1. PRODUCT OVERVIEW

The SONGMICS ULGS322B01S is a versatile 5-drawer dresser designed for various storage needs in your home. It features a sturdy steel frame, a durable particleboard top, and five non-woven fabric drawers with MDF structures. This unit can function as a chest of drawers, a storage organizer, or even a TV stand.

Key Features:

- **Versatile Design:** Suitable for closets, hallways, living rooms, bedrooms, and offices. Can also serve as a TV stand.
- **Ample Storage:** Features a spacious top surface and five drawers (three small, two large) for organized storage.
- **Solid Construction:** Built with a steel frame, particleboard top, and non-woven fabric drawers with MDF support for durability.
- **Enhanced Stability:** Includes adjustable feet for uneven floors and an anti-tip kit for safety.
- **Easy Assembly:** Designed for quick and hassle-free setup with detailed instructions and included tools.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

Important Safety Precautions:

- **Anti-Tip Kit:** Always install the included anti-tip kit to prevent the dresser from tipping over, especially in households with children or pets. Securely fasten it to a wall stud.
- **Weight Limits:** Do not exceed the maximum weight capacities:
 - Top surface: 88 lb (40 kg)
 - Each large drawer: 22 lb (10 kg)
 - Each small drawer: 11 lb (5 kg)
- **Even Distribution:** Distribute weight evenly across the top surface and within drawers to maintain stability.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are tightened securely before use.
- **Children:** Do not allow children to climb on or play with the dresser. Keep small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Components List:

- Steel Frame Components
- Particleboard Top Panel
- Non-Woven Fabric Drawers (3 small, 2 large) with MDF bases
- Drawer Handles
- Adjustable Feet
- Anti-Tip Kit
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tool (e.g., Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your SONGMICS 5-drawer dresser. It is recommended to have a second person assist with assembly for easier handling.

Step-by-Step Assembly:

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface. Refer to the parts list in your manual to identify each piece.
2. **Assemble the Frame:** Connect the steel frame components using the provided hardware. Ensure all connections are secure but do not overtighten initially.
3. **Attach Top Panel:** Secure the particleboard top panel to the assembled steel frame.
4. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. Adjust them later to level the unit.
5. **Prepare Drawers:** Insert the MDF bases into the non-woven fabric drawers. Attach the handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled drawers into their respective slots in the frame.
7. **Install Anti-Tip Kit:** Follow the specific instructions provided with the anti-tip kit to securely fasten the dresser to a wall. This is a critical safety step.
8. **Final Tightening:** Once the dresser is in its final position and leveled, go back and fully tighten all screws and fasteners.

5. OPERATING INSTRUCTIONS

This dresser is designed for organizing various items in your home. Follow these guidelines for optimal use:

- **Drawer Usage:** Gently pull and push drawers to open and close. Avoid forcing them.
- **Weight Distribution:** Always adhere to the specified weight limits for the top surface and individual drawers to prevent damage or instability.
- **Leveling:** Use the adjustable feet to ensure the dresser is level on uneven floors. This prevents wobbling and ensures smooth drawer operation.

6. MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the particleboard top and steel frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Do not place hot items directly on the top surface. Promptly wipe up any spills to prevent damage to the particleboard.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Dresser wobbles	Uneven floor; loose connections	Adjust the leveling feet at the bottom of the frame. Ensure all frame screws are tightened.
Drawers do not slide smoothly	Drawer not properly inserted; obstruction; frame not level	Remove the drawer and reinsert it correctly. Check for any items obstructing the drawer path. Verify the dresser is level using the adjustable feet.
Missing parts	Packaging error	Contact customer support with your purchase details and the specific missing parts.
