Mirana Moonwalker MT-132

Mirana Moonwalker Smart Interactive AI Robot Instruction Manual

Model: MT-132

1. INTRODUCTION

Welcome to the world of interactive play with your new Mirana Moonwalker Smart Interactive AI Robot. This manual provides essential information for setting up, operating, and maintaining your robot to ensure a fun and engaging experience. Please read these instructions carefully before use.

2. PRODUCT OVERVIEW

The Mirana Moonwalker is an advanced interactive robot designed for children aged 3 years and above. It features Chat-GPT powered AI for learning and conversation, dual control options (remote and app), an in-built Bluetooth speaker, and unique clap detection technology. The robot is USB Type-C rechargeable for convenience.

3. WHAT'S INCLUDED

- Mirana Moonwalker AI Robot (Red)
- Remote Control
- USB Type-C Charging Cable
- Instruction Manual

4. SETUP

4.1. Powering On/Off

- To power on the robot, press and hold the power button located on its chest until the eyes light up and you hear a greeting.
- To power off, press and hold the power button again until the robot shuts down.

4.2. Remote Control Battery Installation

The remote control requires 1 AA battery (included). Use a Phillips head screwdriver to open the battery

compartment on the back of the remote. Insert the battery, ensuring correct polarity, then close the compartment securely.

4.3. App Download and Connection

- Download the dedicated Mirana Moonwalker app from your device's app store.
- Ensure your robot is powered on.
- Open the app and follow the on-screen instructions to connect to your Moonwalker robot via Bluetooth.

5. CHARGING THE ROBOT

The Moonwalker robot is equipped with a USB Type-C charging port. Connect the provided USB Type-C cable to the robot's charging port and the other end to a compatible USB power source (e.g., computer, wall adapter). The robot's indicator light will show charging status. A full charge provides approximately 45 minutes of play.

6. OPERATING THE ROBOT

6.1. Remote Control Functions

Use the remote control to direct the robot's movements and activate various features:

- **Movement:** Use the directional arrows to move the robot forward, backward, turn left, or turn right.
- **Slide:** The robot can slide forward or backward.
- **Demo Mode:** Press the 'Demo' button for a pre-programmed sequence of movements and sounds.
- **Patrol Mode:** Activate 'Patrol' for the robot to move around autonomously.
- **Dance Mode:** Press 'Dance' to make the robot perform various dance routines.
- **Music:** Play built-in music tracks.
- **Program:** Create custom sequences of actions.
- **Volume Control:** Adjust the robot's sound volume.

6.2. App Control Functions

The Mirana Moonwalker app offers enhanced control and interactive gameplay:

- **Direct Control:** Use the app's virtual joystick for precise movement.
- **AI Games:** Engage in educational and entertaining AI-powered games.
- **AR Games:** Experience augmented reality games that integrate the robot into your environment.
- **Voice Chat:** Interact with the robot's Chat-GPT AI for conversations and learning.

PLAY AI MULTIPLE GAMES

Time Travellers is an engaging audio game series where children go on exciting historical adventures through interactive quizzes

? HEY THERE! I'M MOONEY.
What kind of history do you like -pirates, ancient Egypt, or famous inventors?"

ANSWER:
I like ancient Egypt

8. MAINTENANCE

- **Cleaning:** Wipe the robot with a soft, dry cloth. Do not use harsh chemicals or immerse in water.
- **Storage:** Store the robot in a cool, dry place away from direct sunlight when not in use.
- **Battery Care:** Fully charge the robot before long-term storage to preserve battery life.

9. TROUBLESHOOTING

- **Robot not responding:** Ensure the robot is powered on and fully charged. Check the remote control batteries. Verify app connection if using app control.
- **Talk-back feature glitches:** If the talk-back feature stops working, try turning the robot off and on again to reset it.
- **App connectivity issues:** Ensure Bluetooth is enabled on your device and the robot is within range. Close and reopen the app, or restart your device if issues persist.
- **Robot not moving smoothly:** Ensure the robot is on a flat, clear surface. Avoid carpets or uneven terrain.

10. SAFETY INFORMATION

- **Choking Hazard:** This toy contains small parts and is not suitable for children under 3 years of age.
- Always supervise children during play.
- Do not overcharge the battery.
- Keep away from water and extreme temperatures.

11. SPECIFICATIONS

- **Brand:** Mirana
- **Model Name:** Moonwalker
- **Model Number:** MT-132
- **Toy Figure Type:** Interactive Gaming Figure
- **Material Type:** Plastic
- **Color:** Red
- **Item Dimensions (L x W x H):** 5.6" x 3.4" x 7.08"
- **Item Weight:** 0.5 Ounces
- **Power Source:** Rechargeable battery (USB Type-C)
- **Manufacturer Minimum Age:** 36 Months
- **Educational Objective:** Learning
