SONGMICS ULGS323B01S 7-Drawer Dresser Instruction Manual

Model: ULGS323B01S

INTRODUCTION

Thank you for choosing the SONGMICS ULGS323B01S 7-Drawer Dresser. This manual provides essential information for the safe assembly, proper use, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

Important Safety Information

- Always attach the anti-tip device to the wall to prevent serious injury from tipping furniture.
- Do not exceed the maximum load capacities: Top surface 40 kg (88 lbs), Large drawers 10 kg (22 lbs) each, Small drawers 5 kg (11 lbs) each.
- Keep small parts away from children during assembly.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten as necessary.
- Place the dresser on a level surface. Use the adjustable feet to stabilize if needed.

PACKAGE CONTENTS

Before starting assembly, please verify that all components and hardware listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

ASSEMBLY INSTRUCTIONS

The SONGMICS ULGS323B01S dresser requires assembly. Detailed instructions, clearly marked parts, and the necessary tools are included in your package for a straightforward setup process. Follow the step-by-step guide provided with your product.

Key Assembly Steps and Features:

- **Frame Assembly:** Construct the steel frame according to the diagrams. Ensure all screws are finger-tightened initially, then fully tighten once the frame is stable.
- **Drawer Installation:** Insert the MDF-supported fabric drawers into their designated slots. Ensure they slide smoothly.
- **Anti-Tip Device:** Securely attach the anti-tip strap to the back of the dresser and then to a wall stud using appropriate hardware. This is a critical safety step.
- **Adjustable Feet:** Use the adjustable feet at the bottom of the dresser to level the unit on uneven floors, ensuring stability.

Sturdy and Durable

Image: Versatile placement options for the dresser in an entryway, living room, and bedroom.

Drawer Functionality:

- The non-woven fabric drawers are supported by MDF structures to maintain their shape and prevent sagging, even when pulled out.
- Use the handles to smoothly open and close the drawers.

Rigid, MDF-Supported Drawers

Ours

Maintain shape when pulled out

Others

Easily deform when pulled out

MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the steel frame and particleboard top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as needed.
- **Environment:** Avoid placing the dresser in direct sunlight or in areas with high humidity to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Wobbly Dresser:** Ensure all screws are fully tightened. Adjust the leveling feet on the bottom of the frame to stabilize the unit on uneven floors.
- **Drawers Not Sliding Smoothly:** Check that the drawers are inserted correctly and are not overloaded. Ensure the frame is assembled squarely.
- **Missing Parts:** Double-check the packaging. If parts are genuinely missing, contact customer support with your purchase details.

For further assistance, please contact SONGMICS customer service.
