

G-TiDE R8 Pro

G-TiDE R8 Pro Smartwatch User Manual

Model: R8 Pro (also known as S6 PRO)

INTRODUCTION

Welcome to the G-TiDE R8 Pro Smartwatch user manual. This guide provides detailed instructions on how to set up, operate, and maintain your smartwatch, ensuring you get the most out of its features. The G-TiDE R8 Pro combines advanced technology with a sleek design, offering a seamless experience for health monitoring, communication, and daily convenience.

SETUP

1. Initial Charging

Before first use, fully charge your G-TiDE R8 Pro smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included). A full charge typically takes approximately 2 hours.

2. App Installation (Wearfit Pro)

To unlock all features and synchronize data, download the **Wearfit Pro** app on your smartphone.

- **For iOS devices:** Search for "Wearfit Pro" in the Apple App Store. Requires iOS 9.0 or higher.
- **For Android devices:** Search for "Wearfit Pro" in the Google Play Store. Requires Android 4.4 or higher.

3. Device Pairing

1. Ensure your smartwatch is charged and powered on.
2. Enable Bluetooth on your smartphone.
3. Open the Wearfit Pro app and follow the on-screen instructions to add a new device.
4. Select "G-TiDE R8 Pro" (or "S6 PRO") from the list of available devices.
5. Confirm the pairing request on both your smartphone and smartwatch.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touchscreen:** Swipe, tap, and long-press to navigate menus and select functions.
- **Functional Buttons:** The smartwatch features two functional buttons for quick access to features or returning to the home screen.
- **Motion Sensor:** The screen will automatically turn on when you raise your hand.

Communication Features

- **Calls:** Make and answer calls directly from your smartwatch. You can also synchronize contacts from your mobile phone.
- **Notifications:** Receive notifications from social media apps (e.g., Facebook, WhatsApp, Instagram) with their respective logos displayed.

Health Monitoring

- **Heart Rate (HR) Monitor:** Continuous 24/7 heart rate tracking.
- **Blood Oxygen:** Monitor your blood oxygen levels.
- **Breathing Exercises:** Guided breathing exercises to help manage stress.

AI and Smart Features

- **Real-time Translator:** Translate words and sentences directly from your watch.
- **Wearfit GPT AI Chat:** Interact with an advanced AI assistant.

- **AI Watch Face Generation:** Describe your desired watch face, and the AI can generate it.

Media and Entertainment

- **Music Storage:** Store your favorite songs on the watch and listen anytime.
- **E-book Storage:** Carry your favorite e-books on your smartwatch for access at any moment.
- **Games:** Includes two pre-installed games for entertainment.
- **Voice Recorder:** Record audio directly from your watch.

Sports Modes

The smartwatch offers various sports modes to track your activities, including:

- Walking
- Running
- Cycling
- Mountaineering
- Basketball
- Football

These modes track metrics such as distance, heart rate, and calories burned.

Additional Utilities

- **Remote Camera Control:** Control your smartphone's camera remotely.
- **Timer & Stopwatch:** Built-in timing functions.
- **Calculator:** Perform basic calculations.
- **Alarm:** Set alarms for reminders.
- **Find Phone:** Locate your paired smartphone by triggering an alarm.
- **Multiple Languages:** Supports various languages.
- **Time and Date:** Displays current time and date.

Customization

- **Interchangeable Straps:** Compatible with 22mm silicone straps. The product includes three interchangeable straps.
- **Menu Styles:** Choose from 6 fluid menu styles.
- **AI Watch Face Generation:** Personalize your watch face using AI.

MAINTENANCE

Charging

Use the provided magnetic charging cable. Ensure the charging contacts on the watch and cable are clean and dry before connecting. **Important: Do not charge the watch when it is wet. Wait until it is completely dry.**

Water Resistance (IP67)

The G-TiDE R8 Pro Smartwatch has an IP67 rating, meaning it is resistant to dust and can withstand immersion in water up to 1 meter for 30 minutes. It is protected against splashes and daily use. However, it is **not suitable for swimming, showering, or immersion in saltwater or chlorinated water**. Prolonged exposure to water or use in high-pressure water environments may damage the device.

Cleaning

Wipe the watch and strap with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged.
- **Cannot pair with phone:**
 - a. Ensure Bluetooth is enabled on your phone.
 - b. Make sure the Wearfit Pro app is open.
 - c. Restart both the watch and your phone.
 - d. Ensure the watch is within Bluetooth range of your phone.
- **Notifications not received:**
 - a. Check app notification settings in Wearfit Pro.
 - b. Ensure your phone's notification permissions are granted to Wearfit Pro.
 - c. Verify Bluetooth connection is stable.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose.
Clean the sensor on the back of the watch.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous health monitoring if not required.
