, even surface.
- **Height Adjustment Not Working:** Verify that the gas lift lever is fully engaged or disengaged as required. Ensure no obstructions are preventing the gas lift from functioning.
- **Casters Not Rolling Smoothly:** Check for any hair or debris caught in the casters and remove them.

For persistent issues or concerns not addressed here, please contact FelixKing customer support.
