4. USAGE GUIDELINES (OPERATING)

This pilot costume is designed for recreational use at various events:

- **Carnival:** Ideal for festive parades and celebrations.
- **Theme Parties:** Perfect for aviation, uniform, or general costume-themed gatherings.
- **Halloween:** A distinctive choice for trick-or-treating or Halloween parties.

Ensure the costume fits comfortably and does not restrict movement or vision, especially if worn for extended periods or during activities.

5. CARE AND MAINTENANCE

To maintain the quality and longevity of your costume, please follow these care instructions:

- **Washing:** Hand wash only. Do not machine wash, bleach, tumble dry, or dry clean.
- **Drying:** Lay flat to dry or hang dry away from direct sunlight.
- **Ironing:** If necessary, iron on a low heat setting, preferably with a cloth barrier to protect the fabric and detailing.
- **Storage:** Store in a cool, dry place away from direct sunlight to prevent fading and material degradation.

The costume is made of polyester fabric, which is durable but requires gentle care.

6. TROUBLESHOOTING

While the Boland Pilot Costume is designed for ease of use, here are some common considerations:

- **Sizing Concerns:** The costume is available in specific sizes (e.g., Medium/Large). If the costume feels significantly too small or too large upon trying it on, please verify the size received against your order. Costume sizing can sometimes differ from standard apparel sizing. Refer to any size charts provided by the retailer if available.
- **Missing Components:** If any of the 5 listed package contents are missing, please contact the retailer or manufacturer immediately for assistance.
- **Wrinkles:** Due to packaging, the costume may arrive with wrinkles. Gentle steaming or low-heat ironing (as per care instructions) can help smooth them out.
