QueenFun BLMB

QueenFun 60x30 Beveled Lighted Medicine Cabinet User Manual

Model: BLMB

Brand: QueenFun

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the installation, operation, and maintenance of your QueenFun 60x30 Beveled Lighted Medicine Cabinet. This versatile cabinet offers both surface-mount and recessed installation options, featuring integrated LED lighting, an anti-fog function, a digital clock, and convenient internal charging outlets. Please read this manual thoroughly before installation and use to ensure safe and optimal performance.

2. SAFETY INFORMATION

- Always disconnect power at the circuit breaker before installation or maintenance.
- Installation should be performed by a qualified electrician if hardwiring is required.
- Handle glass components with care to prevent breakage and injury.
- Ensure the mounting surface is structurally sound and can support the weight of the cabinet.
- Do not use abrasive cleaners or materials on the mirror or cabinet surfaces.
- Keep electrical components dry and away from water.

3. PRODUCT FEATURES

- **Beveled Edge Design:** Stylish 3D beveled edges on the mirror for an elegant finish.
- **Dimmable LED Lighting:** Integrated LED lights with stepless dimming (10%-100%) and three color temperatures (3000K warm, 4500K neutral, 6000K cool). Features a memory function to retain the last setting.
- **Anti-Fog Function:** Built-in defogger with a one-hour auto-off feature to keep the mirror clear after hot showers.
- **Digital Time Display:** Convenient integrated clock on the mirror surface.
- **Ample Storage:** Features 3 height-adjustable 8mm thick glass shelves and 9 compartments for organized storage.
- **Integrated Charging:** Dual 120V/2A power outlets and USB ports inside the cabinet for charging electric toothbrushes, razors, and other devices.
- **Soft-Close Hinges:** DTC soft-close hinges ensure smooth and quiet door operation.
- **Push-to-Open Mechanism:** For easy access to the cabinet interior.

- **Durable Construction:** Full aluminum body, rustproof, and IP54 waterproof rating suitable for humid bathroom environments.
- **Motion-Sensing LED Light:** Interior LED lighting activates when the cabinet doors are opened.

4. PACKAGE CONTENTS

Please ensure all components are present and undamaged before proceeding with installation.

- Medicine Cabinet Unit
- Glass Shelves (3)
- Installation Kit (Mounting Bracket, Screws, Wall Anchors, Reinforced Screws)
- User Manual

5. INSTALLATION

5.1 Mounting Options

Your QueenFun medicine cabinet can be installed using two methods: surface-mount or recessed-mount.

Figure 5.1: Outer Overall Dimensions for Surface and Recessed Mounting (60x30x5.5 inches)

Figure 5.2: Recessed Cutout Dimension Reference

5.2 General Installation Steps

The following steps outline the general installation process. Specific details for surface and recessed mounting are provided in the videos below.

1. **Prepare the Wall:** For recessed mounting, create a cutout in the wall according to the dimensions provided in Figure 5.2. For surface mounting, ensure a clear, flat wall space.

2. **Mark Mounting Points:** Position the cabinet on the wall and mark the locations for the mounting bracket and reinforced screws. Use a level to ensure accuracy.
3. **Install Mounting Bracket:** Drill pilot holes at the marked locations and securely attach the heavy-duty mounting bracket to the wall using appropriate screws and anchors.
4. **Hang the Cabinet:** Carefully lift the cabinet and hook it onto the installed mounting bracket.
5. **Secure the Cabinet:** Install the bottom reinforced screws to firmly secure the cabinet to the wall.
6. **Electrical Connection:** Connect the cabinet to a power source. For surface mounting, use the direct-plug option. For recessed mounting, hardwire the cabinet to your electrical system (professional installation recommended).
7. **Install Shelves:** Place the glass shelves into the desired height-adjustable positions inside the cabinet.

6. OPERATION

The medicine cabinet features touch controls integrated into the mirror surface.

Figure 6.1: Lighting Controls

Figure 6.2: Anti-Fog and Time Display Controls

6.1 Lighting Control

- **Power On/Off:** Short press the power touch button (usually a circle with a vertical line) to turn the LED lights on or off.
- **Brightness Adjustment (Stepless Dimming):** Long press the power touch button to adjust the brightness from 10% to 100%. Release when desired brightness is reached.
- **Color Temperature Adjustment:** Short press the color temperature touch button (usually a sun icon) to cycle through 3000K (warm white), 4500K (neutral white), and 6000K (cool white).
- **Memory Function:** The cabinet remembers your last brightness and color temperature settings when turned off and on.

6.2 Anti-Fog Function

- **Activate/Deactivate:** Short press the anti-fog touch button (usually a wavy steam icon) to turn the defogger on or off.
- **Auto-Off:** The anti-fog function will automatically turn off after 1 hour of continuous operation.

6.3 Time Display and Setting

- The digital clock displays the current time.
- **Setting the Time:** Long press the time display area for approximately 5 seconds to enter time setting mode. Use the +/- buttons (often integrated with other controls or appearing during setting mode) to adjust the hours and minutes. Short press the time display again to confirm and exit setting mode.

6.4 Internal Charging Outlets

- The internal dual 120V/2A outlets and USB ports are always active when the cabinet is powered.
- Use these ports to charge small electronic devices such as electric toothbrushes, razors, or smartphones.

7. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the electrical components.
- **Cleaning the Cabinet:** Wipe the aluminum frame and interior shelves with a soft, damp cloth. For stubborn stains, use a mild, non-abrasive household cleaner.
- **Avoid Harsh Chemicals:** Do not use ammonia-based cleaners, abrasive powders, or scouring pads, as these can damage the mirror surface or cabinet finish.
- **Electrical Components:** Ensure all electrical connections remain dry. Do not spray water directly onto the outlets or wiring.

8. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|----------------------------------|--|--|
| Lights not turning on | No power supply; Loose connection; Faulty LED driver | Check circuit breaker; Ensure plug is secure or hardwiring is correct; Contact customer support. |
| Anti-fog not working | Anti-fog function not activated; Power issue | Press the anti-fog touch button; Check power supply. |
| Clock not displaying correctly | Time needs to be set; Power interruption | Reset the time using the touch controls; Check power supply. |
| Internal outlets/USB not working | No power supply; Device not compatible | Check power supply to the cabinet; Ensure device is compatible and working. |

9. SPECIFICATIONS

- **Brand:** QueenFun
- **Model Name:** BLMB
- **Size:** 60x30 inches
- **Product Dimensions:** 5"D x 60"W x 30"H
- **Material:** Aluminum, Glass

- **Mounting Type:** Wall Mount (Surface or Recessed)
- **Special Features:** Adjustable Shelf, Built-In Charging Station (Dual Outlet & USB), Built-in Defogger, Illuminated, Rust Resistant, Time Display, Motion-Sensing LED Light (interior), Soft-close Hinges, Push-to-open mechanism.
- **Number of Shelves:** 3
- **Item Weight:** 90 Pounds
- **IP Rating:** IP54 (Weatherproof)
- **Certifications:** ETL Listed

10. WARRANTY AND SUPPORT
