Merax 32471718WAA

Merax Loft Bed with Slide and 3-Step Ladder Instruction Manual

Model: 32471718WAA

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Merax Loft Bed with Slide and 3-Step Ladder. Please read this manual thoroughly before assembly and use to ensure safe and proper functionality.

SAFETY INFORMATION

WARNING: This product contains safety warnings. Please read all instructions carefully before use.

- Ensure all components are securely fastened during assembly. Loose parts can cause instability.
- The top bunk is equipped with solid protective barriers to prevent falls. Always ensure these barriers are properly installed and maintained.
- Only one person should use the slide at a time. Supervise children during slide use.
- Do not allow children under 6 years of age on the top bunk.
- Use only a mattress of the specified size (90x200cm) to ensure proper fit and safety rail effectiveness.
- Regularly check all bolts and connections to ensure they remain tight.
- Keep the area around the slide clear of obstructions.

SETUP AND ASSEMBLY

Assembly of the Merax Loft Bed is required. It is recommended that two adults perform the assembly. Please follow the steps below carefully. Refer to the provided diagrams for visual guidance.

Required Tools (Not Included):

- Phillips head screwdriver

- Hex key (often included with hardware, but a set is useful)
- Rubber mallet (optional, for gentle tapping)

Package Contents:

Verify all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

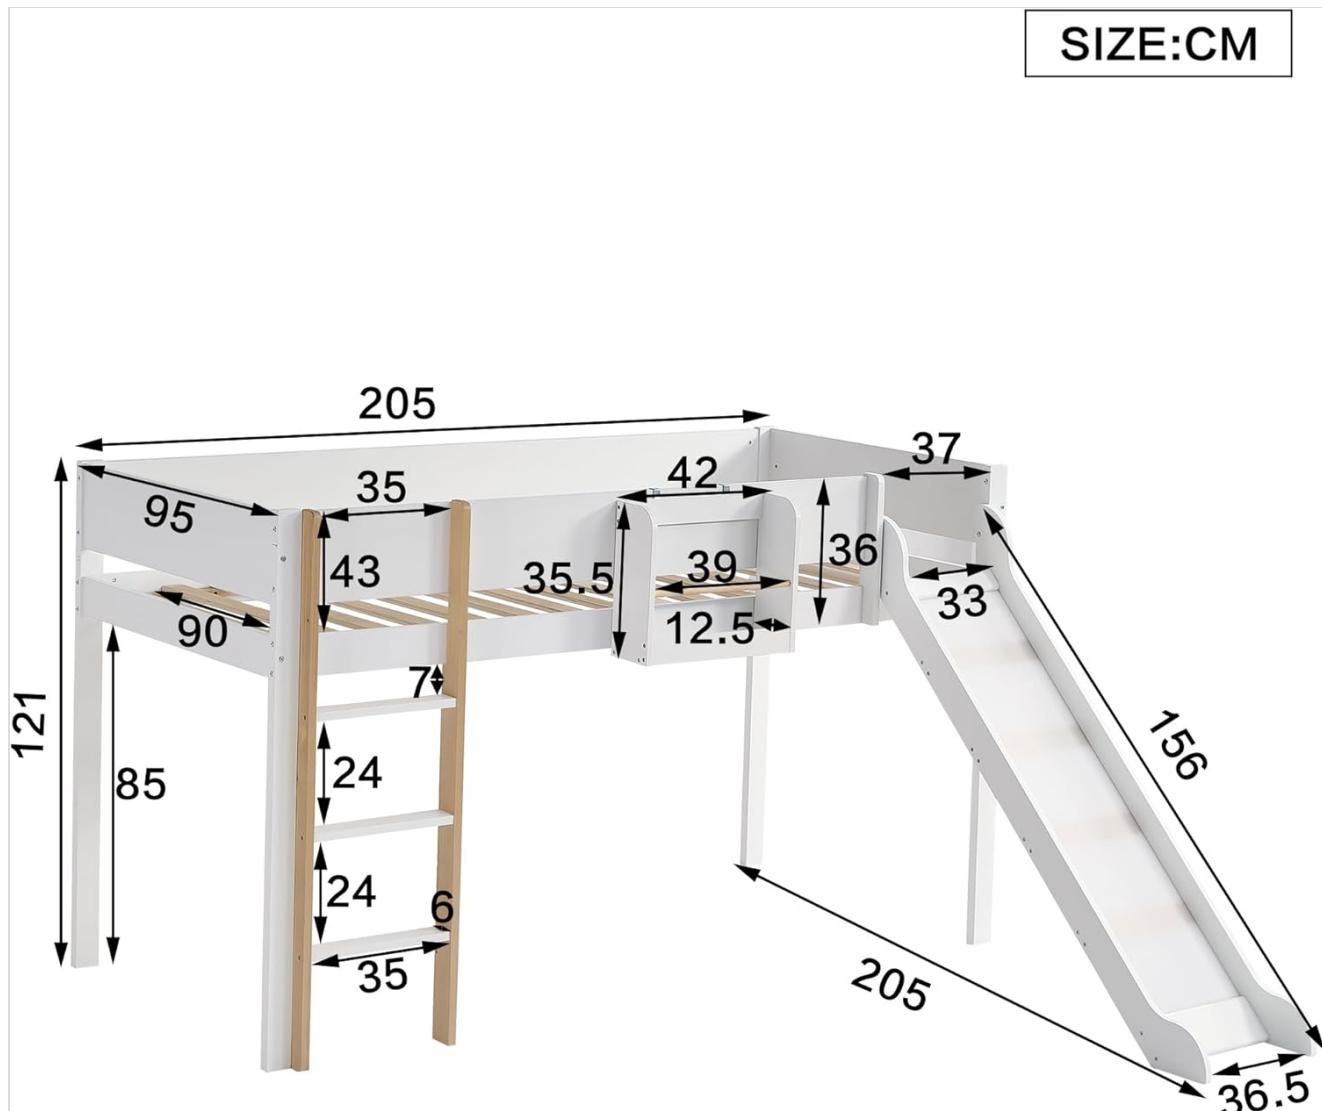

Figure 1: Dimensions diagram of the Merax Loft Bed. This image shows the overall length (205cm), width (95cm), and height (121cm) of the bed frame, along with detailed measurements for the ladder, slide, and integrated shelf. All measurements are in centimeters.

Assembly Steps:

- Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the provided hardware list and diagrams.
- Assemble Bed Frame:** Begin by connecting the main bed frame components. Ensure all wooden dowels and screws are properly aligned before tightening. Do not overtighten screws initially; tighten fully once the section is stable.
- Attach Ladder:** Secure the 3-step ladder to the designated side of the bed frame. Ensure the ladder is firmly attached and stable for safe climbing.
- Install Slide:** Attach the slide to the opposite side of the bed frame. Verify that the slide is securely mounted and stable.
- Mount Removable Shelf:** The shelf can be flexibly attached to the side of the bed. Choose your desired

position and secure it using the provided hardware.

6. **Insert Bed Slats:** Place the wooden bed slats into the designated slots on the bed frame. Ensure they are evenly spaced and securely seated.
7. **Final Tightening:** Once all components are in place, go back and fully tighten all screws and bolts. Do not overtighten to avoid damaging the wood.

Figure 2: A fully assembled Merax Loft Bed, showcasing the integrated slide, 3-step ladder, and the removable shelf. The bed is designed for children, providing both a sleeping area and a play element.

Figure 3: A detailed view of the removable shelf feature on the Merax Loft Bed. This shelf provides convenient storage for books or small items and can be positioned as needed.

OPERATING AND USAGE

The Merax Loft Bed is designed for children, offering a secure sleeping area and integrated play features.

Bed Usage:

- Place a mattress of size 90x200cm (not included) on the bed slats. Ensure the mattress fits snugly within the frame to maintain the effectiveness of the safety barriers.
- The bed is suitable for children aged 6 years and older for the top bunk.

Ladder and Slide:

- The 3-step ladder provides safe access to the upper sleeping area. Always use the ladder for climbing up and down.
- The slide offers a fun way to descend from the bed. Ensure the landing area is clear before use. Supervise children to prevent misuse or accidents.

Removable Shelf:

- The integrated shelf can be used to store books, small toys, or other personal items, keeping them within easy

reach.

- Ensure items placed on the shelf are stable and do not pose a falling hazard.

Figure 4: The removable shelf of the Merax Loft Bed shown in use, holding several children's books. This illustrates its practical application for bedside storage.

MAINTENANCE

Regular maintenance will extend the life and ensure the safety of your Merax Loft Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose hardware to maintain structural integrity. This is especially important for the ladder and slide attachments.
- **Wood Care:** The bed is constructed from pine and MDF. Protect it from excessive moisture and direct sunlight to prevent warping or fading.

TROUBLESHOOTING

If you encounter any issues with your Merax Loft Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed feels unstable or wobbly.	Loose hardware.	Check and tighten all screws and bolts. Ensure all connections are secure.
Missing parts or hardware during assembly.	Packaging error or lost during unpacking.	Carefully re-check all packaging materials. If parts are still missing, contact customer support with your purchase details.
Slide seems too steep or difficult to use.	This is a design characteristic.	Ensure proper supervision during slide use. Children should be instructed on safe sliding techniques.
Screws causing marks or damage during assembly.	Overtightening or misalignment.	Exercise caution and do not overtighten screws. Ensure pilot holes are correctly aligned before inserting screws. If damage occurs, contact customer support for advice.

SPECIFICATIONS

Brand: Merax

Model Number: 32471718WAA

Color: White + Natural

Product Dimensions (L x W x H): 205 cm x 95 cm x 121 cm

Compatible Mattress Size: 90x200 cm (Mattress not included)

Materials: Solid Pine, MDF

Assembly Required: Yes

UPC: 198573956630

Form Factor: Loft Bed

WARRANTY AND SUPPORT

Warranty Information:

Specific warranty details for the Merax Loft Bed are typically provided with your purchase documentation. Please refer to the warranty card or contact your retailer for information regarding warranty coverage and terms.

Customer Support:

For any questions, missing parts, or assistance with assembly or operation, please contact the retailer where you purchased the product or the Merax customer service department. Have your model number (32471718WAA) and purchase date ready when contacting support.
