## PEJE ZW01 Pro

# PEJE ZW01 Pro Smartwatch User Manual

Model: ZW01 Pro

## 1. INTRODUCTION

---

Thank you for choosing the PEJE ZW01 Pro Smartwatch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it carefully to ensure optimal performance and longevity of your smartwatch.

## 2. WHAT'S IN THE BOX

---

Upon opening your PEJE ZW01 Pro Smartwatch package, you should find the following items:

## What's inside the box?

A smartwatch.

One spare watch band

A USB magnetic fast charging cable

- PEJE ZW01 Pro Smartwatch
- One (1) Spare Watch Band
- One (1) USB Magnetic Fast Charging Cable
- User Manual (this document)

### 3. SETUP

---

#### 3.1. Charging the Smartwatch

Before initial use, fully charge your smartwatch. Connect the provided USB magnetic fast charging cable to the charging contacts on the back of the watch and to a standard USB power adapter (not included). A full charge typically takes approximately 2 hours.

# Ultra-long Battery Life

**2.5** Hours  
Fast Charging

**7** Days  
Fast Charging

**15** Days  
Standby

## 3.2. App Installation and Pairing

To unlock the full functionality of your PEJE ZW01 Pro Smartwatch, you need to install the companion 'PEJE' app on your smartphone. The watch is compatible with both Android and iOS devices.

1. **Download the App:** Search for 'PEJE' in your smartphone's app store (Google Play Store for Android or Apple App Store for iOS) and download the official application.
2. **Create an Account:** Open the app and follow the on-screen instructions to create a new user account or log in if you already have one.
3. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
4. **Pair the Device:** Within the PEJE app, navigate to the device pairing section. Select your ZW01 Pro Smartwatch from the list of available devices. Follow any prompts on both your phone and watch to complete the pairing process.

## 4. OPERATING INSTRUCTIONS

---

### 4.1. Basic Navigation

The PEJE ZW01 Pro Smartwatch features a 1.83-inch full-color touchscreen for intuitive navigation.

# 1.83' HD full colour screen full touchscreen

200+ online watch faces in PEJE app

Use the pointer as you like

Image: Smartwatch displaying various watch faces and customization options.

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different widgets.
- **Tap:** Select an item or open an application.
- **Press Side Button:** Return to the home screen or power on/off the device.

## 4.2. Bluetooth Calling

Once paired with your smartphone via the PEJE app, you can make and receive calls directly from your smartwatch.

Image: Smartwatch demonstrating Bluetooth call functionality and app notifications.

- **Making Calls:** Access the dialer or contact list on your watch to initiate a call.
- **Receiving Calls:** When a call comes in, you can answer, reject, or silence it directly from your watch.

### 4.3. Notifications

The smartwatch can display notifications from various apps on your smartphone, including text messages, Skype, WhatsApp, Facebook, Messenger, Twitter, Line, and Instagram. Ensure app notifications are enabled in the PEJE app settings.

### 4.4. Health Monitoring

The ZW01 Pro Smartwatch offers comprehensive health tracking features:

# Keep track of your health date

Image: Smartwatch displaying various health metrics during an outdoor activity.

- **Heart Rate Monitoring:** Provides 24/7 heart rate tracking.
- **Blood Oxygen (SpO2) Monitoring:** Helps you understand your blood oxygen levels.
- **Sleep Tracking:** Analyzes your sleep quality, including light sleep, deep sleep, and REM cycles.

# Improve your sleeping habits

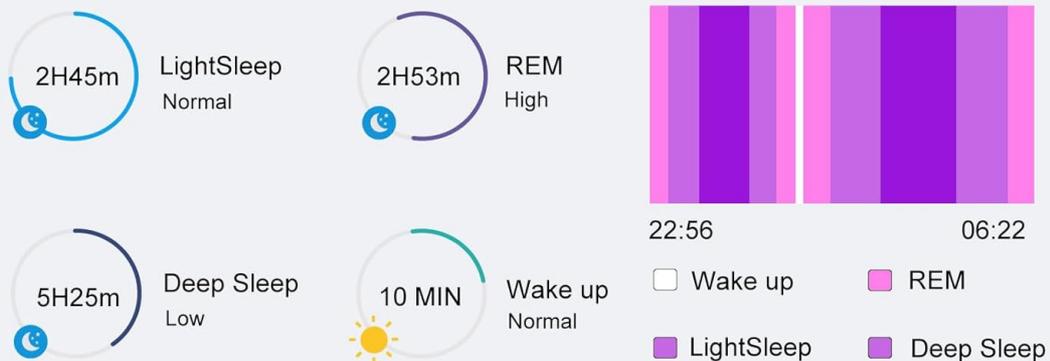

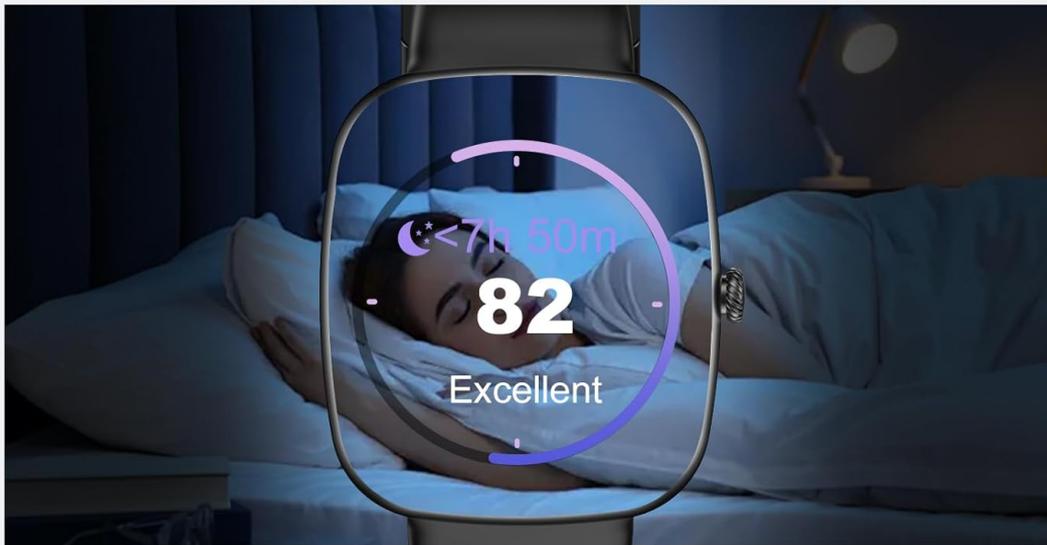

Image: Smartwatch displaying detailed sleep tracking data.

- **Stress Monitoring:** Track your stress levels throughout the day.
- **Reminders:** Includes sedentary reminders, water intake reminders, and menstrual cycle reminders for females.

**Note:** Measurement data from this device is for reference only and should not be used for medical purposes.

## 4.5. Sports Modes

The smartwatch supports over 120 sports modes, allowing you to track various activities. During exercise, it automatically records daily steps, heart rate, and calories burned.

- **Supported Activities:** Running, walking, badminton, tennis, basketball, table tennis, cycling, yoga, rope skipping, rock climbing, elliptical machine, rowing machine, stationary bike, and many more.
- **Data Tracking:** View your exercise data directly on the watch or in the PEJE app for a visual understanding of your performance.

**Note:** This device is intended for sports use or aviation environments only, not for medical use.

## 4.6. Islamic Features

The PEJE ZW01 Pro Smartwatch includes unique Islamic features:

- **Prayer Time Alarm:** Set alarms for daily prayer times.
- **Automatic Prayer Notifications:** Receive automatic notifications for Fajr, Sunrise, Dhuhr, Asr, Maghrib, and Isha.
- **Adhan Reminder:** Includes an Adhan reminder with the '99 Names of Allah'.
- **Qibla Direction:** Provides Qibla direction functionality.

#### 4.7. Other Smart Features

The smartwatch offers additional features to enhance your daily life:

- Weather Forecasts
- NFC Access Control (if supported by your region/system)
- Music Control
- Pedometer
- Find My Phone
- Timer
- Stopwatch
- Siri Personal Voice Assistant (requires connected iOS device)
- Remote Photography

## 5. MAINTENANCE

---

### 5.1. Water Resistance

The PEJE ZW01 Pro Smartwatch is rated IP68 for water and dust resistance. This means it can withstand splashes, rain, and brief immersion in shallow water. You can wash your hands and dishes while wearing the watch.

Image: Smartwatch demonstrating water resistance.

**Important Note:** While IP68 rated, it is **not recommended** for diving, sauna use, hot showers, or exposure to high-pressure water jets, as this may compromise the water seal over time.

## 5.2. Cleaning

To maintain your smartwatch, regularly clean the screen and strap with a soft, dry cloth. If necessary, use a slightly damp cloth for the strap, then dry thoroughly. Avoid using harsh chemicals or abrasive materials.

## 6. TROUBLESHOOTING

---

If you encounter issues with your PEJE ZW01 Pro Smartwatch, try the following common troubleshooting steps:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charging cable and allow it to charge for at least 30 minutes before attempting to power it on again.
- **Cannot Pair with Phone:**
  - Ensure Bluetooth is enabled on your phone and the watch.
  - Make sure the watch is within range of your phone.
  - Restart both your phone and the smartwatch.

- Try unpairing and re-pairing the device through the PEJE app.

- **Notifications Not Appearing:**

- Check the notification settings within the PEJE app to ensure they are enabled for the desired applications.
- Verify that your phone's operating system allows the PEJE app to send notifications.
- Ensure the watch is properly connected via Bluetooth.

- **Inaccurate Health Data:**

- Ensure the watch is worn snugly on your wrist, but not too tight.
- Clean the sensor on the back of the watch.
- Note that environmental factors and movement can affect accuracy.

- **Short Battery Life:**

- Reduce screen brightness.
- Disable unnecessary features or frequent heart rate monitoring if not needed.
- Ensure background app usage on your phone is optimized.

If these steps do not resolve your issue, please contact customer support for further assistance.

## 7. SPECIFICATIONS
