Using the Convertible Design

The storage ottoman can be moved to either the left or right side of the main sofa unit to create a chaise lounge configuration. Simply detach it from one side and reattach it to the other as desired.

Storage Features

- **Storage Ottoman:** Lift the top of the ottoman to access the spacious storage compartment underneath. Ideal for blankets, pillows, or other living room essentials.
- **Side Pockets:** Utilize the convenient side pockets located on the arms of the sofa for storing remote controls, magazines, or small personal items.

Integrated Cup Holders and Charger

The sofa arms include built-in cup holders and a charging port (USB-A and USB-C) for added convenience. These features are designed to enhance your comfort and connectivity while using the sofa.

5. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Walsunny sofa.

Fabric Care

- **Regular Cleaning:** Vacuum regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. Use a mild, water-free solvent or dry-cleaning product for tougher stains, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading.

Frame and Cushion Care

- **Cushion Rotation:** Rotate and fluff cushions periodically to ensure even wear and maintain their shape.
- **Frame Inspection:** Periodically check all connections and fasteners to ensure they are secure. Tighten if necessary.

6. TROUBLESHOOTING

Common Issues and Solutions

- **Cushions not fully expanded:** Allow up to 48-72 hours for vacuum-packed cushions to fully expand after unpacking. Gentle fluffing can assist the process.
- **Sofa sections not aligning:** Ensure all connectors are properly engaged and the sections are pushed firmly together.
- **Wobbling:** Check that all legs are securely tightened and the sofa is on a level surface. Adjust leg levelers if present.
- **Fabric pilling:** This is normal with some fabrics. Use a fabric shaver to gently remove pills.
