Altec Lansing IMW1002-FDTURQ-STK-2

Altec Lansing Hydramini 2.0 Portable Bluetooth Speaker User Manual

Brand: Altec Lansing | Model: IMW1002-FDTURQ-STK-2

1. PRODUCT OVERVIEW

The Altec Lansing Hydramini 2.0 is a portable Bluetooth speaker designed to deliver high-quality audio in various environments. It features a robust, waterproof design and offers extended battery life, making it ideal for outdoor adventures and everyday use. Its compact size and versatile mounting options provide convenience and flexibility.
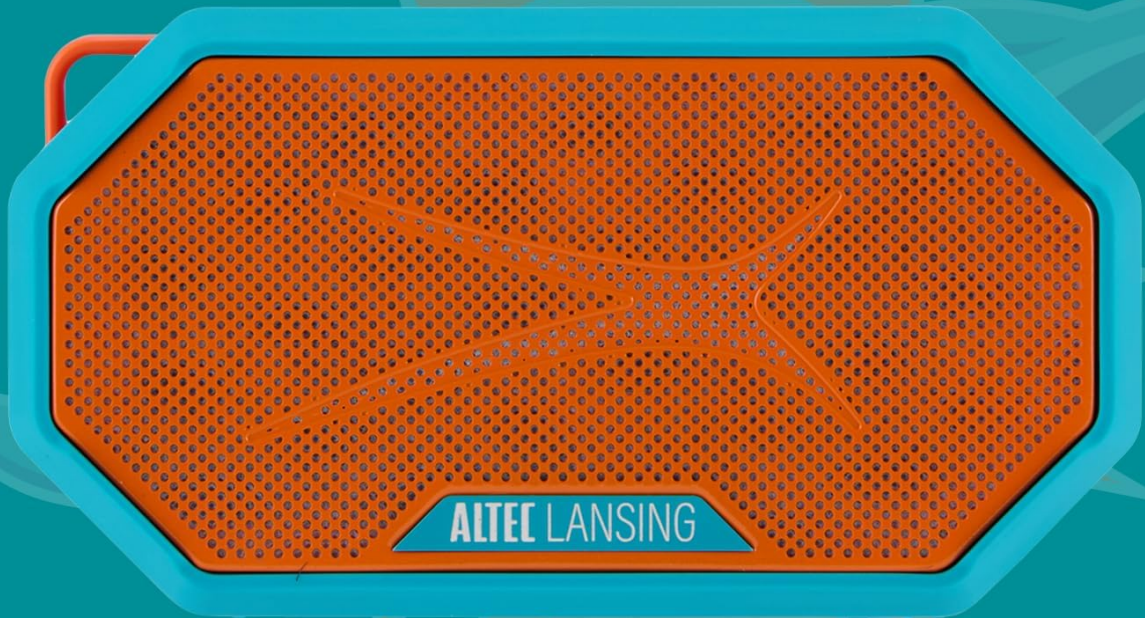

Key Features:

- **Superior Sound Quality:** Immerse yourself in an exceptional audio experience with the portable speaker. It features an 8-watt RMS output and 2-inch full-range Neo drivers, delivering rich, immersive sound with deep bass and clear highs.

- **Durable and Reliable:** The wireless Bluetooth speaker boasts an IP67 water and dustproof rating, ensuring durability in water, sand, snow, and shock. Its floating design makes it perfect for poolside parties and beach adventures, adding fun to all your experiences.

- **Extended Playtime:** Keep the music going all day with the Hydramini 2.0's impressive 12-hour battery life. With a 400 mAh battery, it offers 30% more playtime than its predecessor, allowing you to enjoy uninterrupted entertainment wherever you are.

- **Seamless Connectivity:** Stay connected up to 100 feet with wireless Bluetooth technology. Pair two Hydra speakers together for true wireless stereo sound, creating an immersive listening experience that fills any space with high-quality audio.

- **Convenient Features:** Enjoy fast USB-C charging in 3 hours. Use voice assistant integration for hands-free control with Siri or Google Assistant. With a carabiner clip and magnetic base, enjoy music and securely attach your external speakers anywhere.

2. SETUP GUIDE

Charging the Speaker:

Before first use, fully charge your Hydramini 2.0 speaker. The speaker features USB-C fast charging, allowing a full charge in approximately 3 hours.

1. Locate the USB-C charging port on the speaker. It is typically covered by a protective flap to maintain its waterproof rating.
2. Open the protective flap and insert the USB-C charging cable (included) into the port.
3. Connect the other end of the USB-C cable to a compatible USB power adapter (not included) or a computer's USB port.
4. The charging indicator light will illuminate, typically red, while charging and turn off or change color when fully charged.

Bluetooth Pairing:

To connect your Hydramini 2.0 speaker to a Bluetooth-enabled device:

1. Ensure the speaker is charged and powered on. The Bluetooth indicator light will begin to flash, indicating it's in pairing mode.
2. On your device (smartphone, tablet, computer), navigate to the Bluetooth settings.
3. Search for available devices. The speaker will appear as "Hydramini 2.0" or a similar name.
4. Select the speaker from the list to initiate pairing. Once connected, the Bluetooth indicator light on the speaker will become solid.
5. You can now stream audio wirelessly from your device to the speaker from up to 100 feet away.

True Wireless Pairing (TWS):

For an immersive stereo sound experience, you can pair two Hydramini 2.0 speakers together:

1. Ensure both Hydramini 2.0 speakers are powered on and not connected to any other Bluetooth device.

2. On one speaker, press and hold the Pairing button (often indicated by a chain link or infinity symbol) until you hear a tone or see a specific light pattern indicating TWS pairing mode.

3. The two speakers will automatically search for and connect to each other. Once connected, one speaker will act as the primary (left channel) and the other as the secondary (right channel).

4. Now, connect your Bluetooth device to the primary speaker as described in the Bluetooth Pairing section. Audio will play in stereo across both speakers.

3. OPERATING INSTRUCTIONS

Speaker Controls:

The Hydramini 2.0 features intuitive controls located on the top surface:

- **Power Button (On/Off):** Press and hold to power the speaker on or off.
- **Volume Down (-):** Press to decrease the volume.

- **Volume Up (+):** Press to increase the volume.
- **Voice Assistant Button (Microphone icon):** Press to activate your device's voice assistant (Siri, Google Assistant).
- **Pairing Button (Chain link/Infinity symbol):** Press to enter Bluetooth pairing mode or initiate True Wireless Pairing.

Using the Voice Assistant:

The Hydramini 2.0 integrates with your smartphone's voice assistant for hands-free control:

1. Ensure your speaker is connected to your smartphone via Bluetooth.
2. Press the Voice Assistant button on the speaker.
3. Your phone's voice assistant (e.g., Siri, Google Assistant) will activate, and you can issue commands through the speaker's microphone.

Mounting and Portability:

The Hydramini 2.0 offers multiple ways to carry and position it:

- **Carabiner Clip:** Use the included carabiner clip to attach the speaker to backpacks, belt loops, or other gear for easy transport.
- **Magnetic Base:** The speaker features a strong magnetic base, allowing it to securely stick to most metal surfaces.
- **Mount Included:** A mount is included for attaching the speaker to various surfaces, such as bicycle handlebars.

4. MAINTENANCE AND CARE

The Hydramini 2.0 is designed to be durable and resistant to water, sand, snow, and shock (IP67 rated). To ensure its longevity and optimal performance, follow these care guidelines:

- **Cleaning:** If the speaker gets dirty, gently wipe it with a damp cloth. For sand or debris, rinse it under fresh water, ensuring the charging port flap is securely closed. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** After exposure to water, ensure the speaker is completely dry before opening the charging port flap or attempting to charge it.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Port Protection:** Always keep the rubber flap covering the USB-C charging port securely closed when not charging to maintain its waterproof integrity.

5. TROUBLESHOOTING

If you encounter issues with your Hydramini 2.0 speaker, try the following solutions:

Problem	Possible Cause	Solution
Speaker does not turn on.	Low battery.	Charge the speaker fully using the USB-C cable.
No sound from speaker.	Volume too low; Not paired correctly; Device volume too low.	Increase speaker volume; Re-pair the speaker with your device; Increase volume on your connected device.
Bluetooth connection is unstable or drops.	Device is too far from speaker; Obstructions between devices; Interference.	Move your device closer to the speaker (within 100 ft); Remove any large obstructions; Avoid areas with strong Wi-Fi or other wireless signals.
Cannot pair two speakers for TWS.	Speakers already connected to another device; Incorrect pairing procedure.	Ensure both speakers are disconnected from other devices; Follow the True Wireless Pairing steps precisely.
Voice Assistant not responding.	Speaker not connected to phone; Phone's voice assistant not enabled.	Ensure Bluetooth connection is active; Check your phone's settings to confirm voice assistant is enabled.

If the problem persists after trying these steps, please refer to the manufacturer's support resources.

6. SPECIFICATIONS

Feature	Detail
Brand	Altec Lansing
Model Name	Bluetooth Speakers
Item Model Number	IMW1002-FDTURQ-STK-2
Connectivity Technology	Bluetooth
Maximum Speaker Output Power	8 Watts
Speaker Type	Subwoofer
