Keyluv FKCLCBF

Keyluv Full Car Bed Frame Instruction Manual

Model: FKCLCBF

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not load more than 850 pounds on the bed frame.
- Always assemble according to the provided instructions to prevent instability.
- Ensure all connections are secure before use.
- Keep children supervised when using the car-shaped bed to prevent injuries.
- Do not modify the product as this may compromise safety and void the warranty.

2. PRODUCT OVERVIEW

The Keyluv Full Car Bed Frame is designed with a unique off-road car aesthetic, featuring a button-tufted headboard, integrated LED lighting, and a convenient charging station. It is constructed for durability and comfort, providing a stable sleeping solution without the need for a box spring.

Key Features:

- **Racer Adventure Design:** Features an off-road car design with a four-slot grille, round headlamps, wheels, and side wings.
- **Comfortable & Durable:** Upholstered in premium, odor-free velvet with high-density foam for comfort and longevity.
- **Integrated Charging Station:** Includes charging ports (1 Type-C, 3 USB) and a storage shelf in the headboard.
- **Multifunctional RGB LED Lights:** Smart RGB LED lighting with rhythm-sync, 16 million colors, adjustable brightness, and flashing modes.
- **Sturdy & Silent Construction:** Features 12 strong slats, a heavy-duty metal frame, 9 support legs, and silent strips to prevent noise. Supports up to 850 pounds.

3. ASSEMBLY INSTRUCTIONS

The Keyluv Full Car Bed Frame is designed for easy assembly. It comes with a detailed installation guide, all labeled parts, and necessary tools. A mattress is not included. Recommended mattress height is 8-12 inches. Assembly can typically be completed by one person in approximately 45 minutes.

Before You Begin:

- Unpack all components and verify against the parts list in your included manual.
- Ensure you have sufficient space for assembly.
- Keep small parts away from children.

General Assembly Steps (Refer to included manual for detailed steps):

1. Attach the side rails to the headboard and footboard.
2. Secure the central support beam and legs.
3. Unroll and attach the pre-connected wooden slats to the frame.

4. Ensure all bolts and screws are tightened securely.

4. OPERATING INSTRUCTIONS

4.1. LED Lighting System

The integrated RGB LED lights offer various customization options to enhance your room's ambiance.

- **Static Mode:** Choose from over 16 million colors to set a constant light.
- **Flashing Mode:** Select from various flashing patterns.
- **Rhythm Sync:** The lights can auto-flash and change with the rhythm of music or sound.

- **Adjustable Brightness:** Control the intensity of the light.
- **DIY Colors:** Use the associated app (if applicable, refer to the separate LED controller manual) to create and save custom color settings.

4.2. Charging Station

The headboard includes a convenient charging station and storage shelf for your electronic devices.

- **Ports:** 1 Type-C port (5V/3A) and 3 USB ports (5V/2A).
- **Usage:** Connect your devices to the appropriate ports for charging.
- **Storage:** Use the integrated shelf to place phones, tablets, or other small items while charging or for easy access.

Image 4.4: Close-up of the headboard's charging station, featuring multiple USB ports and a Type-C port, along with a storage shelf for devices.

5. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your Keyluv bed frame.

- **Upholstery Cleaning:** For general cleaning, gently vacuum the velvet fabric with a soft brush attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild, pH-neutral fabric cleaner, testing on an inconspicuous area first.
- **Frame Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary.
- **LED Lights:** The LED lights are designed for long-term use. If issues arise, refer to the troubleshooting section or contact customer support.
- **Charging Ports:** Keep charging ports free of dust and debris. Avoid forcing plugs into ports.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose connections or friction between parts.	Check and tighten all bolts and screws. Ensure silent strips are correctly positioned.
LED lights are not turning on.	Power connection issue, remote battery low, or LED strip malfunction.	Verify power cable is securely plugged in. Check if the remote control battery needs replacement. If using an app, ensure Bluetooth connection is active.
Charging station is not working.	Power connection issue, device cable fault, or port malfunction.	Ensure the bed frame's power is connected. Try a different charging cable or device to isolate the issue.
Bed feels unstable.	Incomplete assembly or loose components.	Re-check all assembly steps, ensuring all parts are correctly installed and tightened. Do not exceed the 850-pound weight limit.
